Dedication Ceremony

The Dedication and "Open House" of the new elementary edifice was held on Oct. 15, 1961, at which time Supt. W. Candler McGowan in a most impressive ceremony presented to Principal Carroll the "key."

The flagpole in the front of the building was a part of the dedication ceremony. In the base of this pole, designed and built by the masonry classes under the sponsorship of Mr. T. Frank Morgan, is the cornerstone of the original building on our campus. On the stone are the names of the founders of our school.

We are very proud of our new building which includes the office of the principal and his secretary, ten well-appointed classrooms, two rest rooms, and a janitorial supply room.

Principal's Message

The educational program at our school is concerned not only with the mastery of facts, but with other aspects of life of the individual. We feel that it profits a student little to possess skill and knowledge if he is unhappy, beset with worries and fears in other areas of importance to his total development.

The experience you have had in working with this "Yearbook" has been profitable and rewarding to the group as well as to each individual.

I am pleased to extend congratulations and best wishes for a successful and happy life.

MR. WALKER J. CARROLL

Vice-Principal's Message

It is a source of pleasure to congratulate the class of 1962. I have observed many of you in your formative years, and have seen you grow into responsible young men and young women. My wish is that you will continue to grow and make our school, state, and nation proud of you.

MR. LESLIE C. TAYLOR

Guidance Counselor's Message

I wish to congratulate those of the Class of 1962 who will enter college. I urge them to work untiringly during the coming years to qualify themselves for a fine career and that they will never settle for something less.

My best wishes are extended to those seniors who are completing their training to begin careers soon. May God help them to obtain the very best in life.

Class History

The class of 1962 submits its history and hopes that it conveys our sincere gratitude for the many cherished memories that have come as a result of having been students at Baldwin County Training School.

We entered the seventh grade in August of 1956, all bright-eyed and bushy tailed, as this was our introduction to Junior High School. We were one big happy family under the sponsorship of Mrs. Kay Francis Williams.

In the eighth grade, fifty-five of us were sponsored by Mrs. Sara B. Taylor and Mrs. Ruth S. Williams.

On August 24, 1958 a group of forty-seven students assembled with Mr. James W. Chancely as sponsor.

In 1959 we made the big jump from junior high school to senior high school. We were joined by fellow sophomores from Anna T. Jeanes, Junior High School, and Foley Junior High School. Our class increased to the huge number of 105. We were sponsored by Mrs. Helen P. Jenkins and Mr. John H. Montgomery.

In the eleventh grade Miss Ethel M. Hawthorne and Mr. Nathaniel B. Cunningham were sponsors of our class of eighty-two pupils.

Henry Taylor was president of the first section, and Alfred Phelon served as his vice-president. Swanson Bolar was president of the second section, with Marilyn Longmire as his vice-president. We were quite an elated lot, as we were sponsors of the Junior-Senior Prom.

Sandra Ransom was chosen Miss Homecoming in our junior year.

Then came August of 1961. Eureka! We were seniors! And very sedate ones indeed.

Our football team rose above the shadows cast by their predecessors to win all of the games played but two, an exceptional record. Henry Taylor was captain and Morris Valrie and Leonard Washington served as co-captains.

Class History, Cont'd

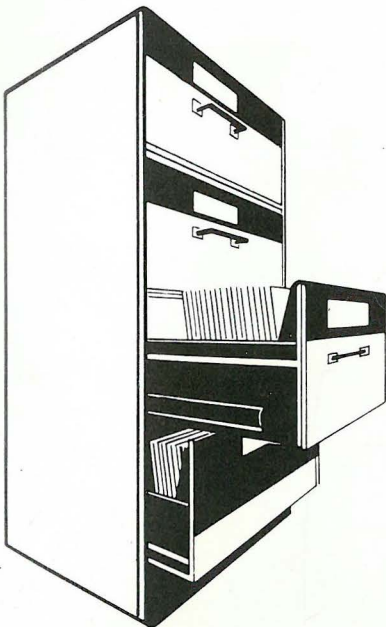

Sallie McGowin of our class was "Miss Varsity" and Jacqueline Hale was "Miss Senior." The class wrote and directed the Senior's "Wonzanza" skit, a hit, which proved to be quite an interesting endeavor.

