REGULATIONS REGARDING COLLECTION OF BOX RENT

Collections shall be made on or before the beginning of a quarter for the entire quarter or in advance for the current fiscal year. Box patrons and agencies of the Federal Government are permitted to pay rental on post office boxes in advance for not more than one full fiscal year, July 1 to June 30, next, or for the quarters remaining in the fiscal year. *When a patron, including Government agencies, surrenders a box prior to the expiration of the period for which rental has been paid, no portion of the rental shall be refunded.* When a box is rented after the beginning of a quarter, rent must be collected pro rata for the remainder of the quarter, except that rental for the entire quarter should be collected from a box holder who pays for the right to continue the use of a box which he held during the previous quarter. If a box holder fails to renew his right to his box on or before the last day of the period for which rented, the box shall then be closed and offered for rent and the mail placed in the general delivery, unless deliverable by carrier.

with evidenced, that no part of the rents paid by him upon the land herein leased, shall be appropriated as dividends to its members or any other persons, but that all shall be administered as a trust fund for the equal benefit of those leasing its lands.

(5) And the said Corporation still further agrees, that in the distribution of the benefits which its purpose is to secure for residents upon its lands, no distinction shall be made between individuals, whether members of the corporation or not, but that with the exception of the right of members as participants in the government of the Corporation, all shall be treated with strict equality.

(6) It is agreed by the parties hereto, that time is of the essence of this contract. All rents not paid within ninety days of the time the same become due, shall be subject to interest at eight per cent per annum until paid; and the lessor shall have a prior lien on all improvements upon the land herein leased, to secure the payment of the rent and for the payment of all other indebtedness of any description whatsoever, by the lessee to the lessor. If the land leased be unimproved, or in the judgment of the Corporation the improvements thereon are not of sufficient value to secure the payment of the rent and cost of collecting same, then, in such event, all rights under this lease shall be subject to forfeiture without notice, after the rents shall have been due and unpaid for ninety days; and the improvements, if any, shall revert to the lessor. Upon failure to pay the rents, or any portion thereof, for six months after the same become due, the lessor is hereby authorized to sell at public sale the improvements on any leasehold, for satisfaction of the amount due, after first giving ten days' notice by one publication in some paper published at Fairhope, Alabama, the cost of such publication and the making of such sale to be paid with the rent out of the proceeds of such sale, and the remainder, if any, to be returned to the lessee or such other person as may be authorized to receive the same. The lessor, its agent or attorney, may conduct such sale; and the party so conducting the sale is authorized to make, in the name of the lessee, proper conveyance of the property so sold. The lessee hereby waives all right of exemption of any property as against the collection of any debt due under this contract. The sale of the improvements under legal process shall work a forfeiture of all rights under this lease.

(7) The Fairhope Single Tax Corporation agrees that in case of its dissolution, either by voluntary act of its members or otherwise, and the division of its assets among its members, the said lessee, if a member, shall be entitled to have the land herein described and leased—or so much of it as he may designate—included in his portion, at its actual value at the time, exclusive of improvements thereon, and if it exceed in value such portion, to purchase the excess at such valuation. If not a member, the lessee may at such time acquire title to the land herein leased by paying to the Corporation its actual value exclusive of improvements upon it.

(8) The Fairhope Single Tax Corporation believes its title to the land herein leased to be good, and will use every proper means in its power to maintain the same; but it is distinctly understood that the Corporation, acting only with the benevolent purpose to secure land and administer it for the benefit of those who may desire its use, shall not be held liable for any losses resulting from defects in its title.

(9) The right is reserved by the Fairhope Single Tax Corporation to resume possession of all or any portion of the land herein described, for public purposes only, on payment of the appraised value of the improvements thereon.

(10) Should it become necessary to determine the value of said land, or of the improvements thereon, in compliance with the provisions of clauses 3, 7, or 9, of this lease, the same shall be determined by three disinterested persons, to be selected as follows: the Corporation and the Lessee each choosing one of three persons named by the other and the third to be selected by the two. Should any Lessee fail to name his arbitrators within thirty days after written notice by registered mail to do so, the Corporation may name an arbitrator for him.

(11) This lease is assignable only to members of the Fairhope Single Tax Corporation, or to persons acceptable to it. The original lease must be returned to the Corporation with any proposed transfer endorsed thereon and, if approved, a new lease will be issued to the transferee.

(12) Surface rights only are hereby leased. All mineral rights are reserved by lessor.

(13) This lease may be terminated by the lessee after six months notice in writing to the Corporation and the payment of all rent due to the end of such six months period. A lessee having filed the required notice of desire to surrender, may dispose of any improvements thereon, (subject to the Corporation's lien for rent) but if not so disposed of, the land shall come to the Corporation, together with any improvements remaining thereon, without any claim of the surrendering lessee on account of such improvements, and the Corporation may decline to accept a partial surrender of a leasehold where the portion surrendered or retained, would not, in its opinion, be desirable to other lessees.

IN WITNESS WHEREOF, THE PARTIES HEREUNTO HAVE SET THEIR HANDS IN DUPLICATE,
