Mobile, Ala.

Dear Madam:-

Your County tax receipt #3958 for \$23.60 and Town tax receipt #291 for \$11.00 received several weeks ago but as you failed to submit a 1930 tax return list I had to procure a duplicate of same, hence the delay.

According to the 1930 tax return list I note that you were penalized by the Tax Assessor to the amount of 10 per cent of your assessment which is \$1.00., the tax on which is \$2.10. on your County tax bill and \$1.00. on Town tax bill. You were also charged 50 cents penalty by the County assessor. These penalties are not allowed by the Colony so I am obliged to deduct them, a total of \$3.60.

I am receipting you for the balance.

Yours truly

Gentlemen:

Herewith check for \$10.51 which, as I understand it,
covers rent of my property on Magnolia Ave. up to June 30, 1931.

Your notice calls for \$97.73

Am enclosing receipts for:

State and county taxes	\$59.22	
Town of Fairhope taxes	<u>28.00</u>	<u>87.22</u>
		\$10.51

It seems to me that the state and county tax on this property
is pretty heavy, but it seems to me also, so long as the taxes are
less than the rental, it does not cut any figure with me.

Comment - People down there do not seem to be very accurate.
Here are three bills in which none of them have the names correct as
they should be. The correct names are Chester C. and Lena J. Broomell.
One bill reads Chester C. and Lena M., one Chester C. and Lena E.,
and one C. L. and L. J. Neither does this make any difference to me,
but I dislike these little discrepancies.

Yours truly,

C. C. Broomell

ENC.

Further comment. Referring to bill for town taxes of the Town of
Fairhope, I see I was charged \$1.04 interest on this bill. Now if
a bill had been sent to me promptly there would have been no such
charge. I always pay all bills immediately, and here I am charged
\$1.04 interest unjustly, no bill having been rendered to me prior to
the time the interest had accrued. Why can not things be done down
there as they are in other municipalities? *(no answer to this question
is expected)*

Dear Sir:-

Yours of recent date at hand and in reply will say that the rules of the corporation require that the assessors tax return list accompany tax receipts. You not having submitted one I was obliged to write to the tax assessor at Bay Minette a duplicate.

I find upon receipt of the copy that on October 15, 1929 that "Ellyn B Beatty, agent" assessed the property at \$1350.00. for 1930 and there was an assessment made at \$1200.00 for 1928 as "back taxes" and that the assessor had added \$120.00. on 1928 as "back tax penalty" which I will be obliged to deduct, amounting to \$2.52.

I am therefore allowing you on your State and County tax receipt \$56.70. and your town tax as listed in your letter \$28.00., totaling \$84.70. leaving a balance of \$2.52 as per my bill submitted as of January 1st.

Yours truly

BALDWIN COUNTY HEALTH DEPARTMENT

BAY MINETTE, ALA.

-3-

On 18th, day of June, by request of Commissioner McPhaul, the Health Nurse, and myself visited Fannie Williams and Lula Williams indigents who lived about twelve miles from Loxley, across the River Styx. We recommend that they be brought to the house four miles south of Bay Minette, recently acquired by the county, that they might be better cared for.

Mrs. Taylor, Health Nurse, and myself have since made several visits to them at the Alms House above referred to, pending permanant arrangments for treatment of such inmates.

I will take occasion to say here, that as there seems to be, in the minds of some, an idea that the Health Unit is required by Law to treat, clinnically, certain classes of persons; viz., indigent persons, and those confined in county institutions, I will give you here a few sections from the Law, and the Manual Regulating Health Work.

Record regarding to efforts to amend the constitution relative to amendments.

Nov. 19, 1923. Petition reported filed to add in section 7, of Art. & after the word "member" the word "voting," so as to require only three-fourths of those voting to amend.

When submitted at annual election in Feb. 1924 the report of trustees as to result was as follows:

Entitled to vote - - - - -	129
Necessary to carry - - - - -	97
For amendment - - - - -	50
Against amendment - - - - -	5.

Annual Roll Call Amendment, petition filed June 1, 1925.

Add as section 6, of Art. e, relating to membership, as Follows:

The secretary shall each year make a revision of the list of non-resident members, writing on or before the 15th of January, by registered mail to the given address of each non-resident member, who has not been heard from officially since the beginning of the preceding year, requesting a verification of his address; and any members from whom no reply is received before Dec. 31st of such year shall be dropped from the list; provided that any member who has been so dropped shall be reinstated, upon his application therefor, reported by the Secretary to the Executive Council.

