The 1984-85 yearbook is dedicated to Mrs. Susan Wright. It goes without saying that Sue has devoted her life to assisting others; especially children. Mrs. Wright wears many hats on the IMS campus — Math Teacher, Math Chairperson, Tutor, Homebound Teacher, Social Chairperson, Official Humor and Rumor Spreader and just an all around great person. We all love and appreciate you, Sue. Thank you for all that you have contributed to IMS both professionally and personally.

Life should not have been so short,
The days to smile so brief,
And though we cannot change what is,
We still can feel the grief
