

Saved Modra & Duran

I was with the S.P. R.R. Co for
twenty years as Foreman Supt
and Contractor. One construction
of Rail Roads went where ever
there was work after building
the road from Tracy to Oakland
hauling gravel to the R.R. yards at
Oakland - Ripraped - for Kenner
Stotes opposite Vallejo.
Worked 13 gangs of Chinamen
building the Road through Benicia
was arrested by my Black for
shooting rock through the State
scoops of the Arsenal at Benicia.
Mr. Chas Crocker fixed up all the
damages 2 years after my Black
arrested me for laying the track
On Sunday a crop the land of Fort
Yuma and the R.R. Bridge at
Colorado River - at Yuma all was
ok with the Government after
years and the road was built on &c
until correction was made with
the Sunset Road coming west from
San Antonio Texas which was made

was the contractor of flat-wooden
bridges and the heavy work
done on the Rio Grande River
