

SONS OF THE PINES

Cheerio fellows! Another school term, another victory, which all adds up to two things final victory and above all it means the homecoming of all the servicemen, sooner or later. (We all hope it's sooner). We hope you are planning to come back to Ashland College because it will be wonderful to have you back on the campus again. We already have many of our servicemen returning. I'll have a full report on them next issue.

We dust off our welcome matt and lead you into your cheery college home. Let me extend that hearty "welcome back" to Tony Lonerio, ex-Lt. of the Navy. He was discharged August 14, 1945 and is going to coach football and basketball this year. He entered the Navy in '42 as a physical education instructor and later in Hawaii had charge of loading supplies for other theaters of war in the Pacific.

I see by our Ashland College Service History book; Adrian H. Amstutz, class of '36, is on the U. S. S. Zebra; Bob Archbold St/c

is stationed somewhere in Alaska; S/Sgt. Joe Askey served in Army Air Force as a Radio operator from June 28, 1940 until June 1, 1944. He now has an honorable discharge and is an employee in the Seattle Shipyards; In July Lt. Bob Barnhill was at Lincoln, Nebraska, for combat training; M. M.2/c Neil Bennett was in the Australian Area in June; Last we heard Pfc. Jack Caine, a paratrooper, had a San Francisco APO; Pfc. Paul A. Carl who was in New Zealand early this year now has an honorable discharge. It was received in August; T/Sgt. Paul Chorpening is a Radar Maintenance man with a Signal Aircraft Warning Co. and has been stationed in the Aleutians for the past 23 months; S1/c Jack Clapper has been transferred from California to Norfolk, Va.; Max J. Clark is an instructor in a Small Business class in the Army's I. & E. unit school now being operated in Bremen, Germany; Cpl. Bob Cupp 15121964 has a new address; Squadron R-Brks 588, Chanute Field, Ill.

New Series Open On October 29

MacDowell Auditorium will be the place; Six superb performers will be the attractions; Monday evenings will be the time; and the students and faculty of A. C. plus the outsiders will be the audience. Audience for what? Why the Concert Lecture Series, of course. The series have been arranged so that there will be three numbers each semester. The committee has gone "all out," and brought in two musical numbers and one lecture for each semester.

The first on the program is the internationally known Negro tenor Roland Hayes, who will appear in Ashland next month on October 29. In December the famed N. B. C. Commentator Robert St. John will make his appearance. Students will be given a chance to ask Mr. St. John questions.

The remaining programs will be in January, February, March and April. Eugene Istomin talented young pianist of college age will be one of the performers, as will the beautiful soprano Nan Merriman.

Talent from outside the United States comes to Ashland with the appearance of Arthur Le Blanc, an up and coming, young Canadian violinist. The last in the series will be a scientific lecture by some well-known scientist.

Congratulations Scholarship Winners of '45

The Endowed Scholarships have been awarded to the following twelve people:

Name	Scholarship	Rank	Amount
Barbara Hulit	John Lichty	Junior	\$ 60
Grace Phillips	John C. Myers	Senior	\$100
