Re: 1944 Tax Bills
2nd half of Ground Rent

Dear Sir:

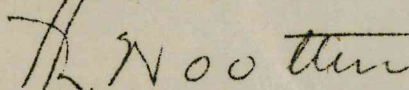

As you know, many of our borrowers have arranged for this corporation to pay the taxes on their properties under mortgage to us. To pay such taxes, it is necessary that we have tax bills, and we ask your cooperation in supplying the bills promptly.

For this purpose, we are today forwarding 5 tax forms, which contain the names of our borrowers and descriptions of the properties for which we wish tax bills. Please do not include taxes on real estate other than described.

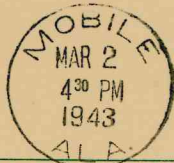

We will thank you to furnish us with bills for taxes on each of these properties showing the valuation, amount of tax, and discount, if any is allowed, so that we can make payment at an early date. To assist us in identifying the bills, please gem clip each bill to the proper form.

Your cooperation in this connection will be greatly appreciated.

Very truly yours,

Dear Mr. Walcott,

Some months ago I wrote to my nephew - Fred Ingersoll, asking him to attend to these Taxes for me - as they owe me some money, and thus save sending the money here and back to Fairhope - which they said they would do. Fred is a busy man and this has probably slipped his mind so I am writing him again about this matter.

When in Fairhope two years ago last spring I asked you folks to kindly see to the other taxes for me - which you did and while this may be unusual for you to do, it was an accommodation very much appreciated and if it is not convenient for you to continue this procedure I will ask Mrs Sarah Ingersoll to see to the City taxes for me but as she is not always there it would be very convenient for me if you folks could see to that without too much trouble to yourselves. I will get these taxes attended to soon I hope.

Thanks for the notice
Sincerely
Mrs Mary Lehner.

Mr. C. E. Wolcott,
Fairhope, Alabam.,

Dear Sir, Treasurer, & Friend, (I hope! I hope!)

Your welcome letter received even though it did contain the bitter with the sweet. For the "bitter" part, I am enclosing check for \$ 15.75 per enclosed statement, which kindly receipt and return.

This being a legal holiday, I thought I would combine business with pleasure and have a short one-sided chat with you. I am getting along fine. They still say I am looking "good" but few if any, ever are heard to remark that I am "good-looking". Truth crushed to earth will rise, -so "they" say, so I am living in hopes that I may find some one who could and would use the proper expression when they suggest how I look.

We are having a very cold and wet Spring; it is fine for my flower garden but not so good for the farmers around here. Am having from 15 to 20 different varieties of flowers in bloom all the time and expect to have till late in the Fall. Had from 8 to 10 hundred peony blooms and were they a sight, -till the rose bugs came along and nearly spoiled them.

Suppose your Summer influx of tourists from across the Bay ~~is~~ there in full numbers and are keeping your police force busy. Have heard little from Fairhope as I left my paper for Mr. Burgess.

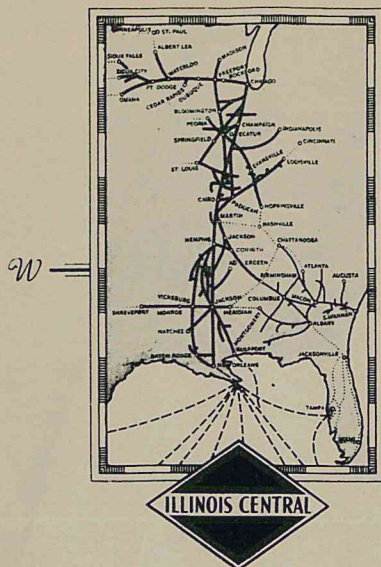

There, guess I have about concluded my one-sided chat. Give my regards to the Doctor and my BEST regards to that good wife of yours who so efficiently aided in making my last term of office so unusually successful.

Yours,

S. L. Houghton
