Editor's Message

The Wolverines of 1962-63 cordially invite you to take a cruise through an ocean of excitement, hard and untiring work and accomplishments.

The purpose of this yearbook is to formulate and place on review the whole pattern of activities of the faculty and student body for the academic year of 1962-63.

All of us who have worked so hard to make this yearbook possible feel proud of our achievements, not selfishly proud, but proud because of what it will mean to the students who will follow us here.

Principal's Message

It is my privilege through this yearbook to extend my personal congratulations and best wishes to the graduating class of 1963. The sincere desire of the school's administrator and the faculty is that all of you continue to uphold the high ideals of your school and that you become good citizens of your community and nation.

Your success in graduating has not been because you sat and waited for a job to be done, but because you were up and about endeavoring to succeed.

Congratulations and best wishes for a successful and happy life.

W. J. Carroll, Principal

MRS. C. A. WARD,
Secretary

Vice-Principal's Message

I wish for you the best that life has to offer. I wish further that you will try each day, by some kind deed or thoughtful action, to make our school proud of you in the years ahead.

L. C. Taylor

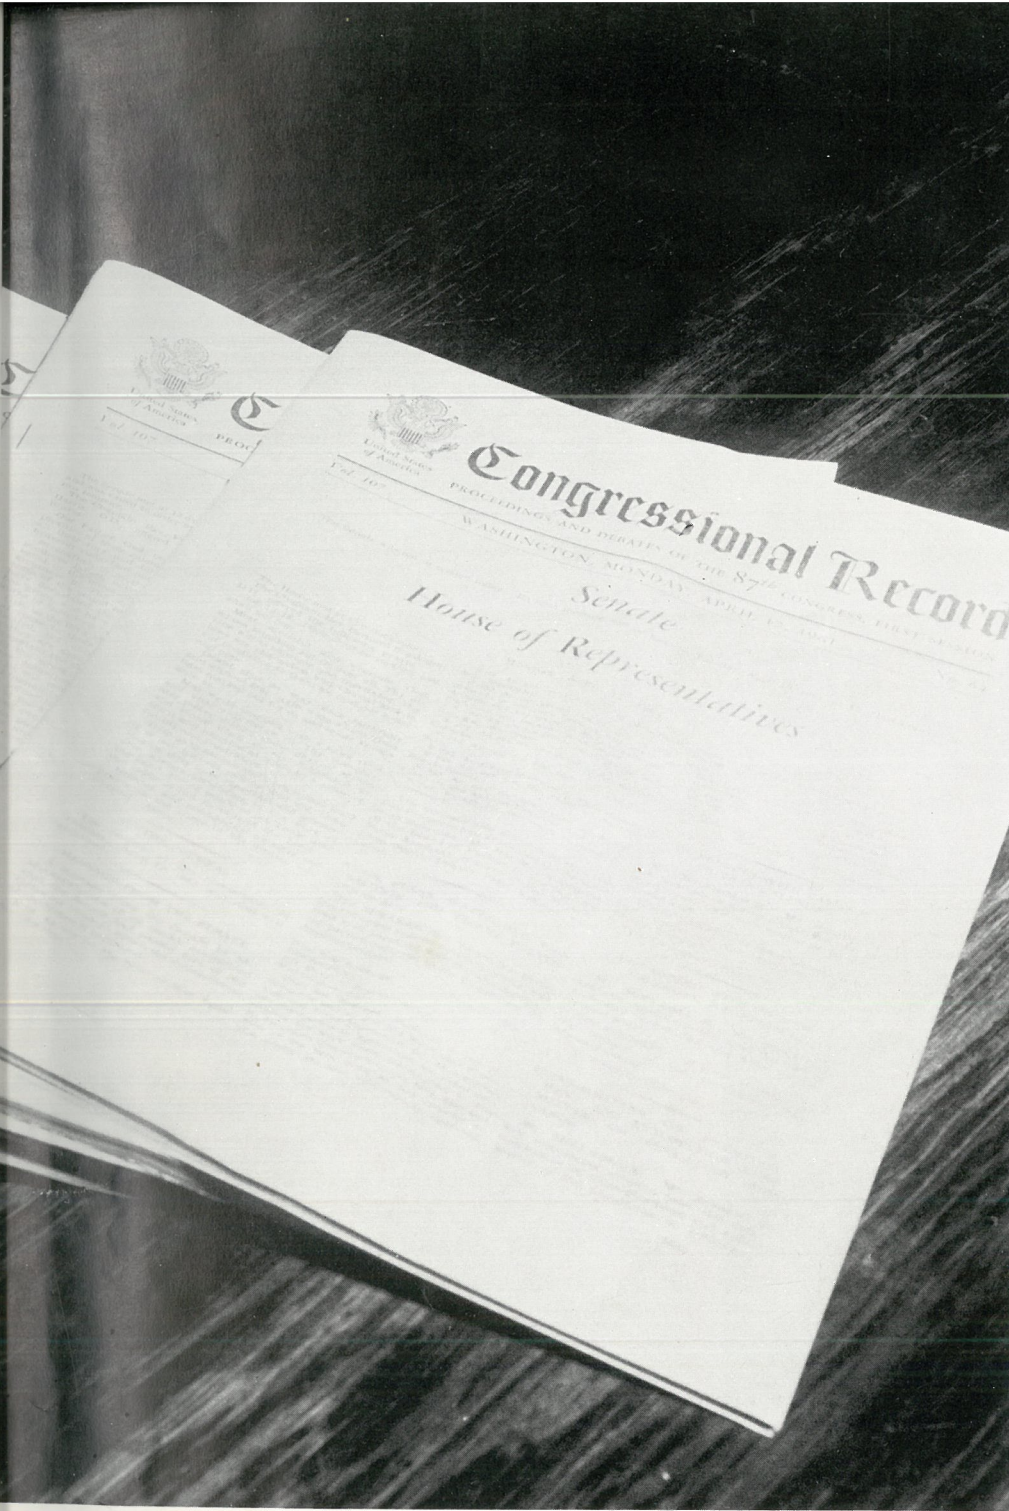

Guidance Counselor's Message

I am happy to extend congratulations to the Senior Class of 1963. To have spent twelve years in school is a great privilege and it adds to the enjoyment of life itself. It gives one a different outlook, and it adds to one's responsibility. Many of you may choose to continue your formal education by attending college while others may choose other areas of interest.

May the future bring success in whatever work you undertake.