This was voted at annual election Feb. 4, 1926 and result reported by trustees as follows:

Eligible to vote - - - - -	132
Votes cast - - - - -	103
Necessary to carry - - - - -	99
For, - - - - -	91
Against - - - - -	12
Thrown out, - - - - -	7

This was a compromise amendment, agreed to by all interested in liberalizing the matter of amending. The petition requested that notices of proposed amendment be sent out by June 15 1925; that ballots be sent Sept. 15 with request for their return by Nov. 1, 1925 and that trustees notify secretary monthly thereafter of members whose ballots were received that those who had not voted might be urged to do so.

It appears that the 29 not enough interested to vote, with addition of 5 of the seven who spoiled their votes by some slip would have compassed the defeat of the amendment if every other member had voted affirmatively.

Dear Sir:-

Your letter received and contents noted and in reply will say that I found your tax receipt with Mr Gaston and you will find my receipt for same as I have applied it to your rent. I received your town tax receipt on January 5th and must have sent you a receipt for same as I find the duplicate in my receipt book. However this letter will be your receipt if you cannot find the other.

I am enclosing you a bill for what you still owe on the second half of 1930. You will still owe for the first of 1931 which will become delinquent and upon which a penalty will run after April first. In other words you owed on January 1st \$35.37 plus a penalty of \$1.06 making a total of \$36.43 upon which you have paid to date \$21.70. leaving a balance of \$14.73. to January 1st 1931.

You will have to write to Mr Gaston in regard to the matter of a refund of ten per cent.

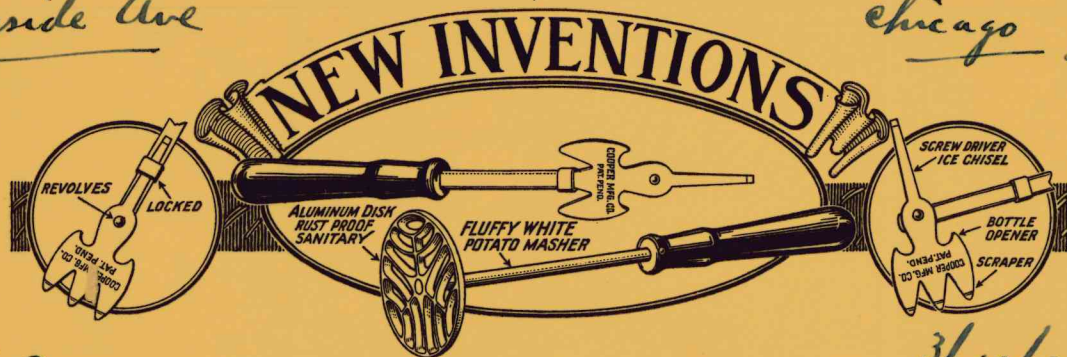

Yours truly

Sorry you did not have our correct address. I was under the impression I had notified Mr Gaston - Miss Lowell & the Bank -

I have your letter of Mch 4th. Note contents. I am enclosing what I think you mean by the assessors tax return list.

As for my Receipt for the \$7⁰⁰ paid you by check 12/16/30. on the Bank of Fairhope - all I have is my cancelled check. have not received your Receipt for same

also I have no receipt from Jennie M. Smith Tax Collector for \$14⁷⁰ sent to Bay Minette Oct 30/1930. for taxes. I requested this receipt to be mailed to Mr Gaston by his request. he probably has the receipt. I have the cancelled ^{check} before me -

How about the 10% reduction charge Mr Gaston said I was entitled to for over valuation? please ask him regarding this tollage.

Now I can't quite figure out. how much I am to send you - Bal due, you say is \$29.43. One paid \$ this \$7⁰⁰ also \$14⁷⁰ that makes \$21.70. is this \$21.70. to be deducted from the \$29.43.? If so I owe you only \$8.73⁴ is this correct? will I send my cancelled check to you - as I have no receipts -

Very Truly Yours A. Cooper

Dear Mr Connolly!

I just got your Letter
from Mrs Doughty. There
was no excuse for all
this trouble as I wrote
Mr Gaston last Dec. that
I could at all times be
found through Mrs Shields
and as they take the Courier
they certainly had the add.
Now about my Tax being
advertised is ridiculous
before I left I paid to you
I think 9600. doll for the
year ending 1930. There
was a Balance due for

which I paid in full at

Colony Rent for 1931.

