Fairhope - Ala.

Dear Sir:

Find inclosed tax receipts for 1936 amounting to \$35.70, which please credit to our account on colony rent, on our property on Magnolia + Summit Sts.

Please let us know the balance due. We will apply the rent of the Magnolia St. house on the balance until caught up to date. Helen is

working in Fairhope and will
bring the rent money to your
office each month.

Hoping this plan will be
satisfactory,

I am, Yours truly
Mrs. A. H. Foster.

Fairhope Base Ball Association,
Fairhope, Ala.

Gentlemen:

April 1 1933 Mr. Bradford and Mr. Coeden, a committee representing The Fairhope Base Ball Ass'n came before the Fairhope Single Tax Corporation, and leased a plot of ground in Section 17, for use of the Ball Association, at an annual rental at that time of \$19.50. paying in advance one half years rent. \$9.75.

Since that time no rent has been paid. For the year 1934 and since that time the annual rent has been reduced to \$18.75

As far as the Single Tax Corporation knows there has been no arrangements for taking care of this. The Corporation leased the land at a very low price, and if the Association wants to continue to use this land the rent will have to be paid.

Arrangements can be made to pay this in payments of reasonable amounts.

We suggest that a committee from the Association see the secretary & treasurer and advise what can be done.

Yours very truly,

The Fairhope Single Tax Corporation

To Holders of All Town of Fairhope
Warrants and 12,000.00 Section Street Bonds.

The Town of Fairhope will redeem the outstanding obligations as listed above, at par plus accrued interest, on Monday May 18, 1936 at 3:30 o'clock P. M. in the Mayor's Office.

ALL WARRANTS are subject to retirement on the above date and interest will cease at this time.

SECTION STREET FILL BONDS are subject to call at interest periods and although this date is not an interest period, persons neglecting or refusing to accept this offer will cause the Town considerable expense due to interest accumulation on both Fill and Refunding Bonds.

The officials of the Town request that you cooperate in this move to save interest charges by promptly presenting your securities for payment on the above date.

The Town of Fairhope has kept faith with you by safeguarding your principal and paying your interest regularly and promptly during the depression. You can show your appreciation by helping us retire these obligations.

Any Municipal Building Bonds presented will be redeemed also.

Dear Mr. Gaston;-

The final papers from the Baldwin County
Bldg & Loan Ass'n, to hand today.

They request a statement from your Corp.
as to the amount of taxes and rent are due as of July 1st/36.

As I explained to you in a former letter,
I only wanted to borrow enough money to cover the principal
amounts owing when I took over the place last June.

I paid your Corp. more than half of the
amount due at that time, leaving a balance of exactly, \$110.
up to July 1st. 1936.

Please send this statement to the Baldwin
Co. B & L Ass'n at your earliest convenience.

Hoping this meets with your approval, I am,

Yours very truly,

Dear Mr. Wolcott:

I don't know when I have ever been as disappointed as I was by the news in your letter of Jan. 10, which I received yesterday. I know I said I would not be interested in the La Pierre house, and I know you mentioned that it might have to be moved. But, after I took a look at it, I fell in love with it and hoped I might get it.

The point is, I am fed up with never having any place of my own in

Fairhope, and I must have one somehow. I am interested in knowing more of the house on North School Street. Is North School Street the one on which the old Quarles place is? If not, where is it? Can you tell me how many rooms there are, how large they are, their condition, whether there are electricity and plumbing, size of lot, whether there are any trees, and what kind and how many, any shrubs, etc., etc. anything of interest. Please tell me the exact price and anything else I should know. If it's where I think it is, I'm not crazy over the location _____ but I'm open to conviction. I am so very anxious for a place in Fairhope.

I do appreciate your interest and help and I assure you I shall be grateful for any assistance you may be able to give me in locating something I can both like and afford. Before very long I shall be down again, if you can give me any tips in the meantime. Do let me hear from you regarding the place on North School St.

Sincerely,

Gay Harrison

P.S.

Again I am reduced to using mimeograph paper, as I am at school and neglected to bring any other. I trust to your indulgence.

Dear Mr. Woolcott,

After all I did not catch the 10:20 bus. My excitement over the two houses you mentioned overcame by need for getting the bus, and so I went Sunday afternoon with Mrs. Does to look at the old Littlefield place — which seems to me beyond repair or redemption — Mrs. Does persuaded me to go "just to see" the La Pierre house. Mr. Woolcott, I've got to have it! Please answer some questions for me about it, and, if it seems I can have it, I'll come to Fairhope very soon, get Dyson, and really go over it, into it, and around it.

I want to know:

1. Can it definitely be had for \$50.00?
2. Can it possibly stay on that lot? If not, why not? I want it there. Those magnolia trees, holly tree, wistaria vine, japonica bush — the whole thing — I must have it. Please see what you can do — if anything.
3. What will the rent be?
4. What have the taxes been?
5. Size of the lot?
6. If we can come to terms, and if I get Dyson to do the work, would you look in on him now and then? I wouldn't be able to be there except now and then, and I think everyone needs an eye

kept open — especially — 7.

7. Who handles fire insurance in Fairhope?

Do please answer me soon and tell me these things. And can you do something to keep the house on that lot? I never wanted anything any more than I want that house — there, on that lot. The location, trees and all — simply fit the house. And I've got to have them. Can you let me hear soon?

It was pleasant to see you again and I appreciate your agreeing to postpone the payment of the \$35 00 until Feb. 1. Don't forget the letter to Mr. Harris.

