We, the Proud People of IHS, would like to extend a special thanks to our SPIRITED teacher, colleague, & friend, Mrs. Linda Ayer. Without your neverending enthusiasm and energy as Language Arts Department Chairman, Drama Director, Cheerleading Sponsor, and BETA Sponsor, we would sorely be lacking. With much love and appreciation, we present this page to you... THANKS!

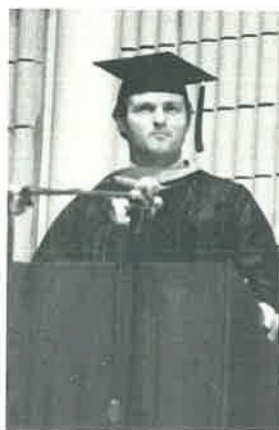

DEDICATION

The 1987 Ducamus staff respectfully dedicates The Proud People to you, Mr. Mac.

We appreciated your devotion, concern and effort in improving our school as well as our personal confidence. You were there to support us through our wins and losses...always with a positive attitude and viewpoint.

You taught us that "defeat is strictly mental" as you "coached" us through our academic years. We wish you the greatest of successes and hope you will accept this dedication with pride and honor.

Non-returning Yearbook Seniors!

BEATING THE BLAHS

The blahs . . . they usually hit yearbook staffs and advisors sometime around the middle of the school year - just about the time deadlines start to pile up. Not only does enthusiasm flag, especially seniors - get busy with other activities, the prom, senior trips, and graduation plans all compete with yearbook production deadlines. But the yearbook has to be completed on schedule and deadlines have to be met. So how do you motivate staffs to work as hard in the second half of the production year as they did in the first half?

ANSWER . . . GIVE THEM POWER PELLETS!!!!

TEAM UNITY

WE'VE GOT THAT SPIRIT !!

The 1986 Football Cheerleading Squad has done a superb job throughout football season and also cheerleading camp, where we received 1st in best pep rally, 1st in squad unity, two outstanding leadership ribbons, an outstanding cheering skills ribbon, and "SECOND PLACE OVER ALL!" But we could not have done it without the extra little push from our sponsor, Mrs. Ayer. She has always been there for us and we would like to say "thank you" and "we love you" . . . Also, to our co-sponsor, Ms. Kirkland, who just joined us this year, we'd like to say, "Keep up the good work, you're doing great!"

Don't cry Peep, we'll find your sheep.

*First period drama, under the directorship of Mrs. Ayer and Ms. Smith, provided IHS with a delightful musical presentation entitled, Mr. Grumpy's Toy Shop. With help from the Art Department and set directorship of Ms. Grabczynski, the colorful background surrounded Ayer's Actors as they enchanted us into the world of Mr. Grumpy. The dedication and long hours of costume design by Ms. Smith & Ms. Marshall only added to the polished performance given by our Drama Department.....
BRAVO ACTORS!!!*

In Memory Of . . .

FAREWELL

*Farewell my friend, until then, we shall
meet again . . .*

*The laughs and tears we shared together
will always be within our hearts.
Your smiles and crazy acts will always
bring a smile.*

*Not too long ago, you were here at our side,
But what's left, are memories of two beloved friends,
that will live within our hearts.*

*We shall cry and blame one another for the loss
of two great friends;
But we ought also remember, that God needs us too.*

*So, for now my friend,
farewell . . .*

Class of '87*

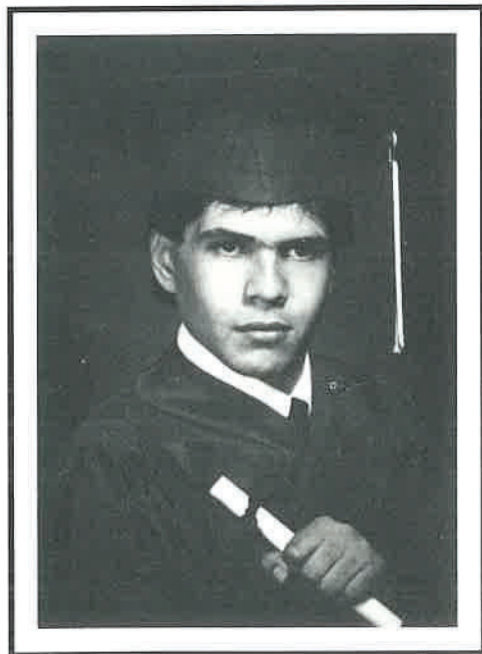

Ms. Marion Fether

Every student who has gone through Immokalee Middle School knows very well the devotion of a very special lady. Ms. Marion Fether died January 13, 1987, after spending her life in Immokalee doing for people and helping them in every way possible. Through the clinic at the Middle School, Ms. Fether fixed everything from bruises to broken hearts. She encouraged students to stay in school and persevere. Ms. Fether's work will never be forgotten; we join the community in saying good-bye to a devoted and dear friend.

Albert Velasco

We'll all sorely miss PFC. Albert Velasco, who tragically died February 7, 1987, at the young age of 18. His humor and personality especially touched the hearts of the Class of '86 who chose him as their most popular classmate. We all share in the loss of our dear friend and offer condolences to his family: Mr. and Mrs. Jose Ciro Velasco, brother Rolando and sister Lucinda.

CHANGES AT IHS

Mr. Shely

Mr. Gilbert "Bud" Shely, former math teacher and most recently Assistant Principal of Discipline, was officially appointed Principal of Immokalee High school in January of 1987. Mr. Shely came here in 1970 from Kentucky and has been a dedicated member of our staff for over sixteen years. We congratulate Mr. Shely and share in the delight of his achievements!

Mr. Egley

Mr. Robert Egley, our new Assistant Principal of Discipline, comes to us from Mississippi State where he was the strength & conditioning coach for thirteen different sports. Mr. Egley's other experiences include: serving as strength & conditioning coach to the Atlanta Falcons & Clemson University. He was also the linebacker coach for the U.S. Football League. We're excited and pleased to welcome Mr. Egley to IHS.

Best of Luck - Class of '87
