

continue in school. School has no doubt made you hungry for more.

TO THOSE who have never lived within our walls we can not say the truth too forcefully. YOU SHOULD GO TO COLLEGE NEXT YEAR. School is an outfit shop where we get our tools with which to do our part of the world's work. Education emancipates. Education is not a luxury but a necessity. Education is a looking forward, truth is ahead, never behind. Keep seeking it.

THE DAY was but is no more when an uneducated man had an opportunity to make good in the world. The day is past too, when the man with a High School education can expect to compete with those of more training. The estimate used to be that each day spent in school after leaving the grades was worth \$9 to the student. If more recent figures were obtainable they would necessarily be higher.

YOUR EDUCATION is something that no one can take away from you. A man half equipped mentally is like a poorly equipped automobile. He does not function efficiently. He does not get the best out of his existence. To him life is but drudgery. He sees things in a different light from the one to whom the scroll of knowledge has been unfolded. The man who does not obtain an education is not treating himself square, neither is he playing square with the world by not giving it his best. No man need miss a College Education. A noted educator recently made the truthful statement, "The price of an education is the desire for it."

POSSIBLY IT may appear that the writer over stresses the importance of going to college. The obtaining of an education is the most important business of Youth. It can not be overstressed. It is THE business of every one to fit himself for life. The time is NOW.

A WELL known weekly paper makes the estimate that \$800,000,000 worth of tobacco will go up in smoke in the United States this year. This waste of money to the detriment of the one wasting it is certainly nonsensical.

PROFITEERS HAVE arisen and attempted to gamble on sugar. The public is on to their stuff in this case, however, and the sugar bandits, as they have been called, are being beaten by a buyers' strike.

THE WAY to get rid of war is to plan a profiteerless one. He is the only man that it does any good. The profiteer is the only man that wants war.

GET AN education, Go to college, Go to Ashland College.

The membership of the "Scribes" is at present not complete. Two members, Mr. Barnard and Mr. Pfeleiderer, will become honorary members with their graduation this spring. The two newly elected members will make then but ten members active. Another election may be held at the opening of the next school year to complete the membership if possible.

The last meeting of the year will be held in May at which the new officers will be installed and Mr. Mayes will read a paper on "Multiple Personalities."

NEW ATHLETIC FIELD IS LEVELLED AND READY FOR SEED

County Agent E. A. French Working on Fertilizer

The new athletic field has been completely levelled and stones have all been removed. The Ashland County Farm Agent, E. A. French, has been the advisor of the authorities in charge of the work and has superintended the laying of the tile for drainage and other important matters. He is at present working on an analysis of the soil so that the proper fertilizer can be found. He will also decide on the seed that will suit the purpose.

As soon as a good rain comes the field will be sown. It will be watered during the summer. It is not expected that the new field will be in readiness in September but it is hoped that it will be in good shape by October.

Bear Cats Suffer Setback From Fast Windy City Aggregation

Hilarious Time at Informal Ball Game

BY WHIZZ BANG

(By special cable to the Ashland Collegian by arrangement with Mexican Athletic Association.)

Loudonville, May 14.—Fast Loudonville aggregation won one straight from Bear Cats here this afternoon in air tight game. The newly erected Gongwer stadium was packed to capacity with a large crowd of enthusiastic feminine rooters, who furnished the home team with moral support.

Synopsis of the Game

The game was featured by superb team work, the Bear Cats showing themselves to be a well oiled machine. Rupert (the busting captain of the Bear Cats in their recent successful football season) started the game with a two base hit which netted him sixty yards with no down and two bases to go. Dan Webster, the walking dictionary, duplicated the feat forcing Rupert for a touchdown for the initial counter.

From this point on, the account of the game if written, would not be fit for women's ears. The only redeeming feature being the superb and almost incredible

enough to bring in the quarters.

Weber will lead off as usual but Wharton will be moved up. Other changes will no doubt be made before the Akron game starts Thursday.

Captain Schmuck has returned to his old way of batting left handed and has overcome the fault of swinging too quick at the ball.

Either Schmuck or Essick will start the game in the box at Akron and "Till" Kiefer will be saved to slam the pill at the Hiram men.

Wooster Next Week

Next Tuesday Wooster will play the Purple on the home lot. The game was rescheduled after the other game was forced to be cancelled because of rain.

Murray has been grooming his boys since the 9-8 defeat at Wooster and the Wooster men are expected to have even more trouble in putting the game on the credit side than they did the first game.

