Information for Passengers

BERTH AND STATEROOMS should be reserved as soon as possible in order to secure the most favorable location, especially during the summer season, when all available rooms are in demand. It is advisable to reserve accommodations for a considerable time (sometimes months) prior to departure of the steamer. When applying for accommodations, either by mail or telegraph, the name of the steamer, date of departure, number and sex of passengers, and desired location of accommodations should be stated.

BERTHs are not considered engaged unless secured by paying a deposit of $25.00 per berth for the first cabin and $10.00 per berth for the second cabin accommodations.

Deposit of $25.00 per berth must be paid not later than two weeks before sailing; if this has not been paid on or before that time, the Company reserves the right to resell the allotted accommodations. Deposit moneys are refunded only if notice of cancellation is given not later than two weeks before sailing.

Passengers who do not sail on the steamer for which they have engaged accommodations or purchased a ticket, will forfeit fifty per cent of the passage money, unless notice is given not later than two weeks previous to sailing.

RETURN AND PREPAID TICKETS entitle holders to passage only during the season and for the accommodations for which they have been issued. If used at any other season or for other accommodations than the face value indicates, holders will be required to make additional payment, or will be refunded any unused difference in accordance with rates and rules in effect.

RETURN OR PREPAID TICKETS are good for one year from date of issue and are not transferable. Upon application to one of the Company's Passenger Offices, they may be extended by paying the difference between the rate in effect at the date of issue and time of sailing, in accordance with the conditions on the passage contract.

RETURN ACCOMMODATION may be secured through the Company's Passenger Offices or Agents. They should be engaged when securing berths for the outward trip, or as soon thereafter as possible. If a passenger is prevented from sailing on a steamer for which return accommodations have been secured, a transfer to an earlier or later steamer may be made by applying to any of the Company's Passenger Offices or Agents, provided application for the transfer be made not later than two weeks previous to the departure of the steamer on which berths had originally been reserved.

INTERCHANGEABLE TICKETS. — The holder of a return ticket first class or second class has the option of returning by one of the following lines: American Line, Atlantic Transport Line, Austro-American Line, Compagnie Générale Transatlantique, Cunard Line, Dominion Line, Hamburg-America Line, Leyland Line, Norddeutscher Lloyd, Red Star Line and White Star Line, subject to the rules and regulations of the line by which the ticket is issued. Return tickets of any of the above lines will in the same way be honored by the Holland-America Line.

If unused RETURN TICKETS are offered for cancellation, the amount paid for the round trip, less full outgoing fare and agent's commission, will be refunded against delivery of the return certificate to one of the Company's General Passenger Offices after authorization has been received from the Company's General Passenger Office at Rotterdam.

All pieces of baggage destined for staterooms must be marked "wanted", those for the baggage hold "not wanted," and must bear passenger's name, destination number of berth and name of steamer; tags may be had at all Company's offices and agencies or, on board, from the Baggage master. Eastbound passengers from the interior should have their baggage checked to the HOLLAND-AMERICA LINE for dock, foot of Fifth Street, Hoboken, N. J., by the baggage express agent on the train, previous to arrival in New York, Jersey City, etc.

CUSTOME HOUSE EXAMINATION. — The baggage of passengers leaving the steamer at Boulogne-sur-Mer, will be examined by the French Custom House officers at the Garde Maritisme at said port, or on arrival at Paris. The examination by the Holland Custom House will take place either on board, or two or three hours previous to arrival at Rotterdam, or at the Hook of Holland, at the pier of the HOLLAND-AMERICA LINE, built at the "Hook" in 1903, and which pier may be used as a landing place for passengers and their baggage whenever tide or other circumstances may prevent the steamer from proceeding at once to Rotterdam.

ORDERS FOR DELIVERY of baggage free of charge at the railway depots in Rotterdam and Boulogne-sur-Mer are taken by the Baggage master on board the ship.

In bringing this to the knowledge of passengers, the managers, while not wishing in any way to agree to interfering with the freedom of speculation, cannot help wishing that the HOLLAND-AMERICA LINE, desire to invite their assistance in discouraging games of chance, as being likely to afford these individuals special opportunities for taking unfair advantage of others.
