July 31, 1954.

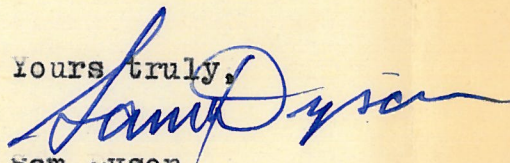

Fairhope Single Tax Corporation
Fairhope, Alabama.

Gentlemen,

After a recent inspection of the work done by
C. B. Cummins on the Culvert back of the Country Club Bldg.
I authorized Mr. Cummins to bill us for an extra of \$70.00
for increasing the thickness of the base slab and for
increasing the depth of wing wall footings.

This will of course be subject to approval by the
Council.

Yours truly,

Sam Lyson

Fairhope Ala.

June 3-1954

Fairhope Single Tax corp.

I will build Culvert as Requested
For The Sum of \$2705.76

This Bid is Based on a 500 yrd
fill if Under 500 yds. \$1.50 per
Per yd. for Helling and tamping
if fill exceeds 500 yds \$1.50 Per
yd additional To be added or
Charged, all fill To come
from Foster Pitt except
8 in of Top road fill To come
off of corporation lots in
Sub. Div.

If required from any other
source and additional expense
will be added,

Yours Respectful

Charles B. Cummine

June 4, 1954.

Mr. C. B. Cummins
Contractor
Fairhope, Alabama.

Dear Sir,

Your bid for construction of a culvert and catch basins and other items on Johnson Street was accepted at our meeting on June 3, 1954.

It was decided to award you the culvert and other concrete and brick work without the fill dirt.

On this basis the amount will be	\$2,705.76
Less 500 Yds of fill @ 1.50	<u>750.00</u>

Net amount of contract awarded \$1,955.76

Yours truly,

To: Persons and Corporations that have large holdings in Baldwin County, Alabama

and

To: Persons, Firms and Corporations that do big business in Baldwin County, or with the Citizens of Baldwin County, Alabama.

Gentlemen:

Last year, due to illness, I was unable to head the Crippled Childrens' Drive in Baldwin County, Alabama, but have been persuaded to take it over again this year. I know with your support we can make it a success.

Our County Quota is \$6,600.00 - \$3,300.00 of this is to be turned over to the State to match State and Federal funds to be used in treating the Crippled Children in Baldwin County and the other \$3,300.00 is to be used in helping to build a \$500,000.00 addition to the Mobile Infirmary for the treatment of the Crippled Children in 17 South Alabama Counties. The Rotary Club in Mobile is putting up \$300,000.00 - the 17 counties \$100,000.00, and, I believe that the Federal Government will probably put up the remaining \$100,000.00 - or a part of it. We are to double our quota for 2 more years.

All we raise over \$6,600.00 will remain in the County for transportation and for treatment of any urgent cases that cannot be treated by the State, County and Federal Fund.

I want to urge you to make your contribution as liberal as you can since our quota has been doubled. I know you are interested in the Crippled Children of Baldwin County, Alabama as we are.

Give as liberally as you can. Please let us hear real soon. We wish to close the Drive by Easter.

Yours for Service,

S. M. Sharp
S. M. Sharp, Chairman
Baldwin County Society for Crippled
Children and Adults

\$5000 last year
\$10000 contribution approved by
Executive Council Apr. 7, 1955.
Warrant #2327
L. A. Gustin, Sec.

Fairhope, Ala.
3-29-1955

Fairhope Single Tax Corp.
Fairhope, Ala.

Gentlemen:

This year the Fairhope quota for the Crippled Children has been increased ~~\$~~1200.00. This calls for nearly doubling our business contribution of last year, in order to reach this quota.

The reason for this increase is Fairhope and Baldwin County's share of the Crippled Children Hospital being built in Mobile. This is strickly a local contribution in which 95% of your donation is used in the immediate area.

Please be as liberal as you can when the solicitor calls on you with the Easter Seals.

Sincerely,

A.E. Schermer
Fairhope, Chairman

Chamber of Commerce

November 29, 1951

Fairhope Single Tax Office
Fairhope, Ala.

Dear Mr. Gaston:

The first of next week one of your good neighbors, a fellow member of your Chamber of Commerce, who has volunteered his time to canvas your neighborhood; will stop in to see you and pick up your 1952 Chamber Membership dues.

