Stadium Drive Set For Dad's Game

RETAIL MERCHANTS BOARD
PUSHING NEW FIELD

Lions and Rotary Clubs
Backing Move

When the Murray Men bump up against The Orrville Panthers here next Saturday the game will be distinguished by two very important activities. First is that it will be the first Dad's Day that the College has ever held and second is that the drive for the proposed new stadium will open on that day. Saturday promises to be about the biggest day that Ashland will have this year, even taking into account the successful Home Coming Day and the Armistice Day game both of which drew crowds variously estimated at from two to three thousand.

Business Men to Make Drive

Thanks for this splendid move belongs to the live wire business men of Ashland who want to see Ashland College rank with the best institutions of the state. The Retail Merchants' Association has charge of the drive and the backing of the Lions and Rotary clubs has also been assured.

Ashland citizens can congratulate themselves on this forward move for the city and look forward to many other uses for the stadium besides the primary use as a football field.

Stadium Site

The proposed stadium is to be erected to the west of the Dormitory where there is a natural slope that can easily be converted into a stadium by the removal of a little dirt. It is not probable that the stadium can be fully equipped by the opening of the 1923 season but it is thought that enough money can be secured to complete the necessary excavation and the enclosure of the field. Further plans can then be made for the erection of a permanent concrete bleachers large enough to accommodate the crowds.

The uses of the proposed stadium are to

PROF. GRAHAM STIRS COLLEGE AUDIENCE

Oberlin Professor Speaks
On Russian Conditions

Thomas W. Graham, of the Department of Homiletics at Oberlin College spoke in Chapel Monday morning, November 13, in behalf of the European student relief. Prof. Graham spent the summer in Europe and his information is first hand and authentic.

5,000,000 Face Starvation

Unless the present food shortage is adjusted, five millions of Europeans will face starvation this winter. In Russia there are 30,000 less doctors than in 1914, leaving now one doctor to 150,000 people.

The student relief has made it possible for some students to have now one fairly good meal a day, but only a very small portion of the hungry mob enjoy this. At other times they can eat bread made from leaves, grass, and clay.

Feed a Student

One student may be fed there for 5c a day. \$15 feeds one for a whole academic year. \$1.50 feeds a student for a month. This is possible because European money has so depreciated in value. Every Ashland College student is urged to assist these starving brothers by remembering them with some contribution when the soliciting takes place.

Prof. Graham has made five trips to Europe in the last five years, during which time he has lived there fifteen months. He has studied the situation from an economic viewpoint. He now gives his time to lecturing at various Ohio Colleges when his duties as a member of the faculty of Oberlin College will permit.

College Participates In Armistice Parade

Each Class Has Float

Ashland College was splendidly represented in the Armistice Day parade by both numbers and floats. The Freshmen, comprising over half the students in school, had the largest delegation in line.

Volunteers Hold Fall Retreat Here

SPRING CONFERENCE TO BE
HELD AT OHIO NORTHERN

Thirty Student Volunteers from the various Colleges over Northern Ohio met in Ashland November 10, 11 and 12 in Hesperian Hall to formulate plans for future Volunteer work in Ohio.

Dr. Jacobs and Dean Miller Speak

Russell Barnard, president of the Northern Ohio Conference called the meeting to order and presented Dr. E. E. Jacobs who in behalf of the College welcomed the students to the school. President Jacobs expressed his pleasure that the College had the opportunity of entertaining the students of the fall retreat. He stressed the fact that this is the only inter-collegiate gathering at the parting of which no representative suffers defeat, but each returns to his school with the feeling that he has gained from the experience.

Dean Miller delivered a short address stressing the value of a consecrated life and advocated the principles of Jesus as a standard of living for today. He then with compliments from the Athletic Association presented the delegates with tickets to the Defiance-Ashland football game.

Tom Sharpe and Mary Baker Here

The presence of Tom Sharpe, secretary of the Movement, from New York and Mary Baker, traveling secretary, aided much in intensifying the spirit of devotion which prevailed throughout the conference.

Ohio Northern U. to have Conference

The discussion in regard to plans centered around deputation work, poster work, and the conference to be held at Ohio Northern University, Ada, Ohio, on March 9, 10, and 11, 1923.

A social was staged by Arthur Cashman Saturday noon from one o'clock to two-thirty. This gave ample opportunity for all to get acquainted and to know each other.

Through the kindness of the friends of the College in the city the delegates were entertained for lodging and breakfast. The dinner and supper on Saturday was furnished by the Woman's Missionary Society of the local church. The Volunteers took

PURPLE TRIMS UP-STATE TEAM

Piles up 61 Points Against
Defiance Aggregation

Big Crowd Witnesses Victory

When the Defiance gridders met the Murray Men here on Armistice Day they were smothered under an avalanche of touchdowns. Coach Murray's proteges were at tip top form and on the offense worked like a well oiled machine.

The game drew a big crowd which is estimated to exceed even the crowd which attended the Home Coming game with Heidelberg. The Ashland Band was on the field and martial airs filled the air whenever there was a cessation in the play.

The game belonged to the Purple men from the first few minutes of play until the last whistle blew. Besides playing superb football Ashland was lucky on recovering fumbles. Two fumbles at least cost Defiance the same number of touchdowns.

In the first three minutes Ashland rushed the ball to the visitors one yard line where they lost the ball on downs. Defiance punted against a strong wind and the ball went out of bounds on the eleven yard line. Ashland scored in three plays.

As to weight the two teams were pretty well matched. The Ashland forwards had a slight edge on their opponents to about five pounds per man on the average.

Forward passes were few and relatively unsuccessful. Ashland early in the game found the Defiance line to be weak and resorted to plunges for their gains. The Defiance men showed lots of scrap and twice halted Ashland and held for downs within the ten yard line.

One of the best features of the game was the fact that there was little by-play and no poor sportsmanship shown by either of the contestants.

The whole Ashland line were stars. On

the one yard line. Defiance held when Fox hit center and the ball was lost on the half yard mark.

Defiance punted against a strong wind out of bounds on their own eleven yard line and Ashland again started toward the goal line. Weber ran seven yards around left end. Wharton made a half yard at left guard and Curry swept across for the first score off right tackle. Fox kicked goal.

Norris kicked to Warner on the five yard line and he returned to the twenty. Diehl made three at left guard, Conroy made five at right and then made the only first down of the game thru center. Conkey failed to gain thru the line and was thrown for a ten yard loss when he tried to run right end. Ashland was penalized fifteen yards. Diehl tried left end and lost seven yards. Conkey smashed center and stopped on the line. On the last down Conkey threw a pass to Bell, Defiance tackle, who was ineligible to receive and the ball was given to Ashland. Wharton on the first play made a pretty run around right end and put the ball on Defiance's three yard line and took it across on the next play. Fox kicked goal.

Norris kicked to Warren who received on the ten yard line and came upstream eighteen yards. Conroy hit center for three. On the next play Conroy fumbled and Ashland recovered in Defiance territory. Weber was sent at center for two yards. A pass failed and the next was intercepted by Diehl. Conkey made two at left guard and Diehl made three at center. Conroy made two at right guard as the quarter ended. Score, Ashland 14; Defiance 0.