Class History

We, the Senior Class of 1962-1963, have many cherished memories of our high school days which here, we proudly share with you.

In August of 1957 we were energetic and proud seventh graders. Our sponsors that year were Mrs. Ruth S. Williams and Mrs. Kay P. Williams. The students from the elementary grades at our school were joined, that year, by nine other students from Loxley Elementary School.

As eighth graders our sponsors were Mrs. Sara B. Taylor and Mrs. Ruth S. Williams. We were excited students that year, for we were going on a trip to New Orleans, La.

Mrs. L. H. Thomas and Mr. J. W. Chancley were our sponsors as ninth graders. We will never forget our Wonzanza skit "Mardi Gras" that year.

Our class in 1960, as Sophomores expanded greatly with twenty-three students from Foley Junior High and twenty-five students from Anna T. Jeans Junior High. Our class sponsors were Mr. John H. Montgomery and Mrs. H. P. Jenkins. With Edna Phipps and Thomas Bolden as the presidents of Section I and Section II respectively, we had a prosperous year.

The Junior-Senior Prom, with its theme "With a Song in My Heart," was the highlight of our Junior year. We chose as class officers, Ethelsteen Clark, President of Section I and Paulette Jones, President of Section II. Our sponsors were Mrs. Ethel H. Cunningham and Mr. Nathaniel B. Cunningham.

Finally, on August 27, 1962, our big year arrived. At last, after eleven long years of school, we were seniors! As our leaders we chose as President, Raymond Green; Vice-President, Robert Crawford; and Secretary, Charles Davis. In our class, there are many persons of "royalty." Miss Baldwin County Training School was Jewel Bolar; Miss Varsity, Kathleen Jackson; Miss Homecoming, Paulette Jones; Sweetheart of the Future P. T. A., Kanjaddie Smith; and Miss Future P. T. A., Christine Bolar.