To insure against these fellows having to spend any more time away from their business than is absolutely necessary we are asking that you make out your check now; payable to the Fairhope Chamber of Commerce. This will prevent them from having to back track in the event you are out of your office when they call.

Your cooperation will certainly be appreciated by all of the members of the Membership Committee.

Cordially yours,

Dick Macon, Chairman
Membership Committee

Mr. Henry Bishop
Fairhope, Ala.

Dear Sir,

As to your request to checking cause of fuse blowing in swich at Commings Hall I had to make a very thorough check to find cause of the trouble.

I found very dangerous and defective wiring thourghout the entire building. Dangerous both to lives and property. I find open sockets, necked wires, and lose ended wires in varous places of the building.

I would recommend a complet rewiring of this building for the safty of all concerned.

Yours truly

L. D. Littleton

MEMBER

ALABAMA STATE CHAMBER OF COMMERCE
UNITED STATES CHAMBER OF COMMERCE

February 9, 1948

Dear Fellow Townsman:

The Chamber of Commerce cordially invites you to participate in the chamber activities for 1948. Your membership and support is of very great importance. More than that, however, we need your presence and council at meetings, and between meetings your suggestions and comments will be welcomed. Now as never before, Fairhope needs an active Chamber of Commerce and we can have an active Chamber only when you, the business and professional men and women of Fairhope and the eastern shore attend the meetings and tell us what to do.

Too often in the past we have been content with, "let the officers do it", and then loudly yell that the officers had done something that wasn't wanted or had even done something wrong that was attempted by them. Remember, this is YOUR Chamber of Commerce. It does not belong to the officers.

A luncheon meeting will be held at the Fairhope Cafe at 12:30 noon, on Friday, February 13th. Following the luncheon we will have a business meeting at the Fairhope Theatre at 1:00 P.M. If you do not care to attend the luncheon then please make it a point to attend the business meeting at the theatre, as there are many things of interest to be discussed. Membership cards for show windows will be distributed to those that have paid their 1948 dues.

Fees for 1948 membership are now due, and it is our hope that you will promptly send your check for \$10.00. Just address it to the chamber and your receipt-membership card will be mailed to you without delay.

REMEMBER, this is YOUR Chamber of Commerce and with your support we will make it an active Chamber that will make YOUR town a better place to live.

Yours for Fairhope

Chamber of Commerce
March 9, 1953

Fairhope Single Tax Corporation
Fairhope, Ala.

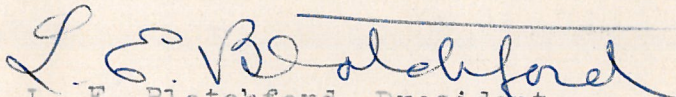

Dear Members of the Single Tax Corporation:

In order to carry out the work of the Chamber of Commerce the office was put on a full-time basis in August. We felt, at the time, that Fairhope should be able to maintain a full-time secretary if our neighboring towns in Foley and Bay Minette were able to. It was impossible to function on a half-day basis and accomplish the work.

In making up a budget, and the approximate membership dues necessary to meet expenses for the year, it was found that dues had to be advanced considerably. The amount of dues that the membership committee is asking from you is fifty dollars. If every member whose dues are advanced does not meet the suggested figure it will be impossible to continue through the year on the basis we plan. Last year our publicity alone cost over six hundred dollars. This included the printing of several thousand Fairhope folders, and the distribution of over a thousand of these folders in answer to requests. This is perhaps the most important service the Chamber renders as it continues to bring newcomers to our city.

Knowing your support of everything which makes for a finer and more progressive city, we are depending on the same wholehearted support which you have given the Chamber in the past.

Sincerely,

L. E. Blatchford, President

THANKSGIVING DAY, NOV. 24, 1949

DEAR FRIENDS:—

PLL STICK

The little Xmas seal says: "PLL STICK", to all the letters and packages, giving their message, not only of cheer for the Holidays, but the message we are trying to put over to all the people, "STICK" till the White Plague is conquered.

We, the volunteer workers, are going to "STICK" till our work is done. Everyone who buys seals, will be "STICKING" to the fight while they "STICK" the little seals on letters and packages.

Do you know 1003 Alabamians died last year, needlessly, because the State did not have the accommodations in Hospitals for them?

Some time in December, there will be an election for a Bond Issue for Hospital Construction. One fourth of this Bond Issue will be for Tuberculosis Hospitals and Beds. Be informed on this Bond Issue, and help us help you by voting for it.

