

pas and through the buildings. As soon as they must live here for a week end. Then they can enjoy the letters of the boy and girl at college and be even more proud that son is a student at Ashland.

Dad's Day promises to be a big day at Ashland. Will Your Dad be here?

## CITY HAS BIG MARDI GRAS ON HALLOWE'EN

### Students Attend

The Hallowe'en celebration which was held under the direction of the Merchants Retail Board Tuesday night was the biggest affair of its kind ever held in Ashland.

The passage of automobiles on Main street was prohibited and the city turned out for the Mardi Gras parade. Prizes were given to the best costumed persons and a great variety of unusually unique costumes were shown.

The largest crowd that has ever turned out for such a celebration packed the streets and laughed at the ludicrous and grotesque habiliments of the masqueraders.

This is the first event of this kind that has been staged for a long time and the men who by their own initiative sponsored it are to be complimented.

A large number of College students participated in the hilarity.

## Oberlin Professor to Speak in Chapel Monday

Prof. T. J. Graham of the Oberlin Faculty will speak in Chapel Monday, November 6. Prof. Graham spent the summer studying the conditions of Students and Professors "Over there." He has also visited these lands previous to the war. He will speak on the Educational Conditions Opportunities and more especially the Needs of our fellow students there.

The meeting is the outgrowth of the Cleveland conference attended by Mr. Mayes, Mr. Ullom, Miss Becknell and Miss Fuller. This meeting promises to be the inspiration from which we will work in the following days in the doing of our part to help relieve suffering of the students in Europe. Prof. Graham is an able speaker and students should hear the facts of the condition of Europe from him. Don't forget. Chapel, next Monday.

### DR. L. R. AKERS TO SPEAK AT JOINT MEETING OF Y. M. AND Y. W. NEXT WEEK

Rev. Akers, pastor of the First Methodist church of this city will speak before a joint meeting of the Y. M. C. A. and the Y. W. C. A. next Tuesday evening.

Rev. Akers has recently returned from Europe and will tell of the Passion Play which he witnessed while there.

### Each Class to Have Float

The representatives of the Freshman, Sophomore and Junior Classes are busily preparing boats to be used in the Armistice Day parade. Just what the nature of the floats and the preparations in particular has not yet been disclosed. Each float is to be a complete surprise to students outside of each class and an intense competition has sprung up between the classes.

The American Legion has charge of the Armistice Day program as usual this year and the support of the College has been enlisted to make this day a grand success. Following the parade in the afternoon the College team will play Defiance College on the College Field.

It will be remembered that last year the College marched en masse in the parade and that the team was carried on a large truck.

Students will march this year the same as last and will lend their hearty support to the Legion.

The Legion has always boosted Ashland College and this is one way in which the students will show their appreciation for their support.

## COUNTY SECRETARY TO BE HERE NEXT WEEK

### Seeks "Y" Secretary

J. H. Murray, Associate County Work Secretary of the State Y. M. C. A. will be at the College two days, November 7-8. Mr. Murray is a successful "Y" man and has recently been placed on the State force. He, with other secretaries, is visiting all the Colleges of Ohio seeking out those who might be interested in the "Y" secretaryship as a life work. Efficient men to do such work are far from plentiful. The problems of this service are enormous, the possibilities unlimited, the rewards great in that it gives a vantage point in helping young men.

Mr. Murray will be informed concerning all kinds of "Y" work both home and foreign; and will be glad to give his best advice concerning the qualifications and preparation for, and opportunities in, such a work.

It is not the purpose of Mr. Murray, as we understand it, to meet before the whole group of men; but he will have time for, and desires to see all who are or can be interested in this phase of Christian work. To best accomplish his purpose he will give private conferences. Please arrange for such with the Y. M. President before hand. Remember the date, November 7-8.

### SHIVELY TO PREACH SUNDAY

Dr. Shively will take the place of Dr. R. R. Teeter in the Sunday service.

pointed that Christ did not appear as their philosophers had said he should. From these facts, he drew the conclusion that "The preaching of Christ crucified was a stumbling block to the Jews and a foolishness to the Greeks.

"We need some world stabilizer," he asserted in continuing. "People vainly grope after some" which they have within their grasp. The stabilizer that we need is Christ," he said in summing up his talk. "We have not given Christ a fair chance. Every nation is Mosaic in principle." He tried to show that Christ came into the world to stabilize it by using Mel Trotter as an example. "The only thing that will stabilize the world is Jesus Christ," he said in closing.

## Defiance Looms As Strong Opponent

### Team Preps Hard for Armistice Day Game

The Ashland College football team with no game Saturday, is nevertheless not taking things easy. Monday night the squad was idle in order to let the men with sore muscles get rested. Tuesday night the men went through light scrimmage with the second team, which used Defiance's formations.

Defiance comes here on Armistice Day with a football team that is the class of the Northwestern Collegiate League. Last Saturday they swamped Cedarville and disclosed the fact that they have several outstanding men that Ashland will have to watch. These men are Denison at Center and Diehl at half, both are powers on offense and defense. Diehl at half is a star on end runs and will cause the Ashland wingmen trouble.

