## *Editor's Message*

We hope that our 1961 annual will serve as a treasure chest of eventful and resourceful moments spent at our dear Alma Mater.

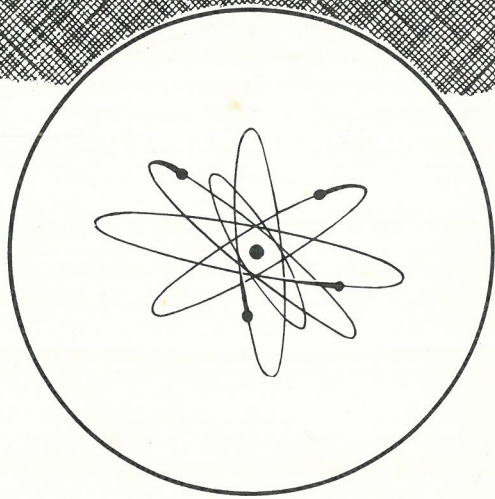

This edition of the "Wolverine" is here to remind us of past events which are so dear to us. As each page is turned memories of sustained moments will fill our hearts and enrich our lives. May we cherish these high school days.

I wish to express sincere appreciation to our faculty advisor, to the Wolverine staff and to all others whose assistance and inspiration aided us in the preparation of this volume.

## *The School and Its Community*

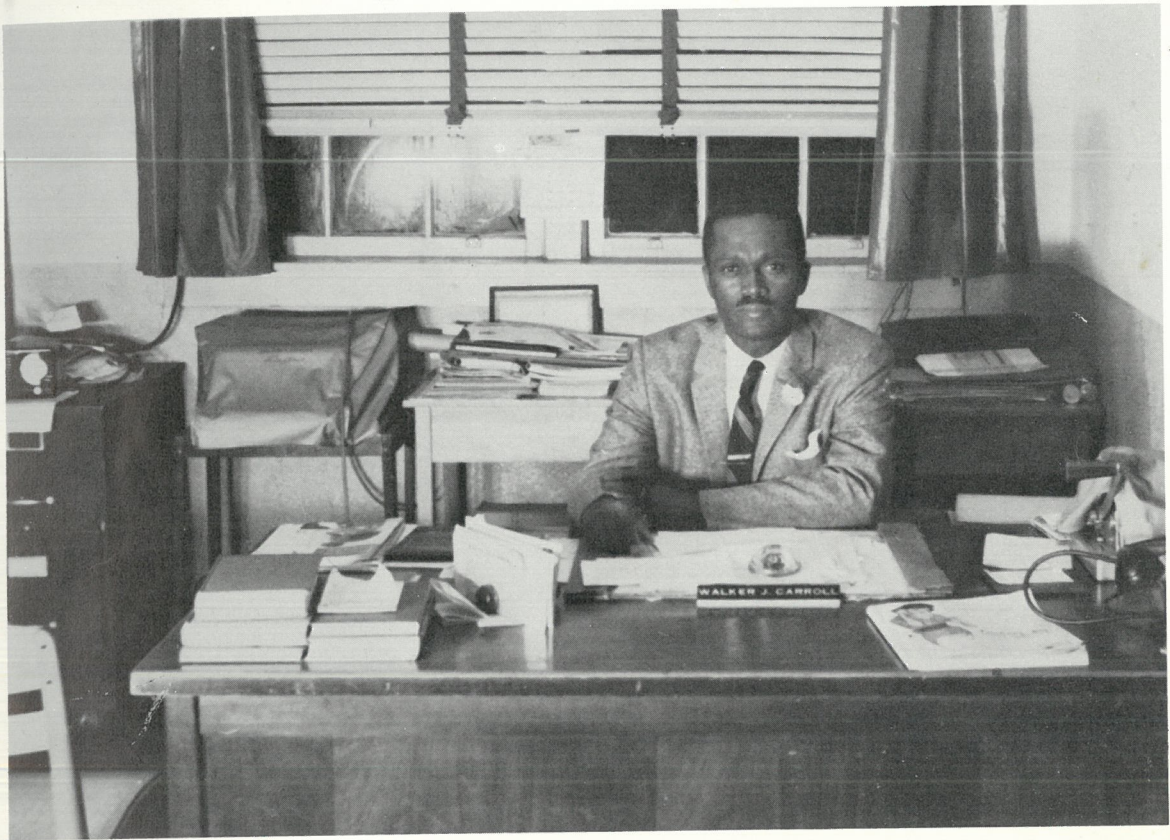

Baldwin County Training School is the only high school in South Baldwin County for negroes. The school's community includes Daphne and its adjoining communities of Belforest, Malbis, Spanish Fort, Montrose, Point Clear, Fairhope, Foley, Lillian, Summerdale, Battles Wharf, Steelwood, Loxley and Robertsdale. The school community has a radius of about 50 miles.