So I owe you Colony Rent
for one year - which is
simply impossible for
me to pay before
1st Oct. I have at all times
paid my State & C. Tax
in Bay Whimmette never
at any time left it to
the Colony to do so if
you will give me
Credit for work I owe
me and I believe will
come out right. However
I have asked Mr. Barton
for a Stanzied Statement
but never had a answer
to my letter.

I wish you would send

FAIRHOPE SINGLE TAX CORPORATION

Fairhope, Ala., _____ 193 _____

Dear Lessee:-

A committee of this Corporation, having examined your assessment of improvements and personal property on land leased of the Corporation, is of opinion that the same is above a "fair valuation, on the basis required by law" towit: 60 per cent of its salable value and that the same should be reduced at the assessment to be made for the year _____

If you desire to confer with the committee arrangements will be made for such a conference, if you will notify the secretary. Failure to comply with this suggestion may compel the Corporation to enforce the concluding provision of clause 3 of your lease.

Very truly yours,

FAIRHOPE SINGLE TAX CORPORATION

Administering

Fairhope Single Tax Colony

Fairhope, Alabama, _____ 193 _____

Dear Lessee:-

The Tax Assessor has announced his rounds for assessing property for taxation for the year 1931, which will bring him to Fairhope, October 15th and 16th and again on October 28th.

Under the law it is the duty of every taxpayer to appear before the Assessor and return his property for taxation; but if not in the county he may appoint some one as his agent to do so for him.

Your attention is called to clause three of your lease, reproduced herewith; especially to the last sentence.

(3) In consideration of the payment of the rents herein provided for, the Fairhope Single Tax Corporation agrees with the said lessee to pay all taxes levied by county and state upon the land herein described and on receipt of the County Treasurer's receipt for taxes paid by him upon the improvements and other personal property held upon such lands—moneys and credits excepted—to give him a certificate of equivalent amount, receivable from bearer at its face value on rent, or in the discharge of any indebtedness to the Corporation. Provided that said lessee will appoint whomsoever may be designated by the Corporation as his agent to return his property for taxation, where permitted by law so to do; and that in no event shall the Corporation be bound to pay taxes on any more than the fair valuation of the property, on the basis require by law.

If you will not be able to appear before the Assessor at one of his appointments, please so advise this Corporation, with the necessary information regarding your property, preferably copy of last assessment, and return will be made for you.

The interests of this Corporation and its lessees are so interwoven in this matter of assessments, the revenue of the Corporation being almost entirely derived from rentals and the greatest portion of that revenue being paid out in taxes, which mutual interest dictates that assessments shall not be in excess of what is required by law, so large a portion of taxes paid going out of the community to the County and State and so little of this finding its way back, that we deem some suggestions to you pertinent at the present time.

This corporation does not desire to avoid the payment of its fair and just proportion of taxes, but certainly does not desire to pay more.

Your attention is called to the fact, overlooked frequently, that the law only asks for assessments at 60 per cent of the real value of the property. \$600 on \$1,000, \$1200 on \$2,000, \$1500 on \$2,500, etc. And the assessor when he asks you the value of your property expects you to give him the 60 per cent which the law asks, **not the full value** from which he will take 60 per cent.

Further, in case of Colony leaseholds, you must never include **anything for the land**, as that is assessed by the Corporation as title-holder.

Also, many people, it is believed fail to make allowance for depreciation. A house 10 or 20 years old, especially if paint is in good condition, may look to casual observers as "good as new" but all of it has undergone deterioration, even if not visible. The foundation is likely impaired by decay, the roof is approaching need of replacement; it may have become unsuited to the locality or out of date as to architecture, in which case no one would be willing to pay for it anything like what it might have cost. Then money spent on repairs to a building should not be considered as adding to its value but simply as maintenance.

And furniture and fixtures, as soon as purchased and placed in a house or store, become second-hand and have money value only on that basis.

The law allows an exemption of \$150 to residents on household and kitchen furniture, hogs, sheep, cows, and calves, sewing machines, and \$100 each on farm and mechanical tools and poultry, deducted from full 100% value.

All these things and more should be taken into account in fixing assessable value and you are expected to give yourself the "benefit of any doubt." If you do not Fairhope assessments will be much above those of other places.

