MONROVIA, July 22.—Monrovia Township can no longer boast of its "handsome young bachelor judge," for this morning Judge John A. H. Sturgeon eloped to Ventura with Miss Mary McEniry, daughter of Mr. and Mrs. M. S. McEniry, 1901 Mission Drive, South Pasadena. They were married at 11 a.m.

The bride is a popular member of

South Pasadena younger set. She was graduated from South Pasadena High School, and from the University of California at Los Angeles. During the last year she has been secretary to Superintendent of Schools Neher of San Marino.

Judge Sturgeon has been justice of the peace here for ten years. He has lived in Monrovia twenty-five years. He is the son of Mrs. T. D. Sturgeon. He received his higher education at Stanford University.