Our class officers are Henry Taylor, President; Morris Valrie, Vice-President; Mary Brazelton, Secretary; Sallie McGowin, Assistant Secretary; Doris Spires, Business Manager; Willie Reed, Treasurer; and Marilyn Longmire, Chairman of Social Affairs Committee. Mrs. Thelma S. Carroll and Mr. John W. Leonard are our sponsors.

As we bid our fond good-byes to our alma mater, we greatly appreciate the tempered guidance and attention we have received during our twelve year sojourn through B.C.T.S.

We bask in the glory of our past years, and wish for our posterity, even greater success.

MARILYN M. LONGMIRE, Historian

Class Prophecy

By the use of Jupiter "C," the most modern equipped space ship of the day I am venturing ten years into the future of the graduating class of 1962.

Moving in closer to Earth I can see someone behind a line of clothes in a Foley backyard, the face looks familiar, yes - it's the former Bettye Phillips hanging out the family wash.

Venturing on I am becoming acquainted with a bit of interesting news, it seems as though Sylvia Carroll is leading chemist in the Burton-Douglas laboratory and with her extravagant inventions she is leading it straight to bankruptcy.

Beulah Suggs and Barbara McNeil have failed in their efforts to become nurses of the Mobile General Hospital for the third consecutive year, so I guess there is nothing for me to do except move on to something else.

Approaching the Baldwin County Training School football field I glimpse Willie Reed still on his job as first aid man for the "Wolverines." (He is a doctor now).

From Jacqueline Hale, an executive of the Mitchell-Gardner Information Bureau, I learn that the Longmire and Weeks Lullaby Orchestra has just finished a world-wide musical tour; and that Henry Taylor is head coach of the Wolverines.

Moving further into the future I see Lawyer Morris Valrie in a Nevada court defending "Pretty-Lips" Lonnie Williams.

Things aren't going so well at "Honest Gus Agee's" used car lot, I think the cars are already a little over used.

Who is this dressed in typical farm clothes? Oh yes, it's farmer Jimmie Brown still in Daphne and giving his pigs their afternoon feeding.

Before taking to the clouds again, I see Henry Tunstall still in Baldwin County and driving bus 11-A.

My explorations of the underworld have been enjoyable ones, but there are other worlds that need exploring, so this is your space commentator of 1972, Doriska Newman, signing off.

Moments We'll Never Forget

Freddie Harris and Doriska Newman will never forget the fights they had with each other down in the grades.

Sylvia Carroll will never forget the day she decided to go home with Jacqueline Hale without permission of anyone to ask if Jackie could spend the evening with her.

Henry Taylor and Senior Douglas will never forget the short pants they were so fond of wearing.

Marilyn Longmire will never forget the ten braids she wore five days a week every week in the elementary grades.

Morris Valrie will never forget the case of drinks he forgot to bring to the school closing picnic in the sixth grade.

Jimmie Brown will never forget the fight he picked with Sylvia Carroll in the fifth grade.

Xenophon Rhone will never forget the crush he had on Helen White in the sixth grade.

Elizabeth Young will never forget her many trips through the gully to school.

Archie Andrews will never forget the ashes he carried from the old wood stove that used to occupy McQueen cottage when he was in the fourth grade.

Mary Johnson, Willie Tillman, Barbara Rogers, Geneva Parker, Joann Woodyard, and Voncile Winston will never forget their first year at the B.C.T.S.

Doris Spires will never forget the day when she was chased by a cow in the barnyard that used to occupy the school campus when she was an elementary student.

Beulah Suggs will never forget the explosion we had in the Chemistry laboratory while she was making hydrogen in the Chemistry class of 1960-61.

Barbara McNeil will never forget her yells for help while riding the roller coaster on the school campus May Day night of 1960-61.

Alfred Phelon will never forget the faithful bus no. 3 that he drove throughout his Junior and Senior years.

Willie Reed will never forget the faithful bicycle that he used to ride to Anna T. Jeanes school each morning.