Remember me to Mrs. Woolcott, Mr. Gaston, any ~~and~~ others whom I may not have seen and who are my friends. And let me hear soon, please. If I can get it, I'll come down soon. I already have some friends who want it next winter. I can rent it next winter and live in it summers.

Sincerely yours,

Grey Harrison

P.S.

Please forgive this paper. I'm in school and this is all I have here.

Mr. E. C. Wolcott,
Treasurer,
Fairhope Single Tax Corporation,
Fairhope, Alabama

Dear Mr. Wolcott:-

This will thank you for your courteous letter of February 17, explaining the taxing system of the Fairhope Single Tax Corporation.

Upon receipt of this information, we have set up our records to show each borrower having property under a lease contract with your Corporation, as charged with a State and County tax, a Town tax and a ground rent tax. It is our understanding that should we receive a receipt for the full amount of ground rent of any year, it will indicate that the State-County and City taxes would be paid by your Corporation. Further, should a borrower send us State-County and Town tax receipts, it would be necessary for us to also secure a ground rent receipt before the borrower's property was cleared of tax liens for that year.

If this understanding is, in any way, incorrect, it would be appreciated if you would advise me accordingly.

In order for us to have a check on borrowers living in Fairhope, I am attaching hereto a list of such borrowers who according to our records would have State-County, Town, and ground rent tax. It would be greatly appreciated if you would check through this list and advise us if taxes and ground rents of these borrowers have been paid for the years 1934 and 1935.

For your convenience in replying, I am enclosing a self-addressed envelope and again assure you of my thanks for your courtesy in this matter.

Yours very truly,

Dear Sirs:

Sorry your letter of March 6 has remained unanswered so long. I have had a seige with intestinal flu therefore unable to take care of it.

Referring to: "It is our understanding that should we receive a receipt for the full amount of ground rent of any year, it will indicate that the State-County and City taxes would be paid by your Corporation." This would be true in some cases but not all. The only safe way for you to do is to require State-County, Town and Land rent redeipts. One reason for this is that our Corporation does not receive Town tax receipts in lieu of rent in cases where the taxes amount to more than the rent for any given year. The corporation however, does receive such part of Town Tax as will make the amount of the rent including the State-County tax equal the land rent for a given year. In other words there is no refund given lessees on town tax.

I have given you the status of rent payments of the eleven names in your list who have leases on Fairhope Single Tax Corporation land. The other sixteen are not lessees of Fairhope Single Tax Corporation land.

If there is anything further we can say to help you keep your record of our lessees, please inquire.

Yours very truly,

Dear Mr. Wolcott:

Your favor of recent date advised that the property under the above captioned loan had the 1935 Ground Rent tax thereon paid in full. In our desire to place this loan on a current tax basis we contacted the State, County and City Tax Collectors who have this day advised us that the 1935 State, County and City taxes on this property have not been paid.

It is obvious that we cannot expect Mr. West to forward us these receipts to clear our records, and find it necessary to ask that in all such cases your Corporation forward this office the tax receipts on properties which have had the Ground Rent thereon paid in full prior to the payment of the State, County and City taxes. We would also appreciate your advice as to the approximate date on which these taxes are to be paid by your Corporation. We make this inquiry due to the fact that the State and County Tax Collector advised us that unpaid 1935 taxes would be sold in June this year. Any information pertinent to the date set for the payment of the State, County and City taxes by your Corporation will be highly appreciated.

Thanking you in advance for the courtesy of a prompt reply, and enclosing for your convenience a self addressed envelop, we wish to remain

Gentlemen:

Replying to yours of April 18th Re: Aaron L. and Josephine West State-County & Town taxes, beg to advise that I found the paid receipts for these in our files. I then went to the Town clerk (Tax Collector) to ascertain what was wrong. She (the Clerk) told me the West you inquired about was Laura Allen West of Central Park.

I think where your trouble is you have got the discription of the land of Aaron L. and Josephine West & Laura Allen West interchanged.

Laura Allen West owns (socalled) deeded land while Aaron L. and Josephine West lease land from our Corporation. the discription of which is: Begining 409 feet North of the corner of Morphy ave. & Scheel street thense 400 ft., more or less, North 75 ft. I am at a loss to understand fully the cost of
the rental on that half of the lot. You must
intend \$11.40 as the total for the year for the half

In reply to yours of the 12th I am glad you wrote again for when I checked over my figuring on the rent on that half lot, (1 $\frac{1}{2}$ lot 4) found I had made an error of 63¢. The annual rent is \$12.03 instead of \$11.40.

The amount that should accompany your application is \$6.02.
The length of this half lot is the same 3.

Kind friend:

Enclosed is a money order for 27.65 + Check for ~~\$5.00~~ + tax receipt \$2.10 = \$34.75 total. Please place this total to my credit for rent, on lots 1-2-3 Bl. 17 Div. 2, up to and including 1935. This will leave a balance of \$16.55 which covers county, state and town taxes which Mr. John E. Joyner, Jr. holds statements for and has agreed to pay same at once or as soon as possible (John, Jr. is the eldest of the Joyner boys and the one the mother depends on and backs up), which will cover balance due up-to-date. If I have figured wrong and there is a few cents difference I will make everything satisfactory. Please send me a receipt for same.

I wish to thank you and the Colony as well for all kindness shown me. I also wish you would

let me know what the rental is on
the east half of the lot running
parallel with my place and facing
Nichols Ave. Send me an application
blank for if it is satisfactory to me
I would like to put in an appli-

I still expect to retain my home
