OUT-OF-TOWN CALLS

The principal classes of Out-of-Town Calls are the Station-to-Station and Person-to-Person services. An explanation of these services, together with an explanation of Collect and Appointment services, is given below.

STATION-TO-STATION CALLS

A Station-to-Station call is one on which you are agreeable to talk with ANYONE WHO ANSWERS at the called telephone. The rates are less than on Person-to-Person calls. Reduced Station-to-Station rates are in effect from 6:00 P.M. to 4:30 A.M. daily and all day Sunday unless the initial period rate is thirty-five cents or less.

APPOINTMENT CALLS

Appointment Calls are Person-to-Person Calls on which you wish arrangements made in advance with the station or person to be called to talk at a specified time.

PERSON-TO-PERSON CALLS

A Person-to-Person Call is one on which you wish to talk with a PARTICULAR PERSON SPECIFIED BY YOU. If you desire connection with a particular station of a private branch exchange without specifying a particular person, this is also classified as a Person-to-Person call. Reduced Person-to-Person rates are in effect from 6:00 P.M. to 4:30 A.M. daily and all day Sunday unless the initial period

rate is fifty cents or less. Person-to-Person service is available over all routes where the initial Station-to-Station rate is ten cents or more.

COLLECT CALLS

Upon request, the charges on calls to most points within the continental United States, and to Alaska, Canada, Cuba, Great Britain, Hawaii, and Puerto Rico, may be collected at the called station as follows:

COLLECT STATION-TO-STATION CALLS

At the Station-to-Station rate, when the initial period rate is 25c or more, provided anyone answering at the called station accepts the charge. When the initial period rate is 20c, a special collect rate of 25c applies. If the initial period rate is less than 20c, the corresponding Person-to-Person classification and rate applies, provided this service is available.

COLLECT PERSON-TO-PERSON AND APPOINTMENT CALLS

At regular rates applying to these calls, provided the called party accepts the charge.

Rates and other information may be obtained from Long Distance.

REQUESTS FOR CHARGES

If a person desires to be advised at the conclusion of his conversation of the amount of the charge on his call, time will be saved by so notifying the long distance operator at the time the call is placed. If the request for such information is not made until the completion of conversation, unavoidable delay may result while the operator ascertains the rate and computes the charge.

An Official

War Message

Sept 24/45 Empire

13020

From General George C. Marshall and Admiral E. J. King

"The fighting forces will be very grateful for the care each of you personally takes in not revealing information that can be helpful to the enemy. It is the little things that count. Added together they can easily disclose our plans or purposes."

What

"Now that we have speeded up our attack on all fronts, it is even more important that all information about our troops, our ships, and our equipment be held as confidential. The lives of the men depend upon this."
