

## **FREE USE**

We are pleased to provide images from the Monrovia Legacy Project Collection for personal, business and scholarly use. Individuals using photographs for home decor, research, or other personal uses, and local historical organizations (MOHPG & Monrovia Historical Museum) need only pay a small fee to cover the printing costs for any print reproductions. Use of the photographs for commercial purposes -- such as a publication for sale -- requires a commercial use fee, which goes to sustain the collection.

## **COPYRIGHT**

Granting permission to use materials does not absolve requesters from securing permission from the copyright holder if the material is not in the public domain, nor does it affect the payment of additional fees as required by the copyright owner. Users assume all responsibility for questions of copyright, invasion of privacy and rights of publicity that may arise in using reproductions from the Library's collections.
