ASHLAND COLLEGE, THURSDAY, NOVEMBER 9, 1922

No. 7

Armistice Parade To Be Big Affair

Parade Starts at 10:30 A. M.

The greatest parade in the history of Ashland will be staged under the auspices of the Harry Higgins Post No. 88 on Armistice day at 10:30. In the afternoon at 2:30 Ashland College will meet Defiance in football.

The marshalling will take place at ten-thirty and pass through the streets, the course to be designated later.

The College football team and the College Faculty will ride in automobiles. The Freshman, Sophomore and Junior classes will each be conspicuous with a float. The mass of students will find a place to march in the maneuvers.

COLLEGE LINEUP

All students gather on the campus promptly at 9:45, move directly to Third street west of Orange. The entire parade will be mustered to move off at 10:30.

At 1:30 there will be a speech at the Opera House.

Ashland College will be prominent at all times with a good supply of purple and gold decorations. Every student will be expected to do his or her share to contribute to the enthusiasm of Ashland College.

DON'T GO HOME THIS WEEK

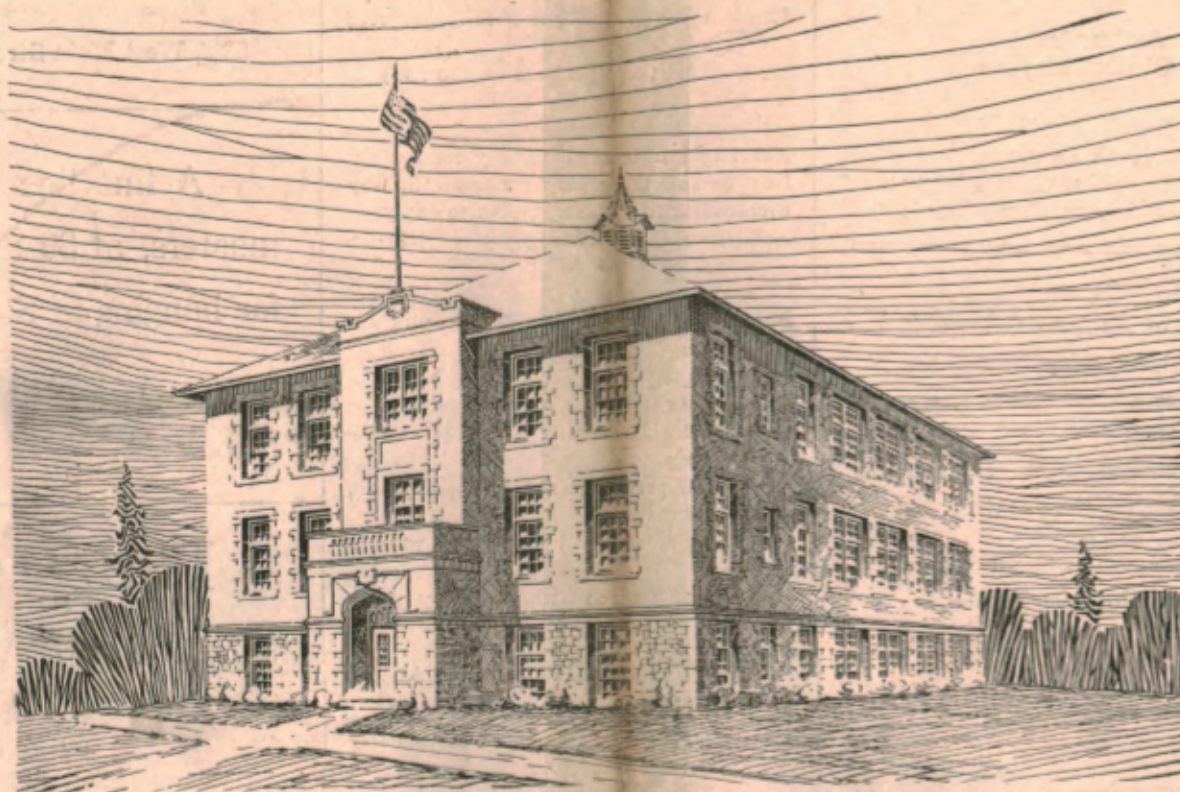

Students who are in the habit of leaving over the week end are admonished to stay in Ashland for the biggest day of the season. Armistice will be a big day in Ashland and the College needs the support of the students.

