## As Other People Do--Look At Your Teeth

Examine your teeth closely every once in a while. The tiniest discoloration or the least indication of tartar should prove a dangerous signal and warning to you. Properly cleanse the teeth twice or three times a day. Use **OUR TOOTH PASTE** and also our **ANTISEPTIC SOLUTION**. A scrub of the teeth and a rinse of the mouth, and the job is done—with full protection, with best results in providing pretty teeth.

**COG-GEAR PUMPS**

MYERS Pumps are better pumps because: Their cog-gear requires one-third less power—their double action gives a continuous flow—their larger air chamber gives a steadier stream—their glass valves **CANNOT CORRODE OR WEAR**. Ask your dealer to show our line of Hay Tools and Door Hangers. Or Write us for free booklet.
