Naples, Florida 34102

(941) 774-8476

Since its founding in 1986, The Friends of the Collier County Museum have taken a leadership role in seeing that the historical and archaeological resources of Collier County, Florida are preserved to enrich the lives of future generations. The Friends of the Collier County Museum provides support needed to maintain high-quality museum exhibits, educational programs, historical publications, and family events such as Old Florida Festival and the Black Cultural Arts Festival. The Friends of the Collier County Museum is a registered 501(c)3 nonprofit organization which aids the Collier County Museum through tax-deductible donations. Its current and future projects include: The Museum of the Everglades, Everglades City, Florida and the restoration of Robert's Ranch in Immokalee, Florida.