One of the purposes of the school is to train boys and girls in such a way as to cause them to develop into the most desirable citizens. From their varied school experiences, many pupils learn that their judgement must be suspected and the rights of others to opinions different from their own is to be respected.

## *Principal's Message*

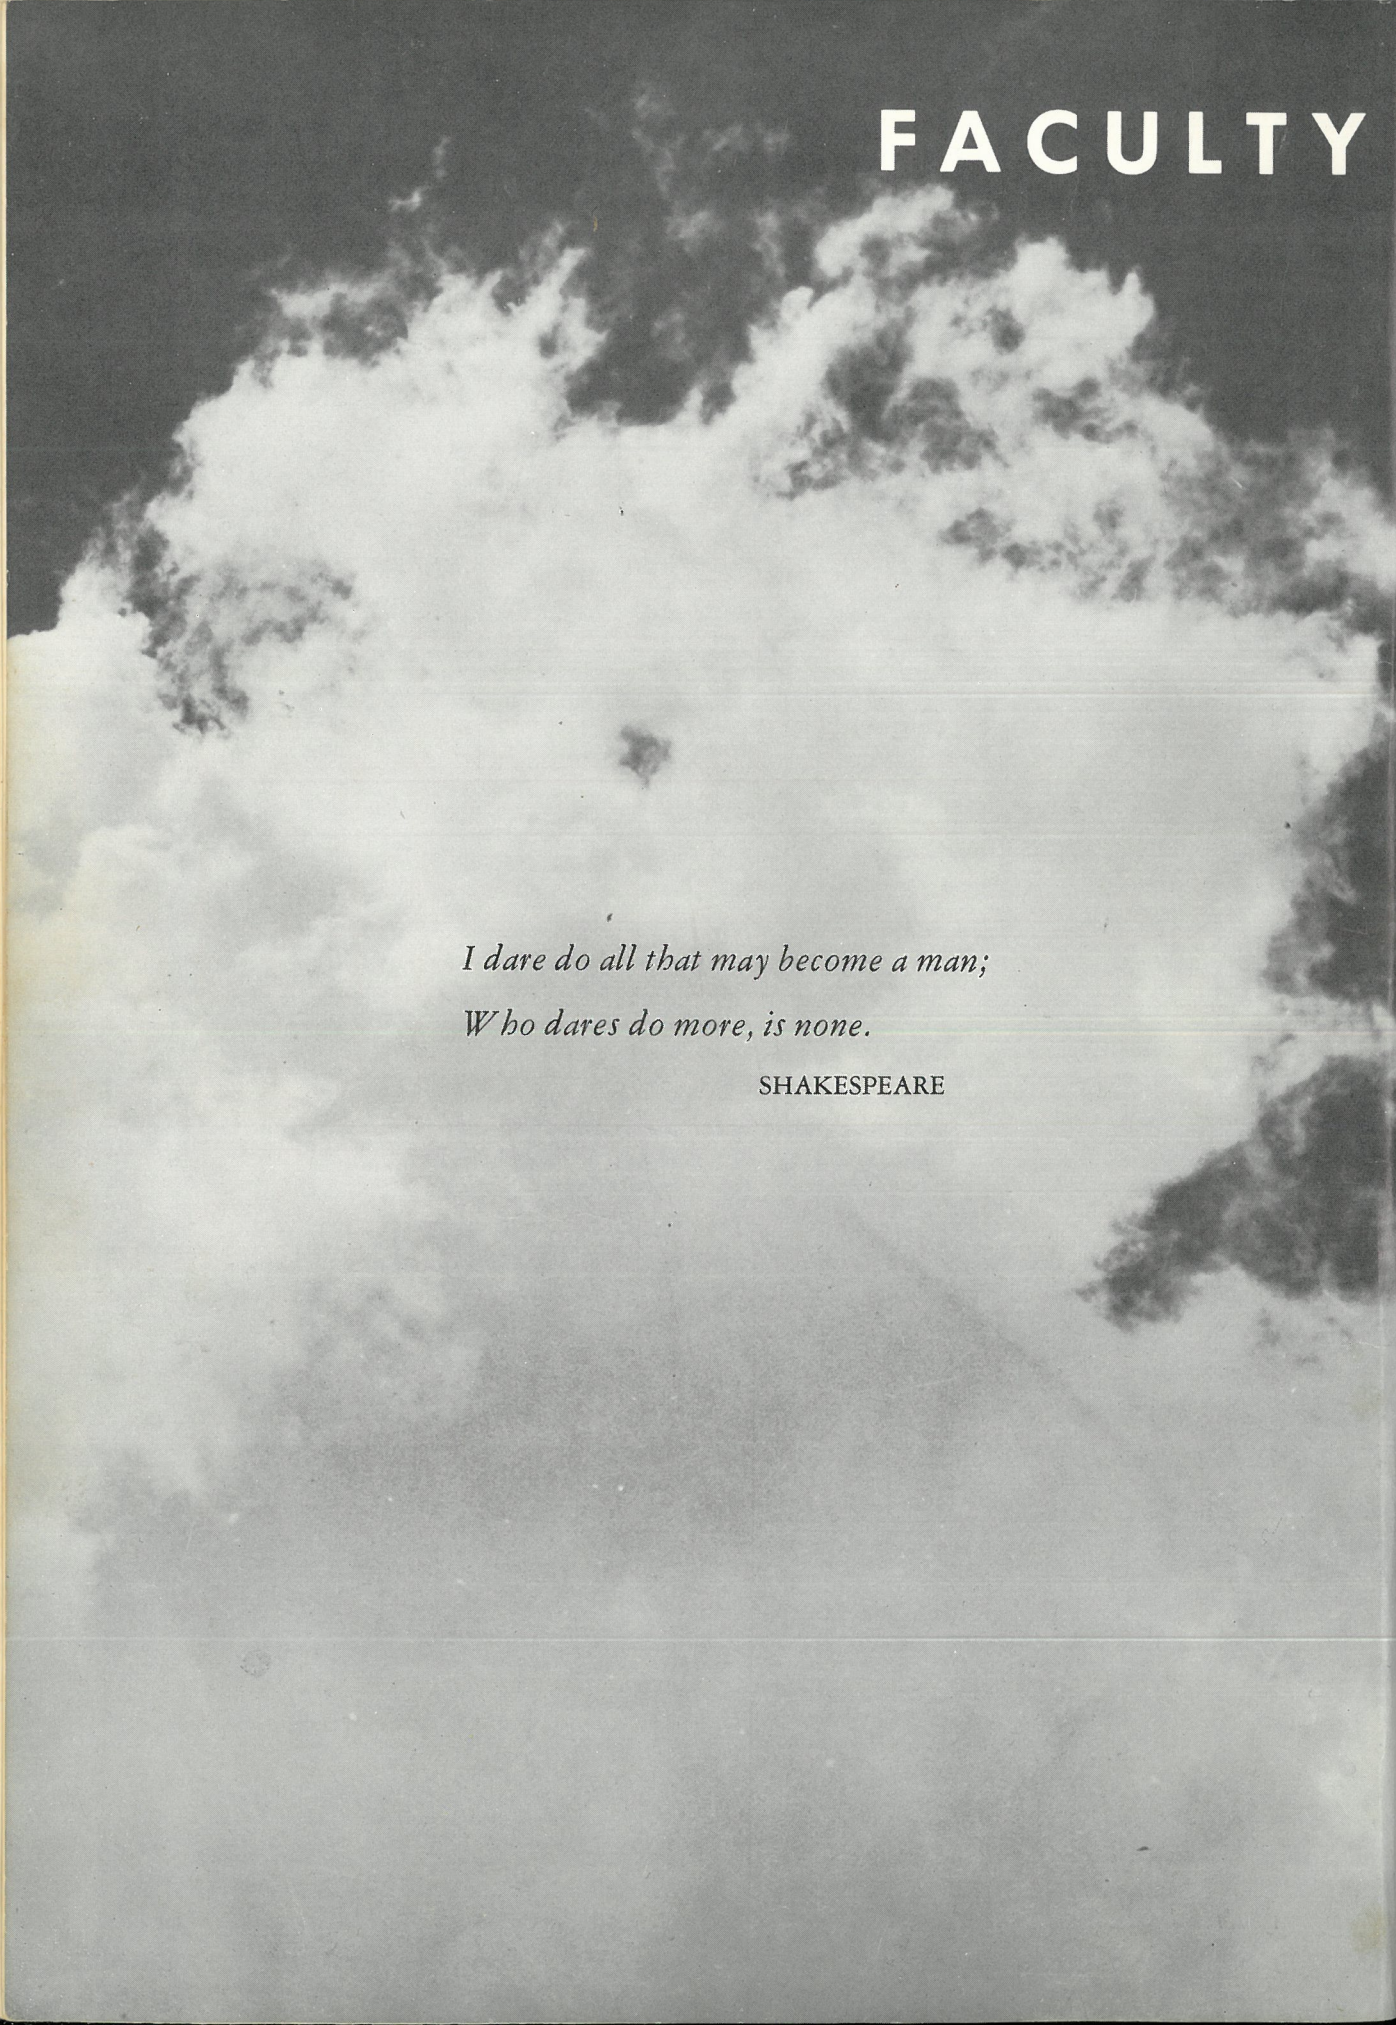

I am happy to extend congratulations and best wishes to the Senior Class of 1961. It is significant to observe that this is the largest class yet to be graduated from our school. The Editorial staff and the faculty advisors are to be commended for assisting you in the production of this Yearbook.

Best wishes for a successful and happy life.

WALKER J. CARROLL,  
Principal

## *Class History*

We, the Senior Class of 1960-61 herewith present to you our class history with the sincere hope that it brings thoughts of happy memories.

Now let us go to the year 1955 when we entered the seventh grade, wondering what the future in Junior High School would bring. Eight new classmates from Loxley Elementary School and three students from Concordia Lutheran School enrolled that year, making us a class of sixty-one. Mrs. R. S. Rhone was sponsor of Section One and Mrs. S. B. Taylor was sponsor of Section Two.

