GREETING
1912

*Here's to every member
of the Granite Club by
word and deed--with
the hope that we may
plant no seed in Gra-

out the promise of a
flower somewhere*

MONROVIA CALIFORNIA

Introduction

We stand at the gateway of the year 1912. We look backward over the years that we have been members of the Granite Club together, appreciating all of us the pleasant events of the past and more especially the friendships formed and the good fellowship of our fellow members.

Looking forward we rest assured of the strength and firmer growth of old friendships and the forming of new ones—with the belief that by the many entertainments outlined for the year 1912, bringing members of this Club together oftener, they may know each other still better.

An outline of the entertainments to be given this year, as well as a list of the members and officers of this Club is herewith handed you to better acquaint you with all the members—and to give you as complete a list as possible of the plans of the entertainment committee for 1912.
