Four Seasons

of fun

photo by Steven Bartling

When you visit Manitowish Waters, one common feeling is simply, "Ahhhhh." It's a place so far removed from city or suburban life that you really can escape from it all.

Whether you are here for a day, a week, a month, a season, or decide to make Manitowish Waters your year-round home, there is something fun to do no matter what time of year.

Summer

Bike the Heart! The Heart of Vilas Bike Trail System has attracted cyclists from all over the country to ride the 52+ miles of paved, dedicated bike trails. Or, skip the pavement altogether and ride the incredible WinMan Trails, a mountain biking paradise for all skill levels.

No bike, no problem! Rent an e-bike at River's Edge downtown kiosk

Hop in a kayak or canoe and paddle the 40+ miles of waterways starting on the Manitowish Waters chain of lakes, float down the Manitowish River, or explore the Turtle Flambeau Flowage, a pristine 13,000 acre lake. Along the way, hop out for a rest, a swim, or a snack.

Enjoy weekly events such as the free Manitowish Waters Skiing Skeeters waterski show on Wednesday and Saturday nights. The Skiing Skeeters have been delighting guests since 1954 and continue to wow guests with their lively shows.

The Manitowish Waters Lions Club hosts bingo every Monday at the Community Center, where all are welcome. Doors open and concessions begin at 6pm with games starting at 7pm.

On Thursdays from 9am-2pm, vendors at the Lions Flea and Farmers Market offer fresh produce, hand-made crafts, and flea type items for sale. Don't forget to grab a "World Famous" cheeseburger for lunch from the Lions' food truck.

If you love live music, then you simply must walk, bike, boat, or drive to Music in the Park, held every Sunday from 4-6pm in Koller Park. In addition, numerous local restaurants and taverns bring in talented bands and musicians from surrounding communities, and you can find live music 4-5 nights a week throughout the summer.

Fall

Fall is dominated by the most beautiful harvest in the world - cranberries! Deeply embedded in the history of Manitowish Waters, the cranberry harvest is one of the primary economic drivers of the area. Additionally, wildlife - and nature or wildlife photographers - flock to the cranberry marshes, which are especially magical in the morning.

Visit a working cranberry marsh to learn about the history, cultivation, and present impact of cranberries. Free weekly tours occur every Friday at 10am, from mid-August through early October at Cranberry Square Market on Alder Lake Road.

September and October are perfect for hiking, biking, paddling, and taking leisurely drives around the area. Fall colors are simply spectacular in Manitowish Waters, and everywhere you look there's a vista prettier than the last one.

Watch out for wildlife! As the leaves begin to fall, the forest opens up to reveal vast areas previously hidden by foliage. Keep an eye out for white tailed deer, turkeys, red foxes, coyotes, muskrats, otters, beavers, bald eagles, sandhill cranes, loons, trumpeter swans, ducks, and more. If you're lucky, you might even spy a black bear, a gray wolf, or an all-white albino deer.

Many people love to fish from opening day in early May throughout the summer, but muskie fishing is especially popular in the fall. Schedule a day with one of our experienced fishing guides and experience our lakes in a whole new way.

Families and friends have hunted in the Northwoods since the beginning of time, and the fall would not be complete without duck blinds, camouflage, and lots of blaze orange. With 43% of Vilas County designated as public lands, you have access to more than 240,000 acres of woods and wetlands to enjoy.

Spring

As the snow melts and spring rains pass through, swollen rivers feed some of the most impressive waterfalls in the Midwest.

As lake ice begins to melt and rivers quicken their flow, paddling the Manitowish River is especially nice in the spring. Bugs and people are few and far between, making it an incredibly peaceful time of year to explore the waterways.

Spring is also a great time to enjoy our indoor spaces – do some shopping, grab a coffee or a meal at one of our wonderful restaurants, treat yourself at the salon or spa, and relax with a puzzle or game from Koller Memorial Library (available to anyone, no library card required).

New in 2022, Manitowish Waters will have an indoor youth recreation center with basketball, hockey, table games, and more. This new facility is located next to Koller Library in the old fire house.

Winter

Winter is a bit of a hidden gem because Manitowish Waters has a reputation for being cold and snowy. With the right gear, however, winter just might become your favorite season in the Northwoods.

The Sno-Skeeters Snowmobile Club grooms and maintains more than 25 miles of pristine snowmobile trails, which are part of a larger network of more than 1,600 miles of trails in the Northwoods.