In 1956-57 we spent a happy year in the eighth grade. Our homeroom teachers that year were Mrs. Taylor for Section One, Mrs. Rhone for Section Two. Most of us will never forget basket weaving in Section Two and the beat contest in Section One.

In 1957-58 we were all one great big happy family with Mr. J. W. Chancley as our homeroom sponsor. Joseph Jones was President, Bernice Douglas, Vice-President, Patricia Davis was Secretary.

Under the leadership of Mrs. Thomas and Mrs. Jenkins in 1958-59, our number of sixty-one was increased to the number one hundred fourteen happy smiling faces from Anna T. Jeans Junior High School and Foley Junior High School. In Section One, Joseph Jones served as President, Kenneth Bryant Vice-President, Bernice Douglas Secretary, officers were: George Shelby, President, John D. Rudolph, Vice-President, Jacqueline Brown, Secretary and Otis Washington, Treasurer.

Then in 1959-60 we became Juniors working long and hard, with our sponsors Miss E. M. Hawthorne and Mr. N. B. Cunningham. Class officers for Section One were Bernice Douglas as President, Willie Wilson as Vice-President, Nannetta D. Jackson, Secretary; Novella Carmichael, Treasurer. The highlight of this year was the Junior-Senior Prom with its theme of "Nocturnal D'Amour." It was hard work but twice as much fun. Section Two won the Miss Homecoming Contest.

## *Class History (Cont'd)*

In August of 1960 we became astute and polished Seniors realizing that the time we had yet to spend here would be gone all too soon. Mrs. T. S. Carroll and Mr. J. Leonard are our sponsors. Senior Class officers are Kenneth Bryant, President, Joseph Jones, Vice-President, Barbara Fore, Secretary, and Louis Jones, Treasurer.

As we, the graduating class of 1960-61 look back over the years, we are left with a feeling of deep gratitude for the guidance and training we have received from our instructors. From their inspirational leadership we have gained a true understanding of ourselves.

Joseph C. Jones

## *Class Prophecy*

I have some compiled data that will prove very interesting to a certain class of '60-'61. Would you care to take a peep into the files?

The John Carroll and Calvin Allen Bakery is running a special on baked gingerbread men.

George Smith is an English Professor at the Alabama State Teachers' College.

Thamus Douglas labeled, "one of the start from the bottom actors," is waiting on his big break.