Mary Brazelton will never forget the dogs that chased her while on her way to a football game at Williamson High School in 1958-59.

SYLVIA CARROLL and DORISKA NEWMAN

This year we salute our own "Wolverines" (above) and our "Alumni Cagers" (below). Left to right: C. Ellis, C. Snowden, W. Davis (Captain), J. Bolar, B. Yelding, and L. Jackson (Co-Captain).

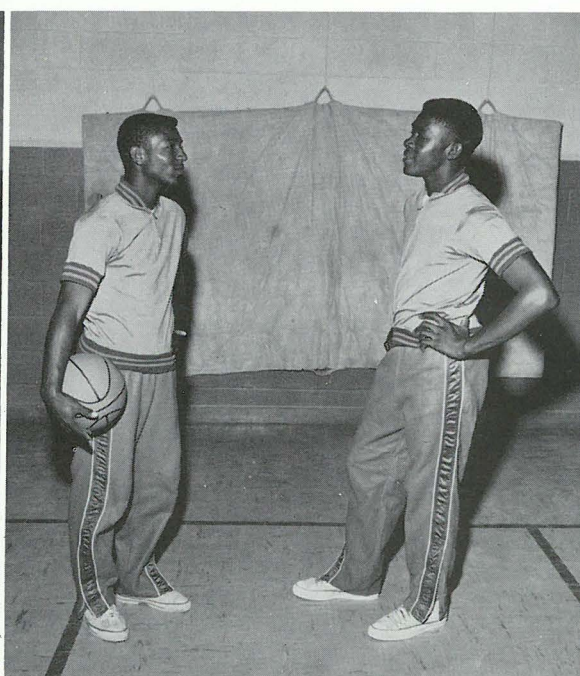

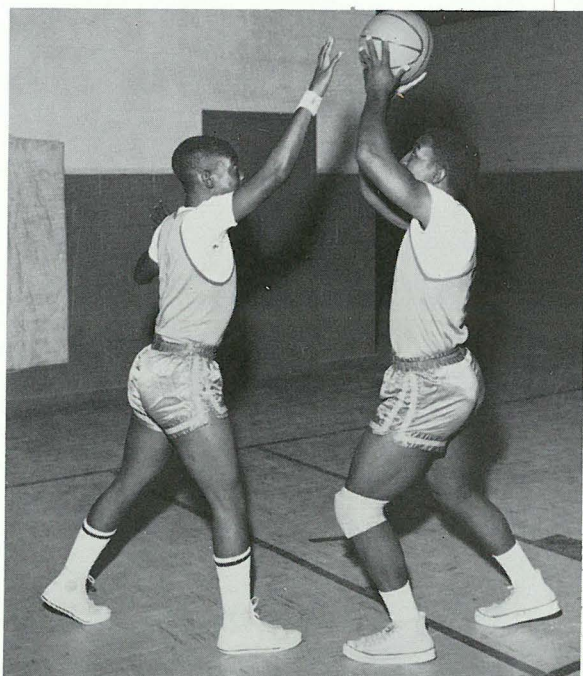

MR. EUGENE LUCIOUS, Coach of Alumni Cagers

Each year Baldwin County Training School has its share of interscholastic basketeters who provide keen competition for those teams she meets in competition. In spite of many handicaps because of a lack of experienced players and facilities, the boy's basketball team was nothing short of "grand and glorious."

Annual

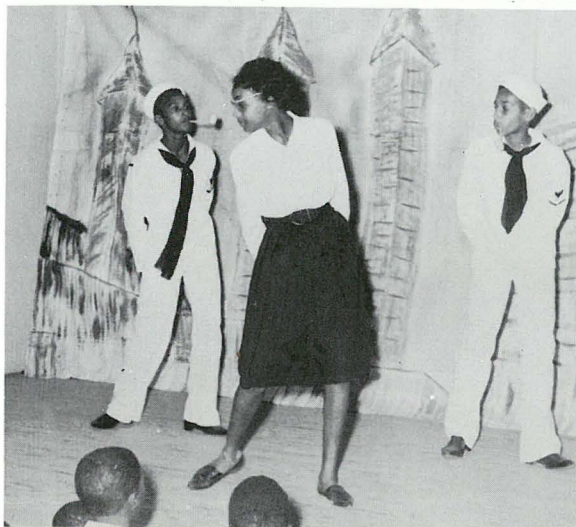

The "Wonzanza" as an activity is best understood by the faculty, patrons, and students of Baldwin County Training School. This, perhaps, is true because it is not really a dictionary word of itself, but represents a combination of words to give meaning to an idea of our own.

