

W. A. A. Meeting Class of 1948

WAA plans to have a bigger and better organization in '49. At the closing meeting, May 20, 1948, plans were discussed that would make WAA one of the outstanding organizations on the campus next year. The first project for next fall will be to raise money to sponsor a play-day for local high schools. This play-day would benefit not only WAA, but would also bring prospective Ashland Students to the campus.

The club is also looking forward to many more social meetings, hikes, parties, and much more team competition in intramurals.

During the past year, WAA played host to Wooster's Girls' Basketball team and the club hopes to further their relations with Wooster, and several other colleges who might be interested, in the future.

The new officers of WAA are as follows: President, Pat Matthews; Vice-President, Jo Lowery; Secretary, Velma Brownson; Treasurer, Ruth Cabbage; Recording Secretary, Wilma Berger; Publicity, Jean Hess. The Managers are: Basketball, Carolyn Bixler; volleyball, Marilyn Rice; softball, Pat Russell; individual sports, Pat Dovey; hockey, Elsie Earl, hikes, Rae Musser.

Attention Vets

Veterans who plan to attend Ashland College for the summer session must contact the Veterans Coordinator for enrollment or re-enrollment requirements. No veteran will receive subsistence payments for summer school attendance unless he has taken positive action to see that the proper authorization papers have been sent to the Veterans Administration by June 12, 1948.

Summer school students will be notified by letter from the Veterans Administration Regional Office, Cleveland, Ohio, of their eligibility to subsistence allowance according to the provision of Public Law 512.

Convo Chapel

Dr. Maurice Newkirk delivered the address at the Convocation Chapel on May 19 at the First Brethren Church. The subject of Dr. Newkirk's address was "For Themselves Only."

The program was highlighted by Dr. Newkirk's second appearance before the student body this year, an impressive processional and recessional, an excellent rendition of "Hear My Prayer" by the Chapel Choir, and announcement of the scholarship awards for 1948-49.

Recipients of awards for next year were announced as follows: Seminary — Elkhart to Glenn Shank, Smithville to Margery Long, Wertman to Harold Huse, Miller to Lyle Lichtenberger, Bundy to Mary Gilmer, Lake to Wanda Beal, and Christian Endeavor to Donald Huse. Liberal Arts—John Myers to Betty June Myers; and John Koons; Lichty to Esther McDanel; Scribes to Russell Stuckey; Rutt to Dale Hobson; Tombaugh to Margaret Neighbors; Shively to Joanne Rupert; Emma Grady to Page Mercer; Wm. Grady to Richard Hess; and Helen Jordan to Lois Coleman.

Elizabeth Boardman Richmond was inducted into the Gamma Alpha Kappa honorary association. She was awarded this honor for maintaining a 2.6 grade average throughout her college career.

Cabinets Installed at Inauguration Chapel

Ashland College's annual Inauguration Chapel was held May 12 in the gymnasium with Paul Clapper as acting chairman. At that time the installation of newly-elected club presidents as members of the 1948-49 Student Council took place.

Student Government was the subject of an address delivered by Dr. R. W. Bixler. He traced the rapid growth and development of student leadership on the campus in the past few years. Self-government in colleges has proved beneficial not only in aiding fair administration on the campus but also in preparing students for adult leadership, concluded Dr. Bixler.

Paul Clapper, retiring Council president, then reviewed the achievements made at Ashland College during the past year. After declaring his appreciation to the 1947-48 Council and all who worked in cooperation with the group, Paul expressed confidence in the success of the new Council. The retiring President then formally presented the official gavel to President-elect Sam Davis.

The new President set forth the aims of the Student Council for 1948-49 and pledged the best of student government for the coming year.

At the close of the assembly the retiring presidents introduced the newly-elected organization presidents to the student body.

The club cabinets for next year are announced as follows:

MAY DAY SERVICES

The May Day week-end was brought to a close with services at the First Brethren Church.

A capacity audience enjoyed hearing the A Cappella Choir sing the negro spiritual "Good News," "Credo" by Gretchaninof, and "Alleluia" by Thompson.

The choir was again under the able direction of Dr. Louis E. Pete.