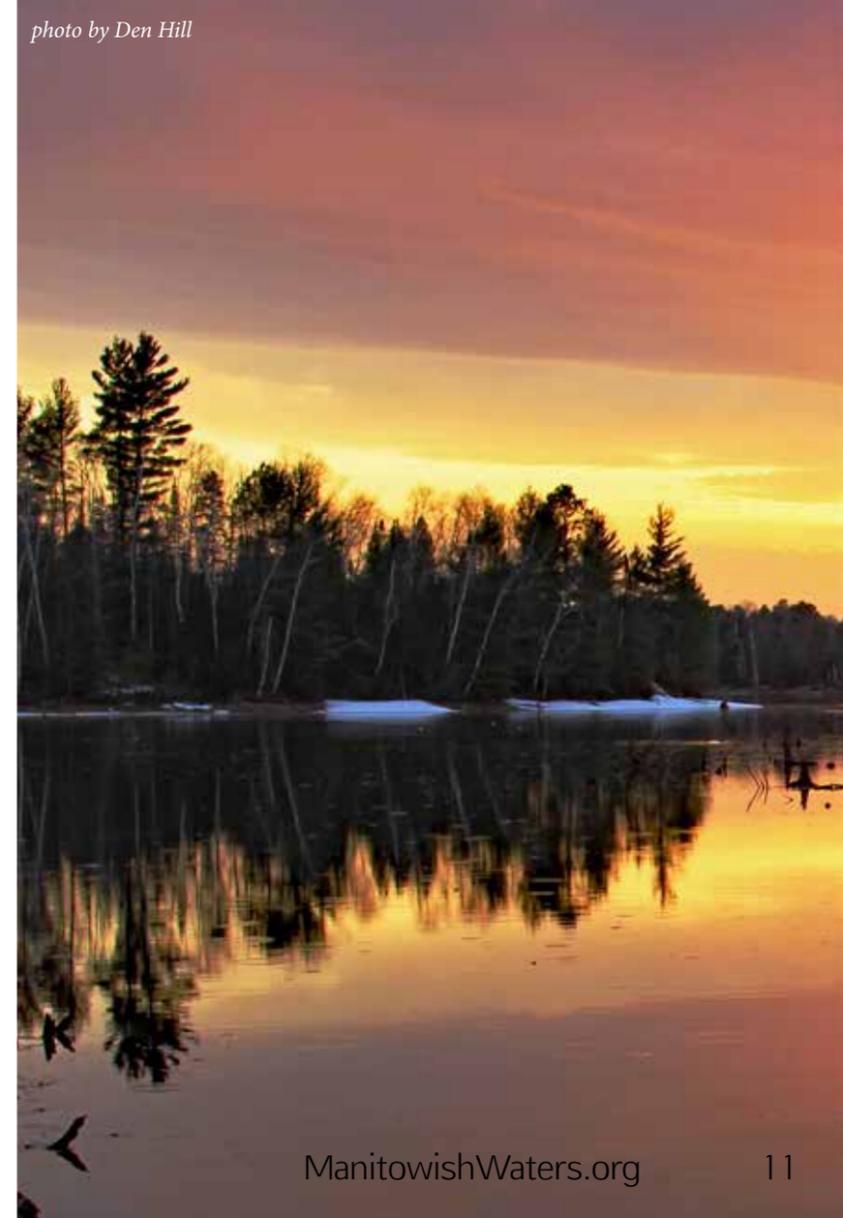

To move at a slightly slower pace, you can cross-country ski, snowshoe, or fat tire bike every day for weeks and not cross the same path twice. Head to the North Lakeland Discovery Center, Mecca Trails, WinMan Trails, Powell Marsh Wildlife Area, North Lakeland School trails, Van Vliet Hemlocks, and a brand new interpretative trail at Camp Mercer CCC Camp, for miles and miles of fun.

For ice skating and hockey enthusiasts, the hockey rink at North Lakeland School is the perfect place to spend a few hours. Don't have skates? No problem, simply borrow a pair from inside the warming hut, and warm up with a hot chocolate and a snack while you're there.

Within about an hour's drive, visitors to Manitowish Waters can access some of the best downhill skiing in the Midwest! With six ski hills to choose from (Big Snow Resort, Big Powderhorn Mountain Resort, Ski Brule, Pine Mountain Ski Resort, Mt Zion Ski Hill), you'll be whooshing down your new favorite hill in no time.

History of Manitowish Waters

Manitowish Waters has a rich history from our early Indigenous People, the logging drives, the railroads, fishing, the cranberry bogs, the infamous John Dillinger and much more.

The first inhabitants arrived about 10,000 years ago, with numerous indigenous cultures calling this chain of lakes home. The Lake Superior Ojibwa won the region from the Dakota Sioux in battle around 1745 and sought comfort on the eastern shores of Manitowish and Rest lakes.

Next to settle in the area were loggers who used the chain of lakes to float logs to sawmills. By 1887, a dam was built to hold lake waters in place to assist in logging and river driving. Remnants of the logging era are discoverable today below Rest Lake Dam and at the bottom of our lakes.

Beginning early in the 20th century, vacationers began to discover what is today Manitowish Waters, drawn to the area by the serenity, abundant fish and game, and access to pristine lakes and streams. Lodges began popping up, and some of the original buildings are still standing today.

Manitowish Waters has always been a home to travelers yearning to escape the roaring city life. This year, we invite you to slow down and take in all the beauty life has to offer. Share moments, share your path, and come make your own history that will last a lifetime.

Gather

retreats, weddings & events

Weddings

Whether you are dreaming of a rustic, camp-inspired wedding or an elegant evening under the stars, the tall pines and panoramic lake vistas of Manitowish Waters will create the perfect backdrop for your love story.

We are home to many unique properties that can accommodate an intimate gathering or a guest list of more than 250, with both indoor and outdoor ceremony and reception options. Many properties provide lodging on site, or take advantage of nearby hotels, resorts, and vacation rentals.

Plan to have your guests stay for the entire weekend to get the full "Up North" experience. Bike on our paved and mountain bike trails, cruise the legendary 10-Lake chain, fish, snowmobile, dine, and celebrate love.

Gatherings

In addition to weddings, area businesses can host your next corporate event, family reunion, or celebratory gathering. Escape the hustle and bustle of the city and reignite productivity at a business development retreat in Manitowish Waters. Choose from a range of facilities that offer high-speed Internet, on-site lodging, and in-house or catered meals.

