Dear Joe,

April 19, 1978

I have checked the Official Catholic Directory for the information you requested the other day.

Baltimore was established a Diocese November 6, 1789; an Archdiocese April 8, 1808.

Regarding the Archdiocese of Portland: "Erected as a Vicariate-Apostolic December 1, 1843; created Archdiocese of Oregon City July 24, 1846; name changed by Papal decree to "Archdiocese of Portland in Oregon" September 26, 1928."

I have told Archbp. that you are considering requesting that the St. Paul Parish site be declared a national historical monument.

And I have told him that you now have a phone at the post office!

Carol