The activities, for the most part, are related to the school program and represent outcomes

Wonzanza

of some specific interests on the part of our students and sponsors. Occasionally it is presented under a specific theme and on other occasions, when there is no particular theme, it takes on the nature of a "variety" type program. In any event, each presentation tends to bring to culmination some unit or activity the children have experienced under the guidance of their sponsors.

Baldwin County's "Teacher of the Year"

The Senior Class is happy to join with the members of the Baldwin County Teachers Association in congratulating Mrs. Ruth Smith Williams as the "Teacher of the Year." Perhaps we at Baldwin County Training School are in better position than the County Teachers Association in giving this recognition because she has been our teacher for 25 years and, as such, we appreciate her capabilities because they have meant so much to our growth and development.

We feel that her many years of service represent not only a career of the highest ethnical standards, but also years of genuine service to the community. She has won the respect, confidence, and admiration of our student body.

Again we say congratulations on your outstanding record of service, and best wishes for many happy years ahead.

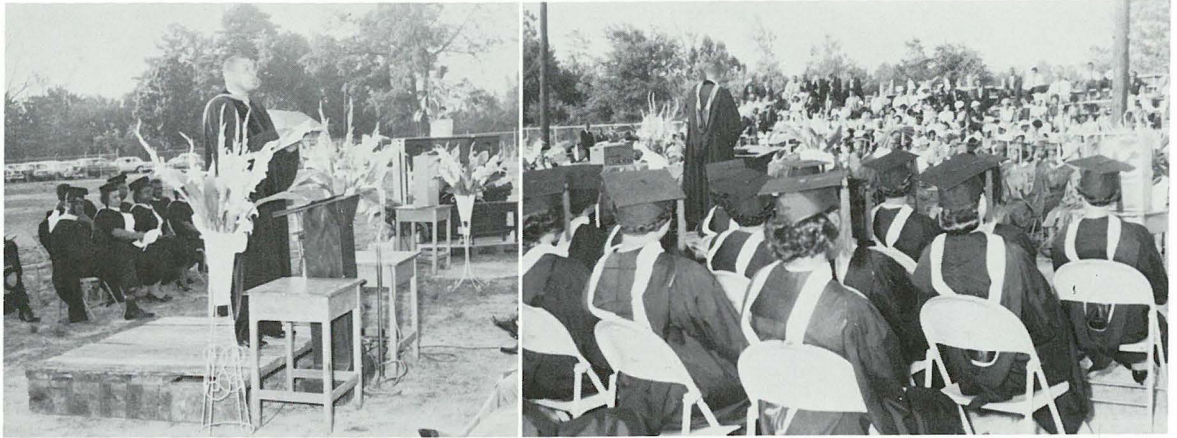

Annual Junior-Senior Prom

These scenes depict the Juniors and Seniors and their guests enjoying an evening of fun at the prom. The theme this year was "A Song in My Heart." The color scheme of red and white bedecked the school's cafeteria. An evening of fun was enjoyed by everyone. Five sophomores were in attendance as caterers. They are anxiously awaiting next year's affair with the intentions of making it a better one.

"HAIL BALDWIN TRAINING SCHOOL"

Hail Baldwin Training School
Thy children adore thee,
Long live the noble school
Thy precepts may all see;
Love's never cold--for the purple and gold;
Hail Baldwin training School,
True to you are we.

Let the moments fly (as the days go by)
Forward, forward we must go,
Neath the murmuring pines (working all the time)
Learning what we ought to know;
Everyday--seems gay--in all the same old ways;
Oh, hail Baldwin Training School,
True to you are we.