Manitowish Waters is conveniently located on State Highway 51 and has its own airport, making arrivals and departures by private plane very convenient. Manitowish Waters is just an hour from Rhinelander-Oneida County Airport, making Manitowish Waters an ideal setting for your next company retreat.

Businesses that can help plan your big event include:

- Aberdeen Restaurant & Bar
- Blue Bayou Inn
- Camp Jorn YMCA
- Chippewa Retreat Resort
- Lake of the Torches Resort Casino
- Little Bohemia Lodge
- The Lodge at Manitowish Waters
- North Lakeland Discovery Center
- Vacasa
- Voss' Birchwood Lodge

Fun

for couples, families & friends

Couples

Whether celebrating a special occasion or simply planning a quiet getaway, it's hard to beat the serenity of Manitowish Waters. Rent a cozy cabin on the water or tuck yourselves away in the woods. You might not see another person for days unless you really want to.

If you're feeling adventurous, catch an historic World War II biplane ride together to get a birds-eye view of the Chain. Or, peruse the galleries of our local artists and photographers on Alder Lake Road. Afterwards, grab a glass of wine and scrumptious meal at one of our local restaurants for the ultimate Up North fine dining experience.

If you're really feeling lucky, hit up the casino at nearby Lake of the Torches in Lac du Flambeau. No matter what you like to do, you can find romance, fun, and entertainment with your loved one in the Northwoods.

Families

It's tough to beat the days of simply relaxing on the dock or playing in the water. When your family is ready to take a break from the lake, there are wonderful places to let loose and go a little wild.

The nature playground at the North Lakeland Discovery Center is simply awesome, or visit the Koller Library, where you will find movies to rent, board games to play and books for all ages

Check out WinMan Trails for family fun no matter the season. Fat tire biking, hiking, cross-country skiing and snow shoeing. WinMan has it all for the family.

Enjoy the day outside by visiting the four outstanding parks of Manitowish Waters. Each offers a wide variety of activities suitable for all ages. Three of the parks are easily accessible by either land or water and the fourth is conveniently located at the Community Center.

