Us Mortals

Our Line
The Glee Club
Lightning Justice
"Lits"

By Heck

AFTER ALL the real genius is the man who can get along with the people.

GRADUALLY WE are finding out that greediness does not pay.

EVERY THING considered including ourselves, none of us have a very hard time of it.

THE BASEBALL squad makes the season for Ashland College look rosy. All the team needs is lots of good loyal backing and they will bring home the bacon.

IT IS lamentable that more people are not like the sign, "Inquire To See Our Full Line." Most people are continually dissertating upon subjects that they know little or nothing about. Their line, pardon slang, is always open for inspection, and how seldom they have anything to say that is really worth saying.

THE POSTERS about the city remind us that the Girls' Glee Club is soon to give its home concert. This organization is a credit to our College. It has been a large success not only from the standpoint of talent but it has given the College a good reputation. Now is the opportunity for the student body to show its appreciation by helping make the Home Concert a grand success.

THE PAPERS termed the action of a certain eastern Court against a group of foul murders, "Lightning Justice" because of the speed with which they arrived at their conclusion in regard to the punishment of these criminals. Some more "lightning justice" might serve to put a crimp in Crime. If the way of the transgressor was harder perhaps there would be less lawbreakers.

NINETY-TWO OIL promoters according to a newspaper of recent date, were

Purple Team Is Set For Wooster

Expect to Give Good Game to Boles' Men

Students Planning to Attend Opening Game

Mitt men are anticipating the coming tussle with Wooster next Saturday when they open their collegiate season on Wooster's field. A blow to Ashland's hopes was received last week when Wooster defeated Akron at Akron by the decisive score of 11 to 3. This seems to indicate that Ashland will have more trouble with the Presbyterians than was at first looked for. Akron made 11 errors, however, and the Boles men may not be so strong after all.

A practice game was held this week to get the men into shape for this contest. The team as a whole is working into shape very well. The old trouble has arisen however. Not enough men to choose from. At the time when practice first began it looked as though there would be twenty or more likely candidates to choose the nine from. This number has now dwindled down to twelve or thirteen and Murray is racking his brains to fit the men into their proper niches.

Coach Murray now has a pretty definite idea of the men who will start the game at Wooster. The lineup here given is only tentative however and should not be taken as final:

- 1b—Wharton or Schmuck (Capt.).
- 2b—McConihe.
- 3b—"Jiggs" Hastings.
- ss—Hankinson.
- lf—Baylor.
- rf—Essick or Schmuck.
- cf—Weber.
- c—McClintock.
- p—Keifer or Schmuck.

Twelve men will be carried on the trip. Practice this week consisted of more drills on fundamentals with a touching off with a few of the fine points of the game. If Keifer can get the backing that he needs Ashland stands a good chance of carrying off the laurels for the day. A good, snappy infield behind him says that Wooster will not often get to first on easy ones.

Students Will Back Team

A large number of students are plan-

Principals Chosen For May Pageant

Will Follow Queen in Procession to Throne

Trulah Keener to Be Maid of Honor

With the principals for the May Day program which will be given on the afternoon of the 26th of May, chosen work has begun on the drills and exercises which will be a part of the pageant.

A cast of over sixty will be used in the pageant which will follow the crowning of the Queen. Different scenes in history will be depicted.

Attendants of Queen Chosen

Miss Frieda Price, who is to be the May Queen announced last week her selection of attendants who will follow the Queen in the initial procession.

They are: Beatrice Gentzorn, Shirley Price, Ruth Beckley, Esther Kendig, Marion Baylor, William Cornet, George Woods and Loren Black. Miss Trulah Keener will be the Maid of Honor. Miss Keener was May Queen last year.

The annual May Day has always been a delightful occasion here and its coming is highly anticipated by the students and townspeople as well. It will be given again on the front campus and the seats will be arranged to accommodate a large attendance.

NEW TENNIS COURTS BEING PUT IN SHAPE

Work Will be Finished This Week

Before many more days the tennis courts will be in shape for play.

The old courts were situated on the site which the new building now occupies and the new courts are being put into shape on the ground to the north of the athletic field and to the west of the dormitory. Work began on the new courts last summer, the courts being played on last fall. They were not in tip-top shape then, however, and the work is being continued this spring to put them in the best of condi-

"Y" MEN ENJOY FROLIC AT LOCAL Y. M. C. A.

Games and Eats at Annual Social Event

Thirty College Y men enjoyed an evening at the city Y. M. C. A. Tuesday nite. This is one of the annual social activities of the College Organization. The men spent the evening in the pool, at the bowling alley and enjoying the recreation facilities in general. This was the first social under the direction of the new cabinet. Besides the recreation the men enjoyed Dean Miller's coffee and Baylor's dogs. Each man seemed to have a sufficiency of both. After the festivities the group paused to listen to the words of the city Y Secretary Kershaw, and Physical Director Martin.

President Koontz then extended a hearty invitation for all the men to become regular attendants at Y every Tuesday nite.

SLIDE CASE INSTALLED IN BIOLOGY LABORATORY

The slide case for the microscopic slides used in the Biology Department has been installed in the laboratory. The case has places for 2750 slides and plenty of room for lantern slides. As soon as the new building is completed it will be installed in the new lab.

The case is a gift of Dr. H. H. Lehman of this city.

HOME CONCERT OF GLEE CLUB NEXT MONDAY

Will Be Given at Ashland Opera House

The home concert of the Glee Club this year is going to be a success if the girls in the Club have anything to say about it.

It will be given next Monday night in the Ashland Opera House and will be managed in the same way large shows are managed. Seats will be reserved and will be drawn at the Ashland Drug Co. Saturday. The girls will canvass the city in order to make doubly sure that the Opera

Locke-Rowsey Will Pilot "Collegian"

Both Men Prominent in School Activities Here

Will Work with Present Staff this Year

At the annual election of the publication staff last Tuesday morning John F. Locke, '25, and Herbert Rowsey, '25, were elected to the positions of Editor and Business Manager respectively on the 1923-24 "Collegian" Staff. These men comprise what is known as the major staff and upon them the burden of issuing this paper for the next school year will fall.

The election was made from four candidates for the position of Editor and two for the position of Business Manager which were appointed by the Committee on Publications last Thursday. Balloting was held at the Chapel hour Tuesday. Every student present was privileged to vote.

Will Work with Present Staff

The newly elected staff will work with the present staff for the remainder of the year in order to become acquainted with the nature of the work and be ready to take over the entire work when school opens next fall.

Both members of the new staff hail from the staid and sunny land of Virginia. Mr. Rowsey is the son of Mr. and Mrs. H. J. Rowsey of Roanoke, Virginia. He attended Roanoke High School but came here to finish his pre-college training in the Academy. He is now engaged in the pursuit of the Classical Divinity Course.

Rowsey is a member of the Philomathean Literary Society and also a member of the Gospel Team. He is one of the bulwarks of the football team, having played a guard position for the last two years. "Row" is also a member of the Debate Team. His present work is handling the editions of the Cleveland Press in this city. He is well fitted for the position of Business Manager, being of an energetic type and well known among the business men of Ashland.

Locke Should Make Good Editor

The chief claim of Mr. Locke to fame on the campus is his unceasing expatiation. Any one with such a prolificity of words seems well adapted to fill the shoes