Yes, for the seniors of 1962-1963 there were many pleasant memories. They are ones that we will cherish forever.

National Honor Society

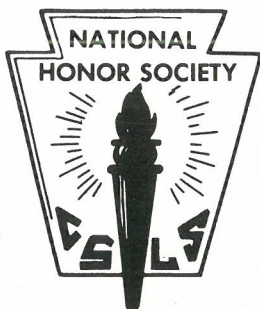

Admission to the National Honor Society is the greatest honor that can come to a high school student. It stands for excellence of achievement not only in scholarship but in service, leadership and character.

Students who have attained the high standards of the four cardinal principles, which are, scholarship, leadership, service and character, are chosen by the faculty council to become members of the National Honor Society. Into our chapter this year were inducted ten new members.

The Ida L. Taylor Chapter has had several projects this year. Among these were ushering at the Folk Festival and being student teachers.

Physical Education Boys

Participation in a well-rounded Physical Education program may result in immediate satisfactions and life-long values.

Intramural and recreational activities provide release from some of the tensions of everyday life.

Let us engage in activities more but let us win more beauty in our activities as in our lives - for it is by substitution of beauty for ugliness, in intangible things as well as the visible, that our participation in these activities leads to happiness and perfection.

Physical Education Girls

It is the aim of the girl's physical education program to provide opportunities for the greatest possible physical, mental, emotional and social development of students by creating an environment favorable to the acquisition of neuro-muscular skills and organic vitality so that the girls will use their powers intelligently and co-operatively and be able to make the best possible contribution to society.

Mrs. Helen P. Jenkins, Sponsor

Y-Teens

Our annual activities include: The Hanging of the Greens, Y-Teen Conference at Montgomery, Alabama, the Spring Formal, to which the parents are invited, and a Spend-the-Day Party for all Y-Teens in the area.

Annual Junior-Senior Prom

These scenes depict the Juniors and Seniors and their guests enjoying an evening of fun at the prom. This year's theme was "Stairway to the Stars." The color scheme of turquoise blue and white bedecked the school's cafeteria. Music was rendered by Bill Washington and his Orchestra. An evening of fun was enjoyed by all.

Class Prophecy

One day while wandering through one of the National Parks, I came upon two members of the current graduating class of 1963 who were discussing experiments in predicting the future. One of them revealed how some scientists claim we can train our minds to advance into the future, so they decided to experiment with a newspaper they had been reading. By concentration and much mumbo jumbo, they succeeded in transforming the current paper into a newspaper dated 25 years ahead. They then took turns reading it.

Look at this headline: "Robert Crawford selected as special assistant to investigate alleged "fix" in Kindergarten Tiddeley Winks Tourney. "

And how about this one: "Ronald Pickett, famous crooner, faints after being mobbed by hysterical women. "

Here in the Sports section, it says "Alma Ghaskin, glamorous lady wrestler accuses opponent of deliberately stepping on her corns. "

Get this! In the want ads. "Unemployed genius wishes any job with big pay and short hours. Call Jewel Bolar after 11:00 A.M."

How about this personal: "Lonely bachelor wishes to correspond with widow. Prefers one under thirty. If she is rich, age doesn't matter. Write Clauzell Young. "

Look at Margie Sellers. "She married the butcher, you know. She must have gained a hundred pounds since this picture was taken. "

"There's R. J. Houston, our egg man. You'd never know him. He had hair then. "

"And Christine Bolar has an important job in Washington. She empties wastebaskets in the office of the 5th assistant to the fourth Under-Secretary of State. "

"Then there's Rochester Ramsey, the "great singer" who's still waiting to be recognized in Hollywood. "

"Here's Arthur Mobley. He was a big Football star. That must be how he got the muscles to carry those ash barrels around. "

"And Johnny Wilson, who's still working on his invention: A way to can sunlight for use on rainy days. "

"Here it is, May 15, 1988, the day our class has its 25th reunion. Wish I could be there. "

I enjoyed their discussion in predicting the future. After spending a short while there, I continued my walk through the Park leaving the two students more engrossed in their speculations of the future.
