60 YEARS OF SKIING SKEETERS

Welcome to the beautiful Northwoods
of Wisconsin and the

Manitowish Waters Skiing Skeeters Water Ski Show!

The Skiing Skeeters are one of the oldest amateur water ski clubs in the United States today. The Skiing Skeeters is a non profit club performing for your entertainment and for the thrill of the sport.

Originating from their predecessors, the Manitowish Waters Boat Club, the Skeeters preserve a long tradition of heritage and innovation. The Manitowish Waters Club was made up of year round and summer residents and established itself in the 1950's. Skiers in the Boat Club presented ski shows on Manitowish and Rest Lake and even at community celebrations elsewhere. Using skier owned boats and equipment, the Boat Club became organized, saving donations collected during their shows.

In 1961, the Boat Club formally took the name Skiing Skeeters and established a permanent show site on Rest Lake. The same year, the Skeeters acquired their first tow boat, custom designed and built to Skeeter specifications by Lyons Industries. Powering the boat were two 75-hp Evinrude engines donated courtesy of Ray Smeeth Sporting Goods.

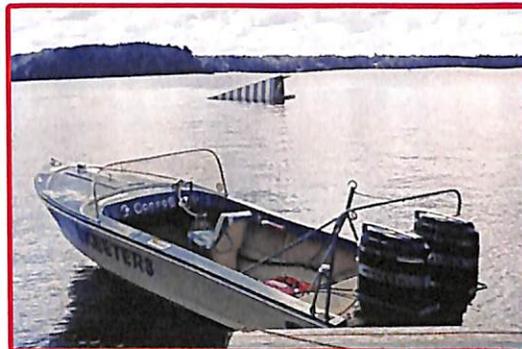

By 1962, the Skeeters had built their own jump and acquired lighting and public address equipment. These young talented water skiers were providing thrilling professional level entertainment for many summer guests and visitors. Along with top level ski shows, the club also concentrated on promoting water safety.

The first statewide barefoot tournament held in the U.S. was sponsored by the Skeeters in 1964...

The Skeeters won the team event and kept that title for the following five years. The Nationwide Publicity of this event established Manitowish Waters as

In 1967, at the first ever State Water Ski Show Tournament, the Skeeters emerged as State Champions. In addition, the Skeeters produced a National Barefoot Champion named Caleb Feireisen who was later inducted into the Wisconsin Water Ski Hall of Fame in the late 1990's.

Through the 70's and early 80's the Skeeters continued to provide entertaining shows. However, in 1987 the Skeeters were confronted with moving to a new site. With assistance from alumni members and town support the club was able to complete the transition to its present site.

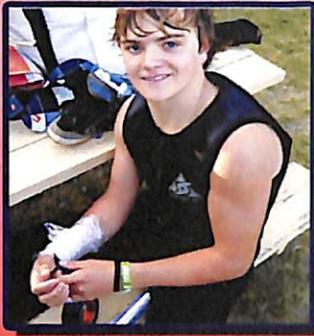

The success of the Skiing Skeeters is a fine tribute to the business acumen and imagination of its executive group, aggressive members and to the generous cooperation of local individuals and business owners who have contributed their advice, time, services, products, and money.

Please express your appreciation by donating and patronizing our worthy sponsors. The money collected today will be used for operating costs, equipment replacement cost; new equipment, gasoline, boat maintenance, etc.

***Without your support,
the show would not be possible.***

MW FIRE COMPANY TO BRING FIREWORKS BACK TO REST LAKE

Several years ago the decision was made to move the Fourth of July fireworks from Rest Lake to the MW Airport. Although the airport offered a nice wide open space to display the fireworks, MW is a town of the water. It is even in our name.

We are proud to announce that thanks to the extensive devotion of one man the fireworks are back where they belong...on Rest Lake

The Skiing Skeeters want to express a special thank you to the MW Fire Company, Bob Skrobot and the countless others, who helped to restore the Manitowish Waters tradition of having the Fourth of July fireworks on Rest Lake.

We wish everyone a safe and happy Fourth of July.

New Members Wanted

The Skiing Skeeters are always looking for new members. We are looking for skiers of all skill levels. Almost all new Skiing Skeeters are not as skilled as those you see in the show or on these pages.

The Skiing Skeeters are a teaching club. Each new member is encouraged to learn new acts and to improve their overall skiing skills. Experienced skiers are expected and encouraged to pass their skills to the next generation. Often Skeeter Alumni come down to practice and the shows. These alumni are always will to pass on their skills.

Even Joe (shown below) was not the exceptional skier he is today. You will see him performing one of the clubs hardest tricks, the backwards 360. But Joe was not selected after his first tryout. To this day he still has the rejection letter he received. It now hangs in our club house as a reminder of where we all started.

So if you're a complete skier, just starting out, you want to help on the docks or ride in the boats... We want you to join. Open practices and tryouts are every Monday evening. Come on down and see if you are Skeeter material.

Imagine yourself at a northern resort. What do you see? Tree's, beautiful lakes, private sandy beaches, and children playing? Maybe you see friends and family surrounding a campfire talking about the day's events. If you do, then you have just imagined your stay at Nitschke's Northern Resort.

Nitschke's Northern Resort blends the nostalgia of old-fashioned resorts with services and luxuries of the modern world. With all the amenities we offer including a large private sandy beach, playground, campfire pits, and more (see reverse), there is little need to leave for entertainment. But if you wish, we are just minutes away from local restaurants, unique shopping, and plenty of fun. If you are interested in more active adventures, the 21 mile-long Bearskin hiking/biking trail that connects to our property is perfect for the casual stroll or vigorous run.

And don't forget your boat! We are nestled on the famous Lake Minocqua and have plenty of docks (slips) available to use.

CABIN AMENITIES

- 3-7 Bedrooms
- Fully Stocked Kitchens
- 4-Piece Bathrooms
- Cabins Fully Furnished and Cleaned

SKIPPYSTRONG

On December 19th the
Town of Manitowish Waters
lost our Fire Chief.
Leonard J. "Skip" Skrobot Jr.

Skip was more than just the
Chief of the Manitowish
Waters Fire Company. He
was a well-respected man, a
Patriarch for our town and an
inspiration for all.

On our jump, and around town, you will see many
signs and stickers that read "SKIPPYSTRONG" These
are a tribute to Skip.

Skip will be missed by all. Not just his presence, but
also for his contributions to the town of Manitowish
Waters.
