

Ashland College of Arts and Sciences is now fully recognized by the State of Ohio for the training of High School teachers, so that those who graduate from this College and who have taken work in Education as indicated in the College catalogue, will be certified without examination.

The Normal Department is fully recognized also by the Department of Public Instruction of the State of Ohio for the training of elementary teachers, and those who complete the work are granted a temporary certificate without examination.

This does not mean that heretofore graduates from Ashland College were not granted certificates to teach in High Schools. It only means that in the past the graduates of this Institution were required to pass an examination before teaching in High School.

IMPORTANT Y. M. CABINET MEETING

In order to discuss some important matters President Barnard called a meeting of the Y. M. C. A. Cabinet last Tuesday night. A majority of the members were present.

The first new business brought before the cabinet was the election of a new Publication chairman. Ralph Landis was elected to that office. Mr. Rupert and Mr. Dante as the other members on the committee.

Mr. Black gave a short outline of the plan for receiving new members. Cards have been printed that will help out in this. Any man interested in being a member of the "Y" will be given one of these cards. He will sign his name on this card, at the proper place, and give it to the president. He will sign it and will hand it to the secretary for registration. It will then be returned to the new member.

Financial chairman, Mr. Koontz, made a report on the finances of the "Y." He said, "There is, at the present time, one hundred and sixty dollars in the treasury. About fifty-six dollars is yet to be collected from the old pledges." The question then arose as to how the new members were to be solicited. A motion was passed that the new members be allowed to subscribe the amount they desired to give.

A motion was put before the cabinet and passed to give Mr. Pfeiderer ten dollars with which to start the Gospel team's work. According to Mr. Pfeiderer eleven men have signed up for Gospel team work.

From the pep that was shown in the cabinet meeting and the regular "Y" meeting that followed there should be no reason why the Y. M. C. A. at Ashland College should not be one of the liveliest facilities outside the college.

DEAN MILLER PREACHES AT SUNDAY SERVICES

Speaks of World Conditions

Dr. J. Allen Miller, Dean of the Seminary preached to an appreciative audience Sunday morning, October 8. Dean Miller began by stating world problems as they exist today. He called attention to the nefarious practices now going on in the eastern hemisphere.

"The world has gone wrong in spite of Christ," he said. "Whosoever goeth onward and abideth not in Christ hath not God." Dr. Miller showed how prone people are at times to blame God as the instigator of evil. This is a sad mistake, since God made the world, pronounced the judgment of "good" upon it and made it for man.

"We must hold the highest conception of God, . . . for in all statements of God by Christ, God is exalted."

"As for me," he said, "I do not pretend to know much about God. I only know a little. I but see the fringe of the garment of God. But I do know that 'Whosoever goeth onward and abideth not in the teaching of Christ, hath not God.'"

Vernice Bond Leads Y. W.

Misses Zimmerman and Dively Speak

In a meeting featured by the appearance of a freshman as a speaker, Vernice Bond finished her Eaglesmere report and at the same time held the undergraduate meeting in Y. W. C. A. this week. The attendance at this meeting was about thirty.

The meeting was called to order and the scripture reading was by Maurine Hostetler. Sentence prayers were offered by several of the members. Miss Hattie Becknell sang an impressive vocal solo.

Nettie Dively talked on "From Self to Service" in which she pointed out that there is a time in every life when we must decide either for good or bad. The bad influences are always at hand to take over the services of the individual if a decision is made in that direction. "Only after a complete surrender of self are we able to find real joy," Miss Dively asserted in closing.

The second talk of the evening was by Priscilla Zimmerman, a freshman from Altoona, Pennsylvania. Miss Zimmerman spoke on willing service and used as her theme, "Whosoever shall compel thee to go a mile, go with him twain." She said that although we go the first mile of life grudgingly, the Christian goes the second mile willingly. The Christian is glad to do anything or give any service to the Lord because of his love of God, she declared. Miss Zimmerman is to be complimented on her first public appearance as a Freshman in the Y.

Miss Bond finished her Eaglesmere report and the meeting adjourned.

The membership campaign for the Y. W. is taking place this week.
