EVOLUTION OF AN EDUCATOR

What do all the people on this page have in common? They are all the same person: Cecelia Bates.

Mrs. Bates was born and raised in Immokalee and has dedicated her life to serving the people of this community. For the past seven years she has held the position of principal of IMS, and the combination of her leadership, her boundless energy, and her unending enthusiasm have helped to make the school a place where students not only learn the skills necessary for high school, but make the school a place where the students feel they belong and are secure.

"Now that we have the dress code firmly in, place, we can get on to more important business."

"I think he's going to ask me to dance."

I have a devil of an assignment for you today!

FIELD DAY

Octaviano plots his strategy.

Each year we take a day off from the usual academic activities to prove our athletic abilities and have some fun. The high school athletic field is ours for the day, and the race is on between the classes and the homerooms.

Last year, Mr. Roebuck and Miss Woodmansee acted as announcers as the homerooms competed in all sorts of activities. The artistic created elaborate banners and the athletic competed in all types of races, an egg toss, a softball toss, the shot put, and the long jump. The day culminated with the exciting tug-of-war.

Getting organized.

Jerry is ready for anything.

SPRING - 1989

It's anyone's race.

Field day leaves time for good friends.

Mr. Jones keeps everything under control.

DRAMATIC PRESENTATIONS

Each year Ms. Mueller's actors and actresses spend may hours putting together several presentations for the enjoyment of the student body and the general public. Their play might center around pure entertainment or it might center around a theme important to middle schoolers, like the dangers of drug abuse or the problems of growing up in today's world. But, no matter what the theme, we can be sure that the audience will be entertained.

EXPO - 1989

Ms. Foster shows off her display.

Each year shortly before Christmas break we get to show off our skills and accomplishments at our annual open house. Each class contributes its best, and everything is assembled in the gymnasium. Students, faculty, and staff members act as hosts and guides to parents, brothers, sisters and other interested friends in the community.

Mary Molina and Gloria Irrazary do some time tests.

VALENTINE'S DAY

Shanita poses for the camera.

The Valentine's Day dance is IMS's only dance each year, and the students treat it as a very special event. Gowns and tuxedos, corsages and limousines, all the trimmings come out for this gala event.

The dance is hosted by the Jr. Beta Club and the Student Council who work for weeks to get everything ready for the big night. This year carnations were given to each eighth grade girl, and portraits were taken under the Valentine arch for all students who attended.

Is this a new rock group?

Felicia Taylor enjoys the dance.