PROF. HAUN WILL LECTURE ON ELECTRO-CHEMISTRY AND IONIZATION

Prof. R. R. Haun will deliver two free lectures on Electro-Chemistry and Ionization in Room II of the Administration Building.

Both of the lectures will be given at seven forty-five. The first will be on Thursday, May 17, and the second on Tuesday, the 22d.

Lectures are open to anyone interested.

Proceeds of the supper go for the support of the Y. W. C. A. Some of the money which is realized from the supper goes to support the Student Conferences in China and the rest goes into the work of the Home Mission Board of the Brethren Church.

The May Supper has become an established custom at Ashland and is always well and enthusiastically attended by people from the city. Two years ago the supper was held on the front campus but last year it was held in the Dormitory dining rooms because of inclement weather.

This year it was placed before the Y. W. C. A. as to whether it should be given on the campus or in the Dorm and it was decided that it should take place in the Dorm because of better facilities.

Music by College Orchestra

The eight piece orchestra under the direction of Miss Anna Brauer, Head of the Piano Department, produced the music for the occasion.

The dining room was decorated with Purple and Gold, the colors of the College. Streamers were stretched across the ceiling and posts wound with them. Flowers added to the seasonal appearance of the hall.

The May Supper was staged under the direction of Vernice Bond who is President of the Y. W. C. A.

ORIENTAL STUDENTS MAY BE HERE NEXT YEAR

A letter from Harvey Becknell, '20, to Pres. Jacobs this week discloses the fact that Ashland may have one or more oriental students in the student body next year. Some of the men at the U. of Hawaii are coming to the U. S. for work and one or more may come here. All are American citizens.

Since his graduation here Mr. Becknell has been in Y. M. C. A. work in the Hawaiian Islands. He is finishing a three year term there this spring and will return to the United States to take post graduate work at Columbia University.

Mr. Becknell sent several interesting copies of the "Ka Leo o Hawaii" (The Voice of Hawaii) which is the student organ of the University of Hawaii. These papers have been placed in the library for the examination of interested students.

BASEBALL SCHEDULE

April 27—Ashland 8, Wooster 9
May 4—Ashland 4, Northern 6
May 17—Akron there.
May 18—Hiram there.
May 22—Wooster here.
May 23—Capital there.
May 26—Ashland Merchants.
May 30—Kenyon here.
June 1—Akron here.
June 2—Open.
June 6—Capital here.

FINAL SCORE

	R.	H.	E.
Bear Cats	7	23	*
Loudonville	17	15	5

* The number of errors are not definitely known. Several expert accountants are collaborating with the score keepers, complete tabulations will be announced when negotiations have arrived at a culmination.

Pageant Will Be Historical

The pageant which will be given before the queen will be of an historical theme. It is divided into five chief episodes.

First will come the episode of Ancient Briton, or The Coming of the Cross. Second, the scenes shown will be of Medieval England, or Bold Robin Hood. Third will come the Colonial Garden Party. The fourth episode will be The Days of '61, and the last scene will be America Triumphant.

This will be the most complete and the most elaborate May Day pageant that has ever been staged here at Ashland. A cast of between sixty and seventy-five will be used.

Large Attendance Expected

Attendance at the May Day has been increasing steadily for the past few years. This year it is expected that a thousand or more will be present. Special arrangements will be made to accommodate such a number.

PREPARATIONS BEING MADE FOR LAST STUDENT RECITAL

Will Be Given Last Week of School

The last Student Recital of the year will be held in the Chapel on either May 31, or June 1. The date has not been decided upon as yet.

Students in the Special Departments of Voice, Piano and Expression will be on the program.

A recital is given every month in which all of the students in these special departments are urged to take part. The last recital of the year is usually reserved for the advanced students. Such is not the case this year however, as all of the students on the program are not advanced students. Nearly all of the students are ones that have taken one or more years work in the special departments and this recital promises to be one of the best of the year.

A large attendance is always had at these recitals, too large in most cases for the capacity of the Chapel.

The exact date of the recital will be announced in next week's "Collegian."

COLLEGE CATALOGUE TO BE ISSUED THIS WEEK

The annual Ashland College catalogue is now on the press and will be finished this week. This is the official book of information for present students and prospective students.

Copies can be obtained by writing to the President.

DR. R. R. TEETER TO DELIVER SERMON SUNDAY

At the Church services at the Brethren Church in the Chapel Sunday D. R. R. Teeter will deliver the sermon.
