As Other People Do--Look
At Your Teeth

Examine your teeth closely every once in a while. The tiniest discol-
oration or the least indication of tartar should prove a dangerous
signal and warning to you. Properly cleanse the teeth twice or three
times a day. Use **OUR TOOTH PASTE** and also our **ANTISEPTIC
SOLUTION**. A scrub of the teeth and a rinse of the mouth, and the
job is done—with full protection, with best results in providing pretty
teeth.

worked out in full that it seems absolute-
ly real. Dr. Akers said: "It is a play
worth going around the world to see."
"It grips and holds the hardest of hearts
in a way that can never be forgotten."

Dr. Akers' talk was full of force and
picturesqueness and the audience fully ap-
preciated his report of the play.

MYERS
HONOR-BILT
COG-GEAR PUMPS

MYERS Pumps are better
pumps because: Their
cog-gear requires one-third less
power—their double action
gives a continuous flow—their
larger air chamber gives a
steadier stream—their glass
valve seat CANNOT CORRODE
OR WEAR. Ask your dealer to
show our line of Hay Tools and
Door Hangers. Or Write us
for free booklet.
