

FIRE DIRECTOR

24 January 2012

Max-

Please accept my long over-due and most sincere
Thanks You for your inspiration and the
leadership shown me in my Forest Service career.

Five "Bosses" I most admired and who I
tried to emulate throughout my life were:

Gas Rickle, District Ranger and Forest Supervisor
Captain Jay E. Razor, Gen. MacArthur's Honor Guard
Company, Commander

Don Bauer, Forest Supervisor

Ted Schlappfer, Regional Forester / twice

Max Peterson, Deputy Regional Forester / RF / Chief

At this point in my life and with the recent loss
of my lifelong partner and true love Bobbie, it
seems fond memories are most of what we have
left. My son Harry and daughter Lisa are the
greatest help and most important emotional
support one could possibly ask for! Please forgive
this old man of 85 for living so much in the past

My very Best Wishes for you and your Family,

Carl Hickerson