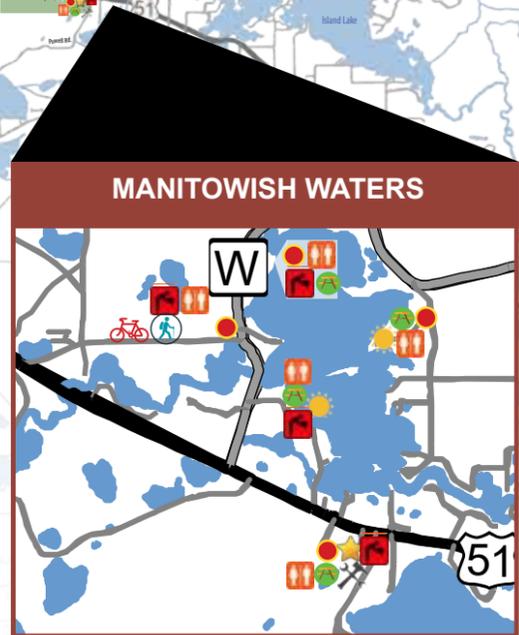

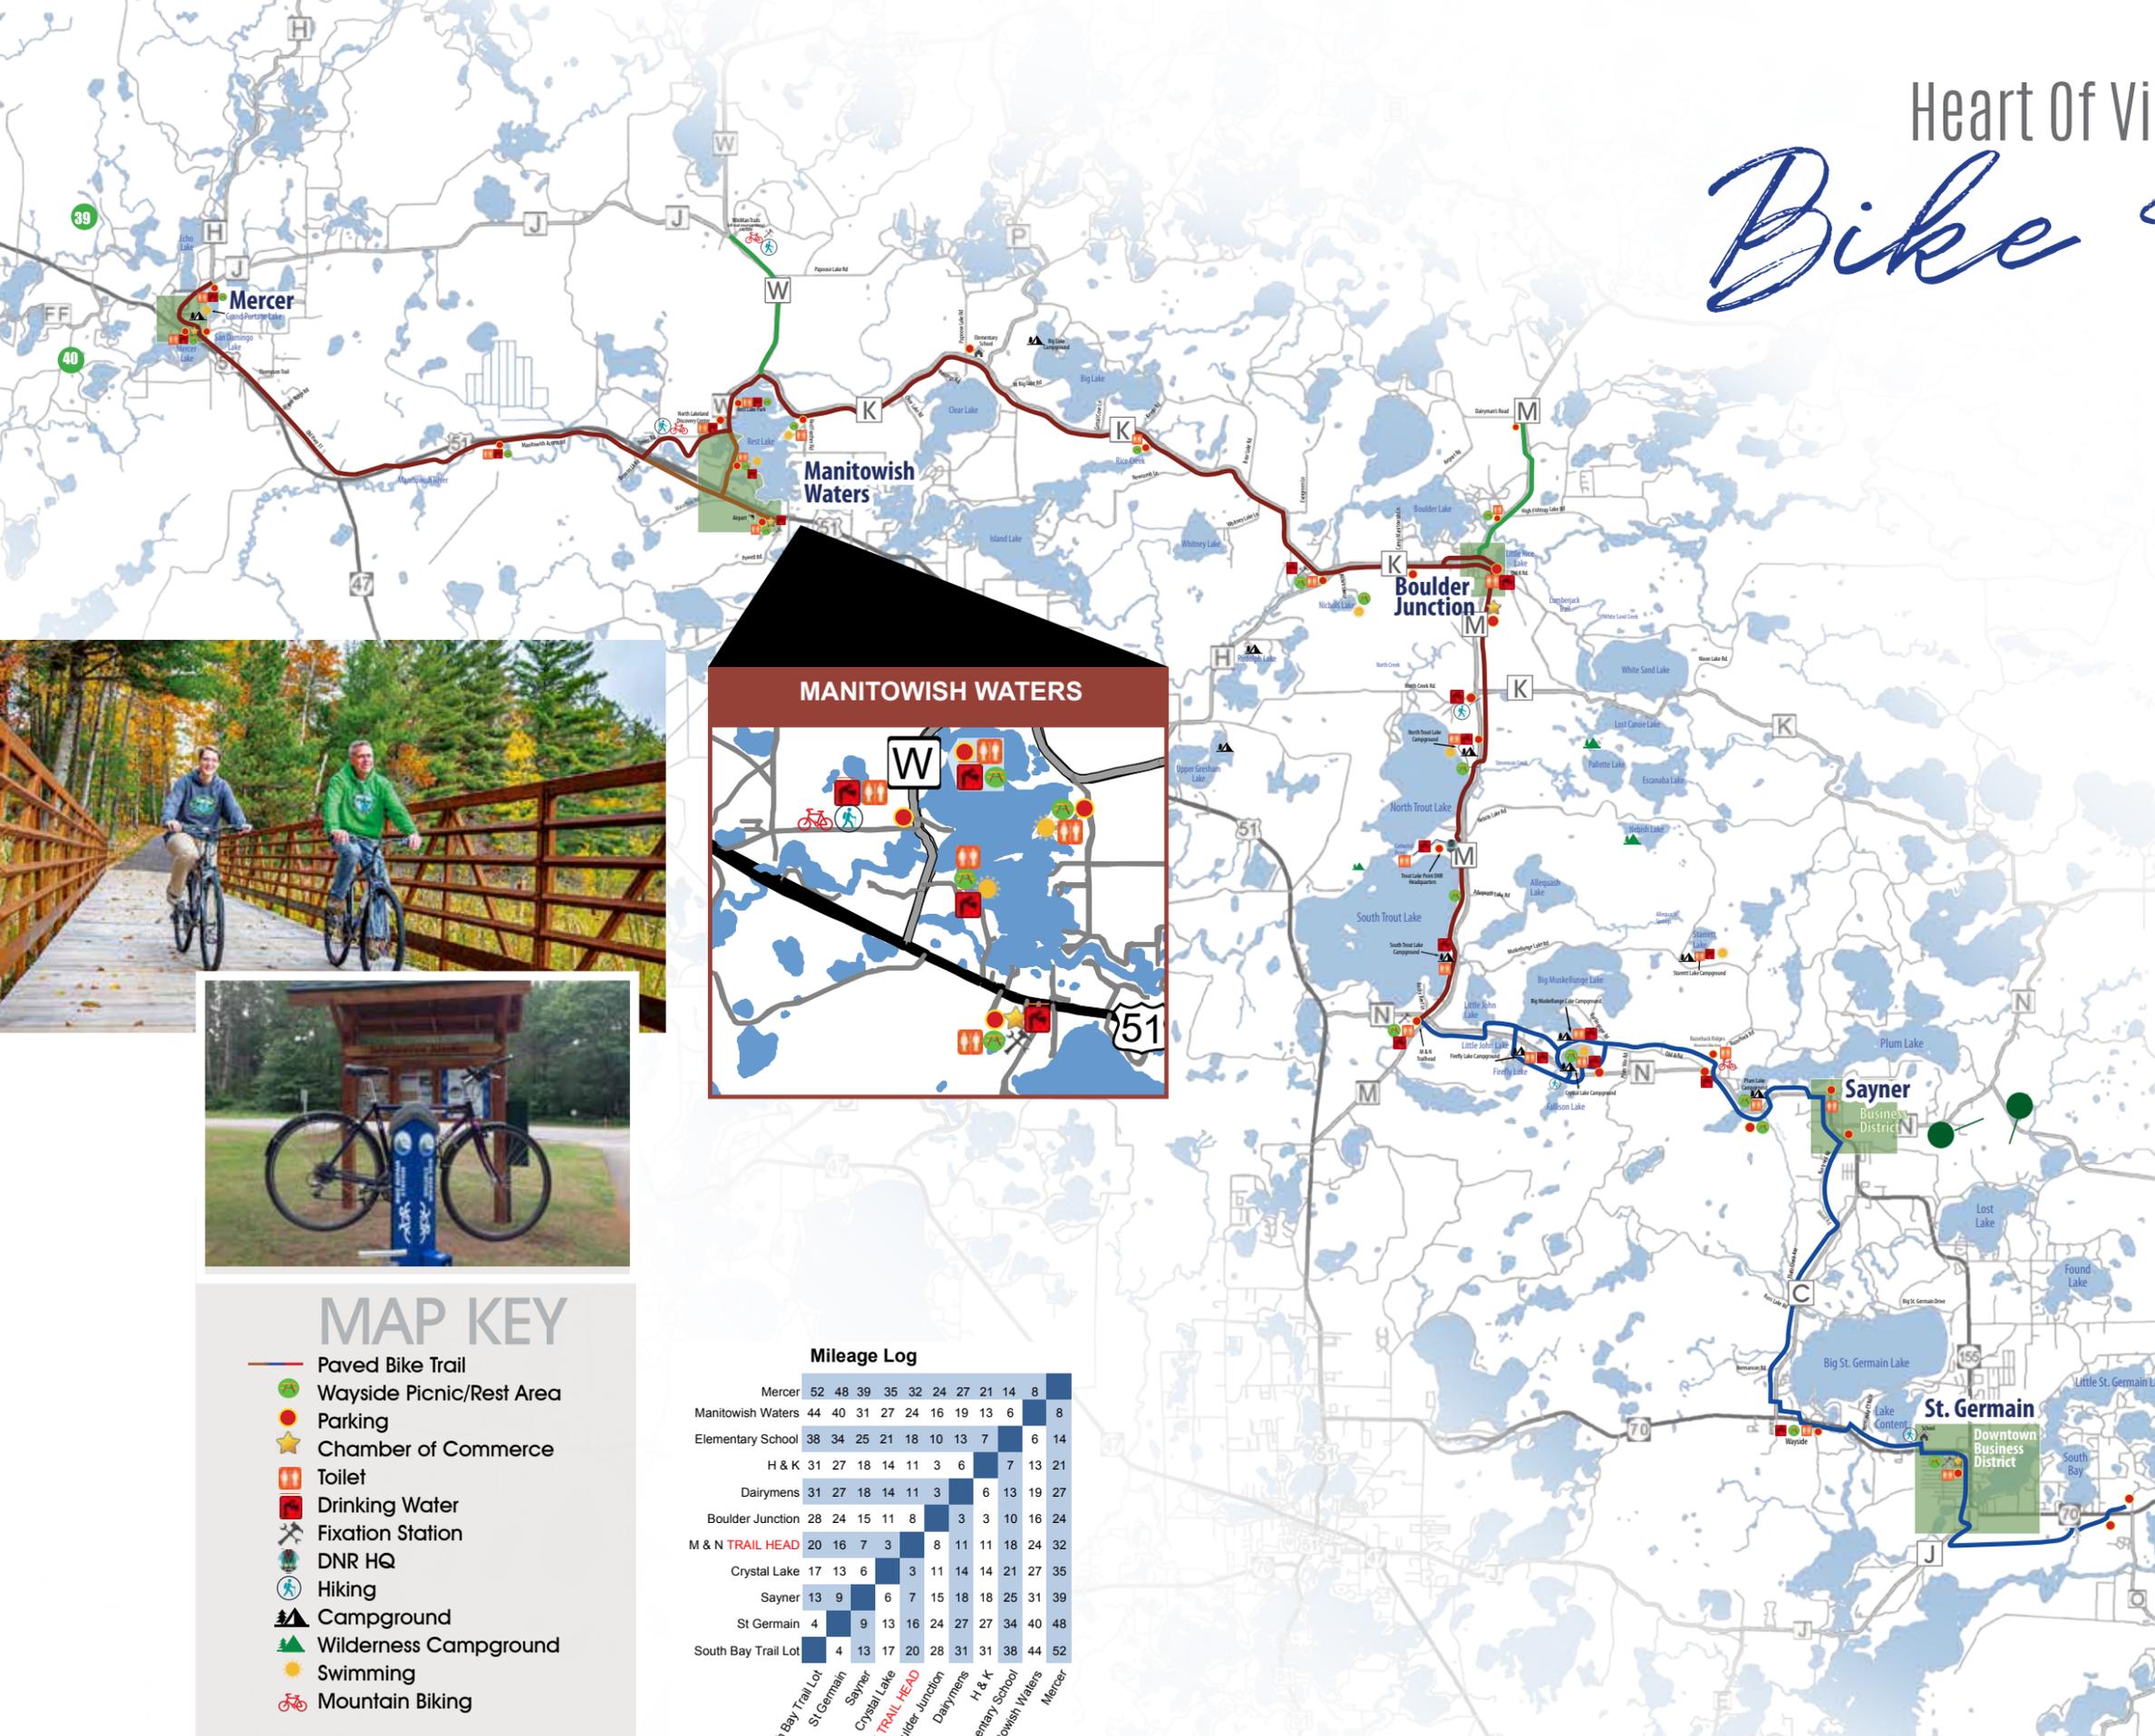

Friends

Round up your favorite people and go where the wind blows you. For an active group, walk or ride the bike paths as far as your feet will take you. The scenic views and relaxed atmosphere will melt all your worries away.

When you get back to town, visit the wonderfully unique boutiques to pick up a gift for someone special. When you're finished with your shopping, grab a drink and a bite to eat in one of the fine downtown restaurants.

Explore on land

Trails, trails, and more trails. Within the boundaries of Manitowish Waters, there are countless miles of trails for hiking, biking, snowshoeing, and cross-country skiing.

The 52-mile Heart of Vilas Bike Trail goes right through downtown Manitowish Waters and connects a total of 5 towns: Mercer, Manitowish Waters, Boulder Junction, Sayner/Star Lake, and St. Germain.

These dedicated bike paths have become well-known in the biking community and attract visitors from all over the country. Riders flow in and out of the towering pine trees, skirting lakes and going over beautiful rivers. Recently designated as a National Recreation Trail, the Heart of Vilas Bike Trail continues to grow since the first mile was paved back in 1998.

