

possible the extensive decoration which was carried on by the Hoosier and Keystone clubs.

Surely Ashland College owes an unpayable debt of gratitude to these business men for the push which sent their first homecoming far across the goal line for a moral touchdown and a step higher in the ascent toward a berth in the Ohio Conference and a permanent winning football team.

PLANS COMPLETE FOR 1923 YEAR BOOK

Subscriptions To Be Solicited Soon

Plans are being made to make the 1923 Year Book unusually attractive. In the very near future a drive will be conducted among the students for subscriptions to the Ashland College Year Book for 1923. The staff this year will follow in the footsteps of the staff of 1922 who produced an annual which was comparable to the best, and which exceeded in excellence annuals published by colleges and universities far greater in size than Ashland.

The publishing of such an annual entails much labor and a great deal of expense, but to keep apace with the rapid strides in progress at Ashland College it becomes almost a necessity. A step forward should never be retraced. The price of the book this year will be three dollars (\$3), the same as last, of which two dollars (\$2) will be collected at the time the subscription is taken and the balance when the book is delivered. This plan is necessary so that there may always be sufficient cash on hand to take advantage of all possible discounts.

It is the hope and belief of the staff that the students will respond to this drive as they have responded to all calls for loyal support to Ashland College during the year. Success is the only possible outcome of enthusiastic co-operation. The students have helped make the "Collegian" a success, they have cheered the football team to heroic efforts, and now is their opportunity to push the annual.

The annual is an essential publication and it merits your heartiest moral and financial support. Put your hand in your pocketbook and extract two dollars therefrom so that your subscription for the 1923 annual can be taken with speed and dispatch.

ASHLAND GRADUATE RECENTLY ORDAINED

At the same service at which the farewell was tendered to Mr. and Mrs. Edwin Boardman, John Perry Horlacher was ordained in the ministry of the Brethren church.

Mr. Horlacher was graduated from this institution in 1922 and has many friends here who will be pleased to know of his ordination.

SCRIBES MEET FIRST TIME THIS YEAR

Barnard Reads Paper

The first Scribe meeting was held last Thursday in Philo Hall. Mr. Russell Barnard read a paper entitled "Pragmatism—Its Gift to Christian Thought." A half hour discussion followed the paper.

Mr. Mayes and Mr. Locke, two newly-elected members were present and two visitors were also entertained.

It may be well to explain here that the Scribes is an organization devoted to the development of the "art literary" and the membership is limited to twelve. Each year the Scribes hold an open meeting to which the students and faculty are invited.

At present there are but seven active members and the fellows of the organization are to meet soon for the election of new members to occupy the chairs of graduated members.

Membership to the "Scribes" is made exclusive by the fact that one dissenting vote disqualifies a person proposed for membership.

Hoosier-Keystone Clubs Handle Home Coming Preparations

Through the combined efforts of the Hoosier and Keystone clubs, the city of Ashland was virtually a sea of Purple and Gold last Friday. These two clubs working in harmony, spent much of their time and energy in placing these various decorations in conspicuous places in the town).

By personal solicitation, they secured the consent of many of the business men of the town to close their doors during the football game. They further asked the business men to decorate with the college colors during the day. The response to both was nearly unanimous. The effect produced by this decoration was marvelous. On every side, Purple and Gold streamers and bunting was flung to the breezes. Everyone did all possible to boost the decoration. The stores of the city removed their stock in trade from the windows and placed purple and gold in its stead.

The Hoosiers and Keystoners accomplished several feats unaided. Across Center street, a banner telling of the Homecoming was stretched between two poles. The goal posts on the Gridiron were decorated with the Ashland as well as the Heidelberg colors. The tower was covered with patriotic bunting and the various entrances and paths on the campus were decorated accordingly.

Perhaps the most unique feature of the decoration was the aeroplane piloted by Phil Goebel which, by his permission, was decorated and which he, by courtesy, piloted over the athletic field during the game.

In closing Mr. Seamus made the following statements: "These ghastly situations challenge every noble man and they challenge all we have. Dedicate yourself now to help build up the new world. Live for Christ and men in the biggest sense of the word."

While overseas Mr. Seamus met some of the greatest people in Europe. He traveled through England, Belgium, France, Germany, Poland and other countries. He spent some time on the battle fields of the World War. He came in contact personally with the conditions in Europe and these conditions as he pictured them shows that the East needs trained leaders physically, mentally and spiritually.

HIRAM LAST GAME ON FOREIGN FIELD

New Men May Get Chance to Play

Ashland's last battle on the foreign gridiron is with Hiram on October 28. On that date Ashland journeys to Hiram for the first football combat between the two schools. Ashland defeated Hiram last year in baseball so Hiram is out to even up matters.

Hiram has a good football team this year. She has come through with victories over Kent and the powerful Otterbein eleven. She has lost to Kenyon, Case and Oberlin but not without such a battle that forced these elevens to travel at their best clip to win. Ashland scouts who witnessed the Oberlin-Hiram game report that Hiram has a fighting bunch this year. Hiram was crippled Saturday in the game at Oberlin but expects to have her best lineup against Ashland.

The Ashland eleven will be seriously handicapped by the loss of three regulars injured in the game against Heidelberg. Coach Murray expects to have their places filled capably by second string men, who have been forced to sit on the bench only because of the high caliber of his regulars.

