## Stage Set For Largest Tourney

Many Rooters Will Come  
To Back Favorites

Classes Suspended For Third  
Annual Tournament

The third annual Ashland College Basketball Tournament which is in progress this Friday, March 2, will be the largest, and by all indications, the most successful that has yet been held. Seventeen teams have been entered in the lists and competition will be keen for first honors. The play will start promptly at nine-thirty Friday morning and continue throughout the day until all but the finals have been played.

School for the week will end with the last classes on Thursday so that the day may be devoted to the handling of the Tournament by the authorities in charge.

Two Games in Evening

The final game of the Tournament will be played in the evening at seven-thirty for the championship of the Tournament. Following this game the Purple Stalwarts will mix it with the Findlay College aggregation. McClintock, who was injured in last week's game will not be in the lineup for this game. Coach Murray has been shifting the lineup this week in order to uncover a combination that will form an effective offense against the Findlayites. Wood will be back at center and a new formation will probably be used to offset the absence of McClintock.

Plenty of Music

The newly organized College Band will make its first appearance on this day and will play between games at the gym. The College Orchestra, which is under the direction of Miss Anna Brauer will play at the evening meal.

Dinner and supper will be served in the Domestic Science rooms for the members of the teams participating in the Tournament. The Ashland and Findlay teams together with the two teams who are to play for the championship of the Tournament in the evening will be served with a special meal in the evening.

Interest in the Tournament is at high

## ASHLAND COUNTY TOURNEY WON BY SULLIVAN HIGH

Sullivan High School won the championship in the first Ashland County Tournament which was held here last week under the auspices of the County Board of Education.

Sullivan played three games and won all by decisive scores. The last game was played between Sullivan and Nova in the evening, resulting in a 30-17 decision for Sullivan.

Play started at ten o'clock on Saturday morning and continued until dinner. Four games were played in the afternoon and the final contest was played in the evening.

## Y. W. C. A. OFFICERS ELECTED FOR YEAR

Vernice Bond Honored With  
Presidency; Mrs. J. A.  
Miller Speaks

At the election of officers which was held at the regular Y. W. meeting last Tuesday evening, Miss Vernice Bond of Mexico, Indiana was chosen president to succeed Miss Shirley Price of Nappanee, Indiana. Miss Bond is a Junior in the Arts College and has been active in the work of the organization since her entrance into school. She thoroughly understands the work and is progressive in her ideas. Miss Bond was an Eaglesmere delegate last spring.

The other officers chosen were: Vice President, Catherine Teeter, of Dayton; Secretary, Miss Virginia Haun of Woodstock, Virginia, and Treasurer, Fern Hartzler, of Rittman, Ohio. The officers will assume their duties early in April.

Mrs. Miller gave a very interesting talk at this meeting on the "Daughter's Duty to Her Mother." She said that the four great words that a girl should keep in mind in remembering her mother are: Liberty, Comfort, Beauty and Joy. She said that it ought to be the duty of every daughter to make these words mean all that they possibly can to their mother. She spoke of the duty of a College girl to her mother. She said that since she cannot visit her own mother, she should visit an-

## Good Speakers at Volunteer Meet

Biggest Men In Missionary  
Field Will Feature Annual  
Conference

A galaxy of speakers will be present when the Student Volunteers meet at Ada, Ohio, on March 9, 10, and 11 for the Annual Conference.

This conference will present the best program of speakers that has ever been present at a Student Volunteer meet. All the men who are to speak are authorities on their subjects and are all leaders in their fields.

The Student Volunteer Movement has grown by leaps and bounds in the past few years and this conference promises to add more impetus to the steadily growing movement.

Dr. Harrison of Bahrain, Arabia, to  
Speak

Dr. Harrison has spent thirteen years on the Persian Gulf where his headquarters have for most of this time been the Mason Memorial Hospital at Bahrain. In recent years he has several times on the invitation of the Sheikh of Riyadh, Bin Saud, who is one of the two most powerful potentates in all the peninsula of Arabia, penetrated to Riyadh itself, 250 miles into the desert, and only 450 miles from Mecca.

## LECTURE ON "CULTURE" IMPRESSES STUDENTS

Dr. Shively Speaks On Evils Of  
Superficial Education

An unusually interesting address was made to the student body in Chapel last Monday morning when Dr. Shively spoke on "Culture."

Dr. Shively took up different instances where the so-called culture proved to be only a thin veneer and then enumerated others where true and thorough culture was shown. He related the account of an incident that occurred in England where there is supposed to be a larger amount of refinement and culture than there is here in America. Upon this occasion there was

## "IF GOLD RUST, WHAT WILL IRON DO?" PUTERBAUGH

"If Gold rust, what will iron do?" asked Milton Puterbaugh in Chapel last Friday. He applied this saying to nearly every phase of college life saying that the older people which are represented by the Gold should set an example for the younger. He said that the teachers should set examples for the students. He said that the activities of the school should set an example for the students. He said the Seniors should set an example for the Freshmen for, "If Gold rust, what will Iron do?"

He read the Ten Commandments in closing.

## SPLENDID LECTURE BY REV. MELVIN STUCKEY

Object of Education Discussed  
By Ashland Graduate

Melvin A. Stuckey of Louisville, Ohio, graduate of Ashland College in the class of '22 and who is now General Field Secretary for the National Sunday School Association of the Brethren church, and who some time ago was ordained to the Christian Ministry, addressed the Student body at Chapel Tuesday morning, February 20, on a subject pertaining to what an education should do for one.

Gives Practical Questions

At the outset Mr. Stuckey gave 17 practical questions, the work of a college professor of the University of Chicago, which if answered in the affirmative are said to test the validity of an education.

1. Has education given you sympathy with all good causes and made you espouse them?

2. Has it made you public spirited?

3. Has it made you a brother to the weak?

4. Have you learned how to make friends and keep them?

## APPRECIATIVE AUDIENCE ATTENDS STUDENT RECITAL

Owing to inefficient advertising, a very small but nevertheless appreciative crowd

## Capital Cagers Defeat Purple

Shooting Streak Gives  
Columbus Men Safe  
Lead

Comeback In Last Half Fails to  
Win For Ashland

Capital University of Columbus proved too much for the Purple and Gold when they clashed on the College floor here last Friday night. The game ended 33 to 20 in favor of the Columbus men.

Capital gave indications early in the game that they were going to give the Murray men a real chance to show their ability and as the game progressed it became more and more evident that the Capital men would carry off the honors. The game as a whole was well played and fast. A few instances of poor playing did not slow up the game enough to mention.

Visitors Hit Basket Regularly

The visitors made some uncanny shots in the first half that gave them a lead and a distinct advantage over the Purple. Ashland guards were astounded when they saw Columbus hang the ball through the loop from all conceivable angles. Ringers were scored from all over the floor. One handed shots, side shots, freak shots, fluke shots, good shots and bad shots seemed to possess an affinity for the hoop and unhesitatingly rolled in. This shooting streak in the first half proved the undoing of the Purple as they were never able to recover the handicap that they had piled on them.

McClintock Suffers Injury

The Purple and Gold machine was slowed up perceptibly when Freddie McClintock, star forward, was forced to retire from the game with a dislocated thumb. This accident incapacitated Freddie for further playing and he was removed from the game.

This accident occurred in the first two minutes of play and the absence of McClintock from the lineup showed how much of a factor he has been in the work of the team.

At the beginning of the game Capital got the ball from the tipoff and rushed for the basket. Ashland recovered the ball and countered with a rush and some shots