Right off the paved bike trail on County W, the North Lakeland Discovery Center (NLDC) offers 12 miles of maintained trails for hiking, birding, snowshoeing, and off-road biking. Make plans to attend a naturalist-led program, or learn about the fascinating history of Manitowish Waters with a joint NLDC and Manitowish Waters Historical Society program.

Continue heading west on Hwy W and you'll eventually reach WinMan Trails. With over 20 miles of mountain bike trails, hiking, snowshoe, and cross-country ski trails, you can spend days out at WinMan and always see something new. Well-behaved dogs are always welcome to enjoy the fresh air as well.

This year, a new interpretive trail will be open to visitors. Signs along the trail tell the story of the history of Camp Mercer, a Civilian Conservation Corps camp. The camp was built beginning in 1933, and today hikers or snowshoers can meander the 3.5-mile mowed trail, view ruins and remnants of old buildings, and discover something new about this fascinating time in the history of Manitowish Waters.

Winter Trail Experience

Winter brings a whole new experience to the trails. The Sno-Skeeters Snowmobile Club grooms and maintains more than 25 miles of pristine snowmobile trails, which are part of a larger network of more than 1,600 miles of trails in the Northwoods. The club promotes safety and trail enjoyment, and for all these reasons, Manitowish Waters is truly a snowmobiler's paradise!

North Lakeland School offers 6 miles of flat, groomed ski and snowshoe trails. Park near the warming hut just off of Papoose Lake Road, and help yourself to a cup of coffee or hot chocolate.

Explore on water

One of the most important features of Manitowish Waters is, well, the water! Crystal clear lakes and pristine rivers form the foundation of the town's identity. Bring your boat, or rent one when you get here and explore a different lake each day. Whatever vessel you choose, be sure to allocate plenty of time to cruise the 10 lakes of the Manitowish Chain.

Each lake has its own personality. The bustling energy on Rest Lake welcomes boaters to watch a Skiing Skeeter show on Wednesday and Saturday nights, or toddle over to Koller Park and listen to a Sunday afternoon concert at Music in the Park.

Manitowish Waters is home to a number of fine restaurants—from a coffee shop with a scenic view, to the lakeside patio atmosphere, to the classic Northwoods super club. In the summer, enjoy a slow boat cruise to dinner on a lakeside patio. In the winter months, take a snowmobile ride over nicely groomed trails and frozen lakes to warm up with a bowl of chowder and a hot drink. And don't leave town before enjoying the area's classic Friday Fish Fry.

Before you go anywhere on the Chain, be sure to pick up a waterproof Water Safety Map at an area marina, bait shop, or the Chamber of Commerce.

If you're interested in exploring an area that's a little less traveled, check out the Manitowish River, a wild and beautiful stretch that invites paddlers and floaters to relax and enjoy the view. Put in your kayaks, canoes, or tubes and go out for a few hours. Or, go for a few days and include a camping component in your adventure.

Several local outfitters have gear rentals and advice on where to put in, how far to go, and how to best shuttle your vehicle and/or stuff.

The Path less taken

In the mood to explore the path less taken? You're in the right place. A primary reason visitors return to Manitowish Waters year after year, is that there is space to roam and plenty of room to stretch your legs.

Fishing

There are few activities more serene, and yet more exciting, than fishing our incredible waterways. It's an all-season sport, drawing thousands of anglers to our pristine waters, chasing monster muskie, scoping out where the walleye are hitting, and hunkering down over an 8-inch hole drilled in the lake ice. You might even spot a slow-moving fisherman, stealthily making their way along the water's edge, hoping to not spook that record trout.

Scores of lakes, rivers, and streams await you—4,265 acres of water to be exact, including our "Legendary 10-Lake Chain." Most lakes have either state- or town-owned public fishing piers and landings for easy access. Remember to purchase a fishing license before you hit the water and brush up on the rules and regulations for water safety.

If you're fishing our waters for the first time, or if you've fished for some time and gotten skunked, chances are you might need a little help from an expert. Contact one of our experienced guides and let them do the heavy lifting for you.

MUSKELLUNGE

A lean, hard-muscled fighter that reaches a maximum length of over 5 feet and a weight of almost 70 pounds.

NORTHERN PIKE

Pike attain lengths of as much as 50 inches and the record Wisconsin fish weighed 38 pounds.

WALLEYE

The largest member of the perch family grows to lengths over 30 inches and the record Wisconsin fish weighs 18 pounds caught in High Lake.

LARGEMOUTH BASS

This largemouth grows to a weight of 11 pounds and a length of about 24 inches.

SMALLMOUTH BASS

An average smallmouth weighs between 1 and 2 pounds, measures about 12 inches and is considered the scrappiest fish of all.

BROOK TROUT

This brightly colored fish is native to Wisconsin's streams and feeds on stream insect larvae but will readily take baits such as worms, minnows and chub tails.

YELLOW PERCH

They move about in schools, often numbering in the hundreds. The perch is primarily a bottom feeder and has a slow, deliberate bite.

BLACK CRAPPIE

An excellent game fish when taken on light tackle, the crappie may grow to a length of 18 inches.

BLUEGILL

Labeled a "panfish," the bluegill is almost as deep as it is long. Length sometimes reaches 10 to 12 inches and weights up to 2 pounds.

continued from page 26

Birding

One of the greatest things about Manitowish Waters is that you don't have to go anywhere to spot a variety of birds — just sit quietly on your patio and listen carefully. Chances are you'll be rewarded with the enjoyable sights and sounds of the Northwoods, right at home.