Foster who has been calling signals on the second eleven undoubtedly will see action on the regular back field in the game Saturday. Foster was a back field star of the Otterbein freshmen last year and has shown promise in scrimmages of being a flash in broken field running. The team leaves for Hiram Friday noon twenty-two strong and expect to add Hiram to their string of victories for the season.

ATTEND OHIO STATE CONFERENCE

Dr. Jacobs and Dr. Miller have suspended their classes during the past few days while they are in attendance at the state conference of the Brethren church which is being held at Gratis, Ohio.

Heidelberg staged a comeback in the second quarter that was remarkable. In just nine plays the Tiffin men took the pigskin from the twenty yard line and crossed the goal line for their touchdown. The Heidelberg backs ripped open the hitherto impregnable Ashland line for long gains of from five to ten yards.

The line plunging of the Ashland team was steady and regular but Ashland excelled most in the aerial department. Ashland attempted fourteen passes of which seven were complete, six grounded and one intercepted. Heidelberg threw ten, completed two and had none intercepted.

The Ashland offense was stronger than the Heidelberg machine's. Ashland registered fifteen first downs to their opponents' six.

LeGalley, Wertz and Rininger were the Stars on the Heidelberg team, and Wharton, McClintock, Curry and Fox were the outstanding men on the favored aggregation.

THE GAME PLAY BY PLAY

Norris kicked off to Wertz on the twenty yard line and Wertz returned fifteen yards. Ashland was penalized five on the first play for off sides. Forritter failed to gain through left tackle and Wertz made two through right. DeWitt made four at center and on the next play Kingsmore punted out of bounds on the fifty yard line.

Fox fumbled the ball on the first play and Howald of Heidelberg recovered. Heidelberg fumbled on the second play and Schmuck recovered on Ashland's forty-eight yard line. Curry ran right end and raced twenty yards before he was downed. Fox made three at center and added one around left end. Ashland tried two passes but both were grounded and Heidelberg got the ball on their own twenty-four yard line. Heidelberg tried three plunges that fell four yards short of the distance and punted on the fourth down to the middle of the field. Fox made three yards at center and Wharton made the same distance off left tackle. Curry jabbed right guard for three and on the next play made first down off left tackle. Wharton raced around right end for fourteen and Weber added three around left. Here Ashland suffered an offside penalty which Wharton made up for when he broke through the Heidelberg line for twelve yards and put the ball on the Tiffinites twenty-four yard line. Fox made first down on three smashes at the line and McClintock ran

FOOTBALL SCHEDULE, 1922

Sept. 30—Ashland 0—Wooster 7.
Oct. 7—Ashland 0—Mt. Union 0
Oct. 14—Ashland 14—Kent 0.
Oct. 20—Heidelberg 6; Ashland 13
Oct. 28—Ashland at Hiram.
Nov. 4—Findlay at Ashland.
Nov. 11—Armistice Day Game—
Defiance at Ashland.
Nov. 18—Open.

note and took the pin to the seven yard line. Here Scherek broke through again and broke up a concealed play and Ashland lost the ball when a pass was grounded behind the line.

Heidelberg took the ball on their own twenty yard line and began an eighty yard march to the Ashland goal line. DeWitt made five through left guard and added eight off left tackle. LeGalley hit center with no gain. Howald hit right tackle for seven and on the next play went through left tackle and eluded all the Ashland defenders except Curry who stopped him with a twenty yard loss. Howald tried right tackle but McClintock broke through and stopped him before he crossed the line. LeGalley stopped through the right side for twenty-seven yards until Curry stopped him on the thirteen yard line. LeGalley made three yards in two plays and Heidelberg crossed the line when LeGalley passed to Briner. Heidelberg made this march of eighty yards in nine plays. An average of almost ten yards gain to each play. LeGalley kicked but O'Neal broke through and blocked the attempt.

In the remaining time Ashland kicked to Heidelberg and the Tiffin men began another march that took them to the forty-six yard line when the half ended.

THIRD QUARTER.

Norris kicked to Forritter on the fifteen yard line and he came back twenty-two yards to the thirty-seven yard line. Heidelberg gained nothing on three plays and Kingsmore punted nineteen yards to Ashland's forty-three yard line. Heidelberg was penalized for offside. Fox made two through right guard and Ashland was penalized fifteen yards for holding. An Ashland pass failed and Ashland lost eight on a fumble. Weber punted forty-three yards the ball rolling behind Heidelberg's line. Howald from the twenty yard line made three through center and LeGalley sneaked through the same hole for eight. Forritter made one at right guard and Howald made three at left guard. DeWitt hit center for ten. Howald tried the same place and stopped without gain. Heidelberg tried a pass that was grounded and Ashland held for downs and got the ball in the middle of the field. Wharton swept around right end for a gain of twenty-five yards. Curry made three through left guard and Wharton off right tackle carried the ball thirteen yards to the eight yard line. Here Rininger got through twice and caught Ashland runners for short losses and Scherek got through once. Curry tried a pass but was caught on the twenty yard line on the fourth down. Heidelberg punted and after two plays Ashland exchanged punts. Quarter ended with Heidelberg in possession of the ball on their own twenty yard line. Score—Ashland, 6; Heidelberg, 6.

FOURTH QUARTER.

LeGalley passed to the ground in the last quarter and DeWitt gained a yard at center. Kingsmore punted to Weber who returned three yards. Fox hit center for
