## PRESIDENT'S MESSAGE

It has been our usual practice to send *The Whistlestop* to three groups of persons. The first consists of those who have made a major contribution to the Depot Restoration program, and whose names appear on the plaque in the lobby. The second group includes those who are Depot members or contributors to the Life Endowment plan, and the third includes persons who in the past, have evidenced interest in the Depot or the Depot Restoration program, but are not currently members. We cannot continue to send *The Whistlestop* to those in this third category, and consequently if you would like to continue receiving our newsletter, join up . . . for \$15 or more (tax deductible). The "more" can include any amount. Of course, \$1000 or over represents a life membership, and these would be most welcomed! So please fill out the coupon appearing later in this issue.

## "CHRISTMAS EVE AT THE DEPOT"

'Twas the night before Christmas' and all around the Depot grounds the sounds of glorious yule music was heard by over 300 visitors. As a public service, Southwest Heritage presented talented Naples Players in a two-part musical.

The full moon hung over the tiled Depot roof and gazed down on the 'stage' along the ramp - well banked with real evergreens. The air was brisk, people came bundled up, and departed an hour or so later filled with a real Christmas spirit.

Connie Moser, Shirley Johnson, Dr. Ed Gammon and many, many other Player members shared their talents for a beautiful affair!

## 4th ANNUAL "RAMBLE"

On Sunday morning, February 15th Southwest Heritage again has planned a free outdoor 'AFTERNOON FOR THE ARTS'. Over 90 crafts people and artists from Collier County and Bonita Springs area have signed up for available spaces.

The range of crafts and types of paintings that can be admired and purchased are myriad. Local musical groups provide entertainment and participants are Barbershoppers, Sunshine Shufflers, a German Band, the Bonita Springs Community Chorus, and the Mortland Duo.

Parking will be available at the Southeast Bank across 5th Ave. S., and other areas. This 'GALA' has become a 'SPECIAL' provided for by the Civic/Cultural Center—the Depot. DON'T MISS IT! Over 4000 visitors enjoyed the RAMBLE in 1980!

## NEWS FROM THE GARDEN CLUB

Mrs. James Freyermuth (Esther), immediate past-president of the Naples Garden Club, has been elected to a two-year term as Director of District IX of the Florida Federation of Garden Clubs, Inc. This honor came at the District IX meeting on October 16th in Arcadia.

District IX is a seven county administrative area in Central and Southwest Florida. It comprises 51 clubs, 29 circles and 2464 members. Mrs. Freyermuth will be installed at the Annual State Convention in Miami in May.

On Monday, Feb. 2nd our monthly membership meeting will feature a Mini Flower Show.

The Godfrey Patio Garden has been replanted under the supervision of Virginia Pollock of the Horticulture and Elizabeth Woolverton of the Civic Development Committee. Crown of Thorns and Shore Juniper within a low hedge of Japanese Boxwood constitute the basic pattern for this bed.

On Monday, Feb. 16th at 10:00 a.m. there will be a Horticulture Workshop at the Depot. Mrs. Lawrence Moore is chairman. There will be a Plant Exchange and a Plant Clinic with Mr. Carlton Fenalson as guest speaker.

Thanks to many of the *Whistlestop* readers and to our members the Florida Flower Arrangement Calendars were an early sell-out.

The Annual House and Garden Tour (Hibiscus Holiday) scheduled for Saturday, Feb. 28th, is our real Ways and Means activity. We again ask the *Whistlestop* readers and all Friends of the Depot to visit the five beautiful homes and gardens that will be open to ticket holders. Tickets are five dollars each and will be available at the Depot and at designated local locations.

The Annual Flower Show to be held at the Depot on April 11th and 12th, is a community service and open to the public without charge. Already plans are underway for this outstanding event.

During January, under the leadership of Margaret Dodson, a series of six Flower Arrangement Workshops was held. The committee made this a thorough course in fundamentals. Each week three qualified instructors demonstrated various phases of the art. The course was limited to 25 members only.

The instructors were:

Jan. 12th - Helen Burnham, Miriam Berg and Virginia Ricker  
Jan. 19th - Mary Purcell, Margaret Dodson and Peggy Myrick  
Jan. 26th - Kathryn Werber, Kathryn Cain and Ruth Lawson

On Jan. 13, 20 and 27 the students created designs as suggested by and with the assistance of the above committee.

## GALLERY EXHIBIT

For the first three weeks in February, we will have two of the traveling Ringling Museum's exhibits: "American Art of the 30's and 40's" and "Book Arts". The first mentioned will prove nostalgic for most of our viewers and the second is a small but delightful collection of literary characters depicted by such artists as Oskar Kokoschka, Piranesi, Andre Derain, Delacroix, and William Blake.

## The 'END OF THE LINE STORE' (at the Depot) and the 'ANNEX' (947 4th Ave., S.)

These quality re-sale stores support the maintenance costs of Depot operations and are dependent upon contributions of tax-deductible and consignment nature.

The renovated baggage car, east of the Depot complex, is unique and specializes in the NEW, NEARLY NEW, AND ANTIQUES. Currently both stores, staffed entirely by dedicated volunteers, feature beautiful wares, reproduced furniture in pines, walnut and mahogany, and paintings, jewelry and clothing.

Contributions are solicited and volunteers are grateful for all the donations given in the past two years. Ours are outlets with a FLARE, identified with interesting window displays and gracious people who give their time to manning the stores. Yearly, hundreds of tourists enjoy the Depot and the stores.

## BOOK OF REMEMBRANCE

The Book of Remembrance is far more than a list of those who have contributed to the Depot's restoration. It is, in fact, a chronological record of everyone whose efforts have made the center possible. The manuscript starts with the dream of Emilio Galagarza and ends with the recent Life Membership for Endowment program. It sets forth each of the seven phases of the campaign, giving not only names but totals. One can veritably see the project grow in size and intensity, until it surpasses \$1,000,000. The reader can identify with the office worker and the campaigner ringing doorbells. Together, several thousand strong, the people of Naples took a dream and turned it into a reality. This latest looseleaf tells it all in a rather unique way.

Drop in the Lobby when you have a few minutes and peruse through its pages.

All donations are tax deductible.

This form may be used to advise us of change of address for summer, etc.

THANK YOU
