Our Candy Packages

DEAR FRIEND:

The season is approaching when we each relegate our personal cares to the background and look about us to see how we can give pleasure to those whom we love or to those whose courtesy we wish to reciprocate.

Each season many of you have found our Southern dainties suitable for your purposes and your friends have enjoyed something a little different from the regular commercial products of larger factories. We use no preservatives or substitutes; only pure cane sugar, fruit and nuts. Many of our packages are suitable for gifts to an entire family or for use as a graceful acknowledgment of hospitality.

We know, by the number of friends our sweets have made who come or send for them each year, that *your* friends would appreciate these delicious bits of confection from the South. We will pack your gifts with care, enclosing the card you send or a plain name card as you prefer. Please do not send personal messages on cards, or cards in sealed individual envelopes unless accompanied by a three-cent stamp for each card as postal regulations do not allow such enclosures in fourth-class mail. They may, however, be attached to the package if bearing a three-cent stamp.

Also, PLEASE give the date you wish shipment made and let us know whether the package is a holiday gift or for your own consumption at an earlier date. If no date, or instruction that the package is for a gift accompanies the order, the same will be shipped immediately on the supposition that the goods are wanted at once. If you wish to rely on our judgment as to shipping date the goods will be shipped in accordance with the suggestion of the postal department as to proper date for shipment for given distances. It is, however, better to ship early than late as the packages receive better handling before the holiday rush.

Prices in our list are postpaid that you may know just what amount to send with your order. We will mark holiday packages "Do not open until Christmas" if you wish. Our part is to do the work; yours is to enjoy the pleasure you have given.

We wish for all our customers and friends a happy holiday season and a bright New Year.

SINCERELY,

THE PINEQUAT SHOP.

The sunlight falls on Mobile Bay
And softens as the sun goes down
So ends another perfect day,
Like many such in Fairhope Town.

Why not spend a winter in Fairhope? In few places are the conveniences of paved streets, good stores and hotels and the unspoiled beauties of nature in juxtaposition. This scene is on the paved highway, almost in front of one of our leading hotels and on one side of a busy street. The whole Bay front being reserved for park use. Churches, playhouses and stores are but a few blocks distant. The community will give you a friendly welcome.