Defiance has several formations which have proved hard for the varsity to stop in practice against the seconds. One of these formations, an end run, is going to put a lot of work on the varsity ends and Coach Murray is drilling them hard to break it up. The game coming on Armistice Day should draw the largest crowd of the season.

### DEATH OF MR. J. L. HUNTER OF THIS CITY

Friends of Miss Catherine Hunter were shocked to learn of the sudden death of her father, Mr. J. L. Hunter of this city. Mr. Hunter was taken ill while at work and passed away soon after he was removed to his home.

Miss Hunter, in her first year at this college, has won the respect of her fellow students and they extend to Miss Hunter and her family kind expressions of sympathy in their bereavement.

from three to eight yards. In the fourth quarter Ashland, by line plunges alone, made first downs in thirteen plays.

Both teams were equally matched as to weight and this gave no odds to either team on that score.

The game was played for the most part in Hiram territory, and in the middle of the field. The Purple goal line was threatened but once—when Hiram scored in the last fifteen seconds. Ashland made thirteen first downs to Hiram's eight.

The weak spot in the Ashland defense was the ends of the line. Hiram ran the ends repeatedly for long gains which were not stopped until they reached the secondary defense.

Kelker, the Hiram fullback, was the star player. Kelker it was who led the seventy yard advance that resulted in the touchdown in the last fifteen seconds. Captain Gore, the Hiram center, played a stellar game on the defense. Wharton and Fox were the star Ashland backs and Rowsey and Schmuck were towers of strength on the Ashland line.

### PLAY BY PLAY SUMMARY.

Norris kicked off to Glass who received on the eighteen yard line and returned to the thirty. Hiram fumbled but recovered with a five yard loss. Ashland was penalized for offside. Kelker made one at center. Glass ran right end for a gain of eleven yards. McCullough tried the other end but lost two. Glass fumbled on the next play but recovered with a loss of five yards. Mountcastle made no gain at left tackle. Kelker punted to Teeter who made a slick run-back of twenty yards, and took the ball into Hiram territory. Fox plunged through center for five. Fox made seven off left tackle. Curry made one at right guard and Fox made first down at the same place. Wharton hit right guard for four, and made three on the other side of the line. Fox made four through center and four more through left guard. This took the ball to Hiram's six yard line. Wharton made two through left guard. Curry was stopped at center with no gain, and on the fourth down Curry attempted a pass that was intercepted behind the goal line. The ball was put in play on the twenty yard line and Hiram fumbled and Gore gained five yards when he recovered. McCullough made a yard at left guard and Kelker punted on the next play to Teeter who was downed in his tracks by Bowe. Teeter ran left end for four yards. Curry made seven at right

turned the punt out of bounds. Curry passed to Schmuck with a gain of seventeen yards. Fox made six through right guard and Curry passed to Teeter who ran ten yards and made a total gain of twenty-six yards. Curry cut through left tackle and took the ball to Hiram's ten yard line. Fox made a yard at center and Hiram was penalized two yards for four times out. Wharton made three at center and placed the ball on the four yard line, and then Wharton plunged through left guard for the touchdown. Fox failed to kick goal. In the remaining time Glass kicked to Teeter who made twenty yards upstream. An Ashland pass failed and when the fourth down came Fox punted to Mountcastle who was downed in his tracks by Schmuck. Half ended as Hiram tried three futile line plays. Score: Ashland—6; Hiram—0.

### THIRD QUARTER.

Glass kicked to Wharton who came back nine yards. Fox made three at right guard and added six off right tackle. Fox made first down through center. Wharton hit center for three. Curry made four off right tackle. Ashland fumbled and Hiram recovered on their own forty-four yard line. McCullough ran right end for three yards and was tackled by Wharton. Glass made eleven around left end and Day lost two around right. Glass made a yard around right end and on the next play Hiram attempted a pass and an Ashland man interfered with the man receiving and Ashland was penalized fifteen yards. McCullough made a yard at left end and Kelker passed to McCullough for a four yard gain. Hiram was penalized fifteen yards for unnecessary roughness. Mountcastle punted to Teeter on the eighteen yard line. Fox returned the punt. Glass ran right end for three yards. Kelker passed to Mountcastle for a gain of ten yards and first down. McCullough went off right tackle for two. Hiram was penalized ten when Glass was caught behind the line and intentionally grounded the ball. Hiram punted and Fox made first down on three line plunges as the quarter ended. Score: Ashland—6; Hiram—0.

### THIRD QUARTER.

Ashland now began a march that took them to their opponents' one yard line where the ball was lost on downs. Wharton hit center for five. Wharton made four off right tackle and added four more off left tackle. Fox, in three plays through center and guard made a first down. Curry made four off right tackle and Teeter ran left end for twelve yards. Wharton made four twice through left guard and made three at right guard. Fox hit right tackle for five and then pounded right guard for two. Wharton gained a yard and that placed the ball on Hiram's eight yard line. Fox made two at center and Wharton three at right tackle. Fox made one at center. Curry failed to gain off right tackle. Wharton was sent at right guard on the fourth down but a Hiram man broke through and stopped him
