Stiff Contests On 1924 Cage Card

Four Ohio Conference Teams
To Be Met Next Year
Wooster On Jan. 5

Eight Games Contracted For By
Coach Murray

With the return of Coach Murray from the meeting of the coaches of the Ohio Conference at Columbus on Monday of this week comes the announcement of part of the 1924 basketball schedule. Each year following the close of each season of inter-collegiate sport, the representatives of the colleges that are members of the Ohio Conference convene at the Chittenden Hotel in Columbus for the arranging of the next season's schedule and a general discussion of athletic affairs.

This year has been marked by the determination of Conference teams to play only other Conference teams and as a consequence games for schools such as Ashland which are not in the Conference are at a premium.

Four Conference Teams on 1924 Schedule

Four conference teams will appear on Ashland's card for the 1924 season. One of these teams will be played twice, making a total of five Conference games for the Purple varsity next year.

Wooster Will be Played at Wooster

The biggest game on the calendar for the locals will be the game with Wooster which will be played at Wooster on the 5th of January, 1924. This will be the first time that Ashland has ever met Wooster on the court and the proximity of the two schools will add to the zest of the contest for the Ashlanders.

Although Ashland failed to win a single Conference game played this year devotees of the sport are not discouraged as the games that were lost were dropped by only small margins.

Entire Squad Will Return Next Year

Prospects for the year 1924 in the basketball world seem bright because no men will be lost by graduation. The squad will be intact if all of the men return to school next fall. Several new recruits are being looked for from the local High School and other promising players are reported to be

Sunrise and Noon Prayer Meet-
ings Being Held

Increasing interest has characterized the "Week of Religion" which is in progress here under the auspices of the local Church and the Christian Associations. Reverend E. C. Miller of South Bend, Ind., who is conducting the services has delivered some splendid sermons which have stimulated the religious attitude which the "Week of Religion" was intended to invoke.

Each morning a short sermon has been delivered at the regular morning Chapel and a regular service has been held in the evening. Capacity audiences have attended all services.

Student Choir is Organized

A choir of forty voices organized from the student body sings at each service under the direction of Charles Mayes who is the efficient leader of the singing. Mayes is a member of one of the Gospel Teams and succeeds in getting results in a musical way.

Rev. Miller has come up to expectations, being a powerful speaker and able to drive his points home to his hearers. His sermons have been and are to be on subjects of vital and eternal interest to all students and others who are attending. His discourses are followed by sober reflection on the part of his hearers.

Morning and Noon Prayer Meetings Held
Each Day

A sunrise prayer meeting is held each morning at six-thirty and is well attended. The attendance has been running from twenty to thirty each morning and is steadily mounting higher.

For the benefit of those students who do not live at the dormitory a second daily prayer meeting is held at twelve-thirty in the Chapel.

Sermon Subjects For Week

The sermon subjects for the week from Wednesday are as follows:
