Spring Suits for Young Women Are
Prettiest in Years.

There is real newness about them. Dear little tie-around jackets, blouse jackets and jackets that button to the extreme left.

Skirts are entirely new, being cut with low waistlines that slip down over the hips and do away with the ugly line that women have long disliked.

Poirot Twill in navy is the material of first choice.

Two-piece suits or costume suits with batik silk bodices, just as you choose.

We invite you in to see them.

"Please define a kiss and state what it's for,"

Said she at the evening's close.
Said he, "You know all about it, for It's gone on right under your nose."

Tight Wad: "If you lost me you would have to beg for your money."

His Wife: "Well, it would be natural."

She: "Is he very bashful?"

Second Ditto: "When he took me on the roller-coaster he told me to hold tight to the bar or I'd fall out."

"Here's a book," said the agent, "you can't afford to be without."

"I never read," answered the victim.

"Well, buy it for your children."

"I'm single—I have no family. All I have is a dog."

"Well, don't you want a nice heavy book to throw at the dog now and then?"

"Rastus, go in and clean out that lion's cage."

"With Mistah Lion at home?! White man, don't you see dat sign: 'Don't feed the Animals'?"

Which professor was it that just before he went to class the other morning, threw his wife out the back door and kissed the garbage?

The poets sing of lovely spring.
They say the bird is on the wing.
Upon my word,—why how absurd,
I thought the wing was on the bird.

Bridegroom: "That man is the ugliest person I ever saw."

Bride: "Hush, dear, you forgot yourself."

gets hurt. I'm him!"

Feeble—Not going to bed are you?
Minded—No, Stupid, just getting ready so I can dress in the morning.

Barber: "You say you have been here before? I don't remember your face."

Victim: "Ah, it's all healed up now."

HO HUM!

"Be frank, now tell me when you want me to go."

"Let's not discuss the past."