We need your help and we are sure you will give it. Last year we gave .05 per person in the County, let us improve on this. Give all you can that we can aid the ill. Our help is not confined to any color or creed, so all colors and creeds help us.

We appreciate all you have done in the past, and look forward to a better year for all. The Seals are \$1.00 per sheet. Please take as many as you can, send cash or check to us in the inclosed envelope, THANKS.

Approved 12-15-49

CITY OF FAIRHOPE

Nº 994

Fairhope, Ala.,

Sept. 10 1956

RECEIVED OF

The Sum of

In Payment of

\$2,794.39

Fairhope Single Tax Corp.,

Twenty Seven Hundred Ninety Four + $\frac{3}{100}$ Dollars

Paying etc. Church St. as per Invoice Sept. 6, 1956.

Marie Moore City Clerk

September 5, 1956

City of Fairhope
Fairhope, Alabama.

Gentlemen:

Enclosed is final invoice of Joe Schneider & Son in the amount of \$8,004.21 for construction work on North and South Church Street. This work is complete with the exception of about 60 square yards asphalt pavement, "patching sidewalks, etc. at Magnolia Avenue" and I have approved the statement and recommend payment, assuming that this patch work will be done before final payment has been made.

Of the above amount, Fairhope Single Tax Corporation should pay items #6-11-13-14-15-16-18-20-21-22-23-24-25-27 and \$1303.20 of item #17 as shown on enclosed invoice, totaling \$4303.68. In addition to this amount, Fairhope Single Tax Corporation, should be 1256 feet at \$1.31 which equals \$1645.36, making a total of \$5949.04. Of this amount they paid to Joe Schneider on 6/10/56, \$3645.38, leaving a balance of \$2303.66 to be paid. All of the above, in reference to North Church Street only. 1303.20

Also enclosed is my bill for Engineering services in the amount of \$951.45, less credit of \$335.00 leaving a balance due of \$615.45.

The total job cost to the town then, was \$8004.21 plus \$951.45, which equal \$8955.66. Of this amount \$5949.04 to be paid by Fairhope Single Tax Corporation, \$805.65 to be paid by assessment at \$1.31 a foot against deeded property on North Church Street, \$1800.25 to be paid by assessment at \$1.25 foot as shown by schedule in my letter of April 21, concerning South Church Street, copy of which is attached. includes 90.00 due for 787C

Of the total cost, \$8955.66, you apparently will recover \$8554.94, leaving \$400.72 more to be paid out than there is to be recieved. From my last conversation concerning this, I presume that the Fairhope Single Tax Corporation will pay you this \$400.72.

Please let me know about this so that, if necessary, I can present a bill at their Council meeting Thursday, September 6th.

Encl.
Statement, Joe Schneider
Schedule 4/21/56
Statement

Very truly yours

Claude W. Arnold.

Gentlemen:

Attached is Cargile Construction Company final estimate on the Orange - Pinecrest streets paving.

This estimate appears to be in order with the following exceptions.

Item 1 - Excavation, 1750 cubic yards rather than 1950 cubic yards; \$962.50 rather than \$1072.50

Item 4 - 570 yds rather than 680 yds; \$1111.50 rather than \$1306.50.

Item 7 - Catch basins, 2 - each \$125.00 rather than 2 - each at \$150.00.

With these corrections the amount of the estimate is reduced to \$9477.78.

Except for the repairs to broken curb in front of Bruce Evans and suitable catch basin grating, the work is complete and at least the 90% substantial completion payment should be made.

Very truly yours,

Claude W. Arnold

May 5, 1958

City of Fairhope
Fairhope, Alabama

Gentlemen:

We enclose herewith our check for \$1,050.00 as an advance to your Water and Sewer Board and your Gas System to cover cost of extending their distribution lines North from Johnson St. on the West side of Young St. and West on the North side of Bellangee St. This advance payment is made with the understanding that the full amount will be refunded to us as houses on these streets are built and connected to the services, on the basis of a \$100.00 refund from each service connection until the full amount has been repaid. The amount of our check is based on an estimate furnished us by George C. Dyson.

We have, this month, leased eight lots on these streets, two to M. Dyson Building Company Inc., four to Cecil Pitman and two to Elof M. Tuveson. We anticipate that you will have requests from these for building permits in the near future and water service will be needed. Electric service will also be required but we understand electric line extensions will be made without any advance payment of cost.

Very truly yours,

Secretary

c/c Fairhope Water & Sewer Board
George C. Dyson