This was found to be the case this summer, when a move, resulting from activities of some local people, for an increase in the Colony's land assessment, caused an investigation which disclosed that Fairhope's total assessment of land, improvements and personal property—properly eliminating railroad and light and water plants—was more than 30 per cent greater than Bay Minette's and that the Colony alone, on its less than 40 per cent of Fairhope's area was paying on a higher assessment of land and improvements than the whole town of Bay Minette.

We hope that these considerations will move you to protect the Corporation and yourself, and fellow-lessees when returning your property for assessment, by not over-valuing it. If you fail to do so the Corporation will have to fall back on the protective provision in clause 3 of your lease.

Yours in mutual interest,

FAIRHOPE SINGLE TAX CORPORATION.

FAIRHOPE SINGLE TAX CORPORATION

Fairhope, Ala., _____ 193_____

Dear Lessee:

A committee of this Corporation having examined the assessment of improvements and personal property held by you on land leased by you, namely _____

_____ on _____ Block _____

Div. _____, for the year 193_____, is of the opinion that the same is above a "fair valuation, on the basis required by law" to wit 60% of the actual value of the same, and receipts for such taxes should not be accepted at their face in credit on rent account, and the Treasurer has been so advised.

If you desire to confer with the committee, on this matter, arrangements will be made for such a conference, if you will notify the secretary, otherwise the committee will advise the treasurer the valuation it deems fair and proper, and tax receipts will be received by him only for such valuation.

The committee is advised that a number of lessees have made efforts to reduce their assessments, which they thought were too high but have failed.

The Corporation will be glad to cooperate with you in our mutual interest, in endeavoring to get the assessment complained of reduced for 193_____, by furnishing witnesses to testify as to its value, if you will take the initiative as owner of such property, in filing with the Board of Revenue, the notice required to bring the assessment before that body.

Otherwise, the Treasurer will be advised to adhere to the valuation fixed by the Corporation's committee.

Very truly yours,

Fairhope Single Tax Corporation

Dear sirs,

The Fairhope Public School has for some time been exceedingly cramped for playground space, and the situation recently has become more acute on account of the great increase in enrolment and the increase of state requirements in physical education. The high school has doubled in size in recent years. The present space available is only a fraction of state requirements for an accredited high school.

Two years ago the principal, Mr. Hiestand, asked your secretary as to the status of the land in the center of the block and adjoining the present playground. As Mrs. Powell had a lease on it and as a cow was being pastured on it at the time, nothing further was done in the matter.

We request that the local school be given first consideration in any change made in the lease, because this lot is the only available land that can be annexed to its playground space; and we hereby make request for the use of the land for playground purposes when it may be made available. We should like to handle the matter in the same way as the other land the school is now using in that block was handled. We should like to have the pupils have the immediate use of this land while negotiations are pending.

yours very truly,

Fairhope Board of School Trustees,

Wm. McIntosh

Dear Sir:-

Yours of the 22d inst in regard to my inquiry as to a safe, ~~errather~~ rather a filing cabinet was received and in reply will say that I may not have been very explicit in my former letter.

What I want is a second ^{hand} ^{used} or repossessed safe or cabinet that is fire resistant to store books and papers in, not to be burglar proof as I expect to leave it unlocked at all times. Neither do I care for any shelves or fixtures. I would like to get one with about the following inside measurements or somewhat larger:- 50 inches high, 20 inches wide and 20 inches deep. And please give me the approximate weight.

I do not go to Mobile very often so will you kindly give all the information, including price, in your next letter so that I can make the purchase when I go over, if I am offered just what I want.

Dear Mr. Gaston:-

Answering your letter of May 14th with reference to advances on values and to the assessment of Fairhope Coal and Supply Company, beg to advise that there has been no changes in any assessments by the Board of Review without the property owner having been registered a notice. Of course you know that all assessments against corporations are valued and taxes figured by the State Tax Commission. Mr. B. L. Boykin of Mobile is the agent of this county and I find from the record that he has figured the Fairhope Coal and Supply Company for 1928 on the basis of their capital stock plus their surplus as shown by their balance sheet. The Balance Sheet of the above company sets out their merchandise inventory and furniture fixtures and building altogether, and it is my opinion that Mr. Boykin arrived at the amount of the assessment by adding the capital stock and surplus and deducting therefrom 40%, which left the amount as shown on copy furnished them.

I am expecting Mr. Boykin to call on us within the next few days and will suggest to him that he show their tangible property separate from the assessment on their capital stock for 1929. If there is anything farther that you would like to know concerning the above assessment do not hesitate to call on me.

I am,

Yours very truly,

G. W. Robertson.