Tom J. Sharp To Be Here

Tom J. Sharp, Secretary of the Student Volunteer Movement of North America, will be present at the Volunteer Retreat this week end.

Sharp is one of the greatest Volunteer organizers in the country. He is also one of the best informed men concerning missionary activities. Mr. Sharp will probably deliver an address while here and every student will profit by attending.

COLLEGE READY

New College Building to cost \$80,000

Work on the new Library and Recitation Building which the College is erecting just to the east of the old Administration Building is progressing fairly well and if the present rate of construction is continued the new building will be ready for early spring occupancy.

The building is to be one hundred and eighteen feet long and sixty-four feet wide. It will contain on the second floor, four recitation rooms with offices for the

professors, the President's office and the Bursar's office. The entire third floor will be devoted to a modern and fully equipped library.

The building is being constructed of rough texture, red face brick. Windows and entrances up to the first floor are trimmed in gray stone, and windows on the two upper stories are to have the stone ledges.

The building will be fireproof and mod-

ern in every respect, conforming to the requirements of the state code.

The crowded conditions which at present exist cause students and teachers to hail with joy the construction of this building and look eagerly forward to the time when more room will be available.

It will be remembered that the funds for the new building were raised by the citizens of Ashland and the members of the Brethren Church.

Squad Preps for Defiance Contest

New Formations to be Used
By Murray Men

The Purple team from a layoff of three days went through the snappiest signal drill of the year Monday night. Coach called the squad at 9:30 P. M. and gave

DR. MARTIN SHIVELY PREACHES AT SERVICE

The Positiveness of Christ's
Teaching—Subject

Dr. Martin Shively, Bursar, filled the pulpit in the Chapel Sunday morning, November 4. Dr. Shively ably discussed the positiveness of the teachings of Christ.

"When Jesus talked, he spoke as one having authority and not as the Scribes

Plans Mature for Volunteer Retreat

Fifty Representatives To
Attend

Mr. R. D. Barnard, president of the Y. M. C. A. called for volunteers to entertain the members of the Student Volunteer Movement who are to be here for the Fall

Lions Banquet Football Team

Speeches Follow Two-Course
Dinner

The members of the football team, together with members of the faculty and those most closely connected with the football team were the guests of the Lions Club at the weekly luncheon Wednesday.

The entire squad attended and enjoyed the repast which was set before them. A splendid two course dinner was served of which the most unusual feature was the purple and gold brick ice cream.

A spirit of good fellowship pervaded the gathering. The luncheon was conducted as a regular Lion's luncheon and the jests passed by conspicuous members fostered the hilarity which prevailed.

Sherick Welcomes Team

At the end of the luncheon, Al Straus, chairman of the ray, introduced Clyde Sherick who welcomed warmly the members of the football team. Mr. Sherick complimented the men on the team for the record they have made and continued with expressions of satisfaction that Ashland could boast of a team which was able to meet and defeat Ohio Conference teams. Mr. Sherick further commented on the spirit of clean sportsmanship which was evident on the team and in closing exhorted the men to renewed efforts to maintain their splendid record.

Murray Talks

Following Mr. Sherick came Coach Murray who expressed the thanks of himself and the team which he represents to the Lions for their support during the season and their interest in the affairs of the College. Coach Murray praised the team for their willingness to work and their fight. He spoke of the future plans of the College for improvement and stressed the fact that Ashland could not hope to engage the best teams on their home list because they did not have a good field to play on. Coach Murray said that plans were laid for a stadium to be built on the campus along the King road and that if the money could be secured a first class field could be promised by next fall.