To increase your odds of spotting some iconic species such as eagles, ducks, cranes, and warblers, start at the North Lakeland Discovery Center. Twelve miles of wooded trails and a lake provide excellent birding habitat and views. Interpretive signs, a nature center, and naturalists on staff can help you learn about what you're hearing and seeing.

South of town, Powell Marsh State Wildlife Area is an exceptional bird viewing area, and is unique in its wide open, wetland habitat. It's a stark contrast to the towering pine trees of much of the rest of the area. North of town, the Van Vliet Hemlocks State Natural Area offers a beautiful and serene walk for birders and non-birders alike. Little Turtle Waterfowl Management Area is another good option for viewing.

All of these trails are easily hikeable during the summer, and are accessible during winter months with snowshoes or cross country skis.

Road Trips

While very few things are available 365 days a year, one exception is taking a road trip. Pack some snacks and plan to make a couple of stops along the way for photos, food, or beverages at a local watering hole. Driving the winding country roads is fun and beautiful any time of year, but is especially breathtaking during the fall. For peak color tours, plan a visit in late September or early October — you will not be disappointed!

Sample driving tour - 44 miles

From downtown Manitowish Waters, head north on County W through Winchester and into Presque Isle. When County W meets County B, turn right on B and travel to County M. Turn right (south) on M and travel into Boulder Junction to County K. Continue left on M if you wish to explore the community of Boulder Junction, or turn right on County K to return to Manitowish Waters. County K ends at County W. Turn left on W to return to downtown Manitowish Waters and US Hwy. 51.

photo by Rylie Cibelle

Somewhere between relaxation and adventure is a must-do in the Northwoods — visiting some of the Midwest's most beautiful waterfalls. Below are a few popular falls to get you started, but there are dozens more to explore within an hour or two of Manitowish Waters.

Biggest bang for your buck

The five waterfalls along the Black River near Bessemer, Michigan, are tough to beat. Ample parking and short trails (less than a mile) welcome visitors of all ages and abilities. While most access paths have quite a few stairs, Potawatomi Falls is stroller and wheelchair accessible. To get there, follow signs from Route 2 in Bessemer to the Black River Scenic Byway. The waterfalls and parking areas are well marked.

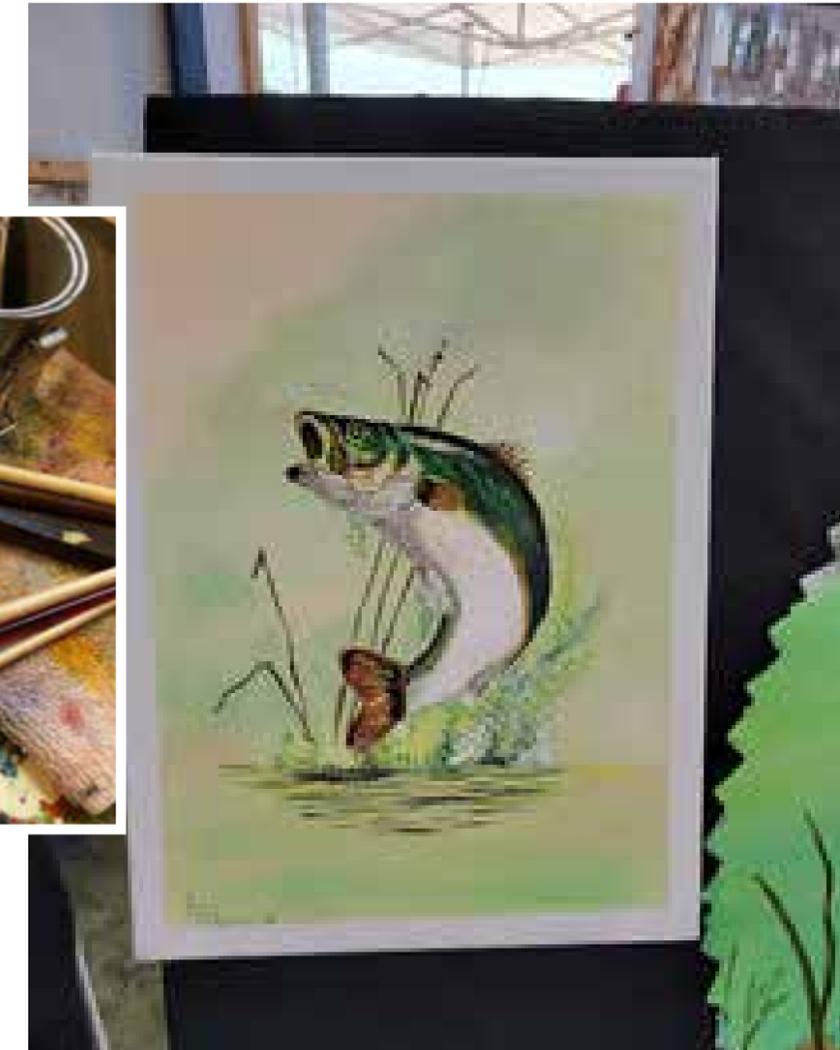

Biggest and wildest

Potato Falls in Gurney, Wisconsin, is huge and roaring, dropping a total of 90 feet into the Potato River. Visitors can explore the rapids from multiple viewpoints, and during times of lower flows, might even explore in the gorge itself. Gurney is on Hwy 169, about 12 miles northeast of Copper Falls State Park and about 3 miles south of US 2.

Visit www.manitowishwaters.org for more information.

