ESTABLISHED 1895

FAIRHOPE, ALABAMA

Mr. Jesse M. Smith
Bay Minette, Ala.

Dear Sir:

Gordon Lowell has delivered to me a tax receipt for the 1936 assessment of Hazel Lowell.

Mr. Lowell informs me that he paid this bill on the day you were in Fairhope to conduct a sale of the property and he is informed that on the same day, while you were absent from your office an agent of the Home Owners' Loan Corp. paid the tax in Bay Minette.

It appears that the H.O.L.C. has now taken over the property and I would like to know what chance there is for Mr. Lowell to recover the amount paid by him amounting to \$26.46, receipt #7911, dated 6/18/37.

Very truly yours,

C. A. Gaston
Secretary

Dear Dr. Gaston:-
CAG/mg

According to the tax record there was only one payment on the property of Hazel Lowell for 1936 taxes and it was paid by receipt #7911 paid 6/18/37 as stated in your letter.

With kind personal regards.

FAIRHOPE, ALABAMA

October 2, 1939

DEAR LESSEE:—

The Tax Assessor, E. S. Tunstall and Tax Collector, M. H. Wilkins have published that they will be at Fairhope, October 16th, 17th and 26th to receive assessments of taxable property and payment of taxes due. The law states:

“It is the duty of every person liable for taxation to attend in person before the Assessor in the precinct of the taxpayer's residence, and then and there render to the Assessor, under oath, a full and complete list of all property of which he was owner or of which he was trustee or agent on the first day of October of the Year.”

When you go to the Assessor be sure to take your last year's assessment with you. Check it over to see if it is in proper order as to the items listed and the valuations. Valuations of taxable property should not be the full value, but 60 per cent thereof, as required by law. If the valuations on the items of taxable personal property returned by you last year, have decreased you should make a corresponding reduction on this year's return. If the improvement value is in excess of 60 per cent of the true value please report the same to me and I will be glad to assist in making a protest.

Should you desire any help in making your assessment this year or if there is any particular information you desire I shall be glad to be of any assistance I can. If you will be unable to attend in person to make your own assessment I will be pleased to act for you provided you supply me with the necessary information and your last assessment sheet.

Very truly yours,

Miss May Mathews:
Chicago Ill.

Dear Miss Mathews:

Your letter enclosing Tax Receipt for 1936
State & County taxes was received in due time, but I did not
get to answer it until now.

Glad you asked for the amount of rent on
each of your lots, for in making a check to ascertain this I
find a former treasurer made an error in figuring the annual
rent.

You are entitled to a refund of \$5.10 for
each year 1930- 1931- 1932- 1934-1935- 1936, and \$4.70 1933,
making total of \$35.30.

Your rent for 1937 is \$63.57 including 1937
paving assessment rent. when you send your receipt for your town
tax you will have credit for \$31.00. We will credit your account
with \$32.57, and send you check for \$2.73. Then when you send
us your 1936 Town tax receipt(\$10.00) your rent will be paid in
full for 1937.

The annual rent on your corner lot where the
house is located is \$35.14. The annual rent for the other is
\$28.43.

Yours very truly.

NOTICE TO TAX DELINQUENTS

Sylvia Logston - Now Ted Wilmer

At the regular Council meeting of the Town of Fairhope, June 13th, 1938, the following resolution was unanimously adopted to facilitate tax collections:

"Whereas the Mayor and Town Clerk, having used every reasonable effort and means to collect taxes,
BE IT RESOLVED, that the Mayor be and is authorized and directed to forthwith collect all delinquent taxes.
BE IT FURTHER RESOLVED that wherever necessary to collect such delinquent taxes the mayor be and is authorized and directed to issue and cause to be executed writs of execution and sale of delinquent tax properties and institute and cause to be instituted suits at law and in equity necessary to enforce collection of delinquent taxes."

NOTE: It is very necessary that steps be taken at once to enforce collections on all property listed as delinquent. Cost of such action will be necessarily charged to the property owner involved without exception.

Avoid this by attending to this important matter at once, at the Town Office where tax records are available, and you can be assured that your tax problems will receive courteous attention.

Respectfully,

Town of Fairhope,

Howard Ruge, Mayor.

Dear Mr. Popogee:

After having sent you our receipt #4016 showing the account of Malbis Plantation, Inc., paid in full for 1937, I regret very much being compelled to take the matter up again.

The above mention statement was in error in that it gave the rent for the second half of 1937 as \$72.14 where it should have been \$74.19. The balance due, \$78.63, as shown on the statement was correct.

I did not catch the error until posted the amount of the credit in our ledger.

Enclosed please find Cashier's Check for \$27.53 being payment on Mr. Carl T. Olson's leasehold, for second half of the 1938 rent. Also enclosed notice from Mr. Gaston, and the notice received from you. As a rule we have been paying the second half of the rental in Oct., in time for County tax, and you have always been kind enough to take care of it for us, and also paying Town tax, out of this amount sent in as second half rental.

Will you please be kind enough and do this for us again this year, as we do not know just when we can leave for Fairhope. We hope, however to get down this winter.

Dear Mr. Wolcott:

Thank you very much for the letter which I received today, with Rental receipt enclosed, also with information concerning the car license. Wish to state that I did not have any license for the car this year, (1937), I have not used it, as I have it so handy here with transportation, it is better and more convenient for me to use the Bus, wherever I go. If, I had the Illinois license for this year, I would not have had any driver's license, to send to you, as a driver's license is not required here.

Thanking you very much and surely hope that you will be able to get the license for me, am waiting for it, as intend to leave for Fairhope as soon as I get it.

Dear Mr. Wolcott:

Enclosed please find Cashier's Check for \$27.53 being 2nd half rental on Mr. Carl T. Olson's Leasehold. Would you please take care of the County and City Taxes out of same?

I am also taking the liberty of asking you if you would please get the coming year's license on my car for me, The last time, I was down South, 1935, obtained same myself, but now that I am not there, and intend to leave this car for use down there, I wish, you would please get the license for me. I saw in the Fairhope paper that Mr. Robertson, will be in Fairhope the 14th, to take care of such matters. I am enclosing herewith the receipt which I received last time, this gives the description of the car. Please ask them to send the plate to my Chicago address, as I intend to drive this car down. Now if the amount which I have enclosed is not sufficient to cover the cost, kindly let me know at the earliest possible moment, I shall also be glad to re-emburse you for your trouble in this matter.

Thanking you very much, I am
