Dear Sir:

Your letter was duly received. We would like for you to continue a subscrition [subscription] to the Register, but if you desire a discontinuation(discontinuance?) we will stop it at the time you suggest, when the time expires for which our dollar will pay in addition to what had when you commenced taking the paper.

You can if you please, remit to us one dollar, by mail, which will pay the balance now due, and pay it to No. 289.

Respectfully yours,

Jm. C. Moses(?)