Art Scene

One needs to look no further than the beauty of the Northwoods to understand why there are so many talented artists, art shows, tours, and other creative activities offered. Residents and visitors alike can find camaraderie and fun in countless creative ways.

The Manito Art League is dedicated to promoting the arts and art education in the Northwoods, and offers many opportunities for its members, student artists, and the public. Regular meetings and workshops are held from May through October, with topics such as screen printing, using alcohol inks, making paper, acrylic painting, basketry, and so much more. Everyone is welcome!

Special art events include the 57th annual Manito Art League Show, held at the Manitowish Waters Community Center from July 15-17. Featuring the work of more than 200 Northwoods artists, this juried show is always inspiring.

The Northwoods Art Tour, in its 23rd year, offers an inside look at artists' working studios and galleries. Visit northwoodsarttour.com.

Throughout the summer and early fall, join the Northwoods Outdoor Artists. From June through October, this group meets to paint or draw outside "en plein air" on Thursday mornings, from 8am to noon. The locations change each week, so sign up to keep posted on locations by emailing northwoodsoutdoorartists@gmail.com.

Local art galleries offer creative Northwoods gifts as well as art. Manitowish Waters features six studios/shops on Alder Lake Road.

Opportunities abound to gather, create, and celebrate art! For more information, visit manitoartleague.org.

Cranberry harvest

One of only three fruits native to North America, the cranberry is one amazing berry and an economic boon to the area. They were originally named "crane berries," as their blossoms closely resemble the head of a Sandhill Crane.

Contrary to popular belief, cranberries grow on low, dry, woody plants. Water is used during harvest time to help float the hollow berries, making harvest much easier. The water used for harvest comes from nearby lakes, and is returned to the lake cleaner than when it started due to the natural filtering capabilities of the marshes.

What started with five families digging marshes and building roads in the mid-1940s has expanded into six farms totaling 650 acres of cranberries. This small but mighty industry in Manitowish Waters produces about 15,000,000 pounds annually, employs 30 full-time employees, and brings in an additional 50 employees for the harvest.

Fun Facts

Harvest lasts about 5-6 weeks from early September through mid-October.

95% of cranberries are used for juice or sweet and dried cranberries, leaving roughly 5% harvested for fresh fruit.

Wisconsin growers account for 60% of the world's cranberry harvest and contribute \$3 billion annually to the state's economy.

Relocate to Manitowish Waters

If you've ever sat on the dock and thought, "I wish I could just move here," you might be in luck.

The Northwoods truly values "supporting local," whether it be the local businesses or the many nonprofit organizations. A vibrant culture of philanthropy and dozens of volunteers work to ensure that area children and families have what they need to survive and thrive.

Manitowish Waters also boasts the comprehensive Frank B. Koller Memorial Library, open six days a week. The library offers workers and learners of all ages a variety of resources, including computers, printers, free 24-hour Wi-Fi, and unique programming.

If you have children, Camp Jorn YMCA offers top-notch childcare and summer camp for children of all ages. North Lakeland School is a well-supported and highly regarded public 4K-8th grade school. And, within a short driving distance, residents can access high quality medical care and services in nearby Minocqua, Eagle River, and Rhinelander.

Contact a realtor today and find out why Manitowish Waters really is THE best place to live, work, and play.

MANITOWISH WATERS, WI

ABERDEENDINING.COM

Your travels have taken you this far, and exploring our pristine woods and water has filled your day. Now it's time to gather around for dinner at a local restaurant to connect with friends and family. The possibilities are many!

Veteran visitors to Manitowish Waters know this community is home to not only the Manitowish Waters' Legendary Chain of 10 Lakes, but also home to a number of fine restaurants -- from a quiet coffee shop with a scenic view, to the lakeside patio atmosphere, to the classic Northwoods supper club. Sit back and enjoy as the local cuisine will reward you with a delightful evening that will have them sighing with satisfaction.

While this is the Northwoods, we boast both traditional and specialty menus. Our chefs bring you their best, whether it's catfish en papillote, beef Wellington or pan-fried walleye, along with homemade desserts such as crème brûlée. Fine wines, craft beers and specialty cocktails complement the dining experience.

Enjoy our wide array of dining experiences, like one of our traditional Wisconsin supper clubs featuring an appetizer tray, slow roasted prime rib and old-fashioned cocktail. Come as you are for a casual, relaxed lunch at one of our family friendly restaurants for a tasty burger and fries or delicious pizza. Celebrate a milestone over a five-course meal beginning with a champagne toast and ending with bananas foster prepared tableside. And don't leave Manitowish Waters without enjoying the classic Friday Night Fish Fry.

We have more than 10 lakes in our township, so it's quite possible to travel by water to some of our restaurants and taverns. In the summer, enjoy a slow boat cruise to dinner on a lakeside patio. In the winter months, add a few more layers for a snowmobile ride over nicely groomed trails and frozen lakes to warm up with a bowl of chowder and a hot drink.

Bon appétit.

It was 88 years ago when the Dillinger Gang eluded Melvin Purvis and Hoover's newly formed FBI in a hail of gunfire at the shootout at the Lodge. The release of the Hollywood production "Public Enemies" in 2009 documented the great chase and spectacle that was the Dillinger Gang and which formed the modern day FBI that

we know today. Please stop in at the Lodge to see artifacts from the Lodge's place in history as well as the Hollywood production. Here's your chance to observe an intense moment in American history in the unique setting known since the '30's as Little Bohemia Lodge.
