Another broken heart?

TO BE A MADITE a person must inhabit the buildings and spend much of his time on the campus. Among these strange beings are intellectual characters and others who are dominated by muscle. Definitely all of them are M.A.D.

OUR MAD WORLD IS

ARTHUR K. WILSON, Superintendent

Fortunate indeed are we people, Mr. Wilson,
who have known you through the years.
We appreciate your fine and just counsel,
your never failing kindness,
your calm and clear thinking,
your high ideals,
your keen insight into human nature,
your ability to hold your counsel and know
when to speak—
and, you are never too weary at the close of
the day to lend a helping hand.
With your wealth of service to us all—
may life's richest blessings be yours—
always.

STEADIED BY LEADERS,

STANLEY C. McCLINTIC, Principal

MR. S. C. McCLINTIC, who this year became principal of M.A.D., is a personality long to be remembered on this campus. His enthusiasm, congeniality, and progressive leadership has made him a favorite with both students and faculty. Mr. McClintic has for many years aided and encouraged most student activities. Beginning next year he will be superintendent and principal of our M.A.D. World. We congratulate him in his new position and wish him the best of everything in his future work.

**Dean of Girls
RUTH E. FOREMAN**

"SHE'S ONE IN A MILLION!" Many girls have said this of Ruth Foreman, our Dean of Girls. She is not only an advisor and counselor but a friend to all the students. More than one student has been set on the "right track" by her sincere and helpful understanding.

**Dean of Boys
ROBERT S. MANNING**

AS DEAN OF BOYS, Mr. Manning advises and counsels all the boys of our M.A.D. World. His knowledge and understanding of the students' problems has helped to guide many individuals during the past years. Recently he has also assumed many of the duties of vice-principal.

EFFICIENT HELPERS

MAIN OFFICE

MISS VERE CONE DUNLAP, secretary to the superintendent, efficiently handles the business of the main office. The numerous flowers that adorn this office are a reflection of her sweet and pleasant personality.

GENERAL OFFICE

UNDER THE WATCHFUL eye of Mrs. Marchi, the general office gets out the daily bulletin, and assumes, among other duties, the important task of recording and filing student programs. Her cheerful helpfulness is appreciated by all the students.

ATTENDANCE OFFICE

MR. VAN HELLEN and Miss Wright exert a strong and beneficial influence on our M.A.D. life. Those among us who have a tendency to be late, or to forget school for a few days, eventually become acquainted with the Attendance Office. Most of us are better students after having a little direction from these fine people.

AND CHEERFUL WORKERS,

OFFICE STAFFS

THE GROUP OF ladies pictured here are the willing workers from the Main, General, and Adult Education and other offices. They are as follows: Miss Margaret Weigel, Mrs. Carol Higby, Mrs. Audrey Sharpe, Mrs. Nell Hanft, Mrs. Muriel Chamness, Mrs. Wilma Horegian, and Gloria Higel.

CAFETERIA STAFF

THE EXCELLENT COOKS and their helpers in our cafeteria deserve the thanks of any of us who enjoy the convenience of having a well-served hot lunch at a minimum price right on our campus.

Assisting Mrs. Stevens in the cafeteria are: Mrs. Goller, Mrs. Pinter, Mrs. Fargo, Mrs. Naggs, Mrs. Gregory, and Mrs. Ericksen.

MALT SHOP

THE MALT SHOP staff, consisting of "Ma" Park and her helpers, have provided many a coke and hamburger to quiet the ravenous appetites of hundreds of M.A.D. students throughout the year. • Incidentally, "Ma" has been an excellent ad salesman for the Annual.

STUDENT LEADERS

PHIL BORTELLS

WE'RE GOING TO WIN! Isn't that right, gang? This battle-cry has rung through the assemblies and the halls of M.A.D. They are the fighting words of our student body president, Phil Bortells. • Phil has been an inspiring leader who has raised the school spirit of our M.A.D. World to an all-time high. We would say his year as president has been one most students will not soon forget. His record for leadership is one that future presidents of the student body will try to emulate.

STUDENT BODY CABINET

Probably more changes and improvements for the good of the school have been carried out this year than ever before. Phil Bortells and his efficient cabinet have been very successful as the representatives of the student body. Cooperation between students and faculty has been excellent. • The cabinet has fostered the spirit which has been shown by the students of Monrovia-Arcadia-Duarte High School this year.

Row 1—Betsy Ward, Pat Kout, Johnny Ochoa, Mr. McClintic, Phil Bortells, and Marilyn Doering.

Row 2—Dick Walters, Tom Taylor, Leon Johnson, Winston Goller, Bill Wagner, Mike Stevens not present.

OF OUR MAD WORLD

BOYS' LEAGUE CABINET

THE GIRLS' LEAGUE is one of the two most important student organizations, the other being the Boys' League. • Since all girls of the student body are automatically members, it has been the purpose of the Girls' League cabinet this year, under the leadership of Earlene Knisley and Virginia Bower, to plan a program of activities which will be enjoyed by every girl. This year's program was high-lighted by many interesting assemblies. The annual Mother and Daughter banquet this spring was enjoyed by all, as was the "Hick Hop", the Sadie Hawkins dance, sponsored by the league which started the school year off.

GIRLS' LEAGUE CABINET

UNDER THE LEADERSHIP of Art Wilson and the supervision of Mr. Manning, this year's Boys' League Cabinet has worked efficiently to give the League one of the best years in its history. • The Cabinet has advanced and worked on many worthy projects. The snacks you have enjoyed at the football games, and the bigger and better programs furnished for the games are two of their outstanding accomplishments.

Row 1—Sharon Spurgeon, Virginia Bower, Miss Foreman, Earlene Knisley, Sue Perkins, Sonya Hedeem.

Row 2—Judy Bowsher, Mary Crumpton, Barbara Bowman, Marian Hawkins, Dolores Bader, Elmer Griffiths, Maureen Callahan, Eleanor Rothwell, Judy Draper and Dorothy Worrell, not present.

Row 1—Bill Marchi, Bob Humble, Art Wilson, Tom Taylor.

Row 2—Ed Losee, Marshall Wix, Newman Porter, Skippy Carmichael.

COMMISSIONERS

THE COMMISSIONERS ARE chosen from second period classes to help bring order to our M.A.D. World. During the past year, they have done a commendable job in keeping the halls quiet and assisting us to live within the laws of our student government.

GOVERNED AND

HOUSE OF REPRESENTATIVES

MORE THAN EVER before the House of Representatives has accomplished many important steps toward the betterment of school government. With our Vice-President Johnny Ochoa to help them along, the representatives from each 2nd period class meet frequently to iron out the problems that arise on the campus. They have acted as a link between the student body and cabinet.

MADQUINS

MADQUINS, AN HONORARY club of senior girls, is one of the most admired organizations at M.A.D. The fifteen girls are chosen on the qualifications of outstanding contribution in school activities, friendliness, scholarship, sportsmanship and cooperation. This year they have established several precedents for future years. One outstanding service was ushering at all home football games and the decoration of the bleachers and goal posts.

SERVED US WELL

MONARCHS

THE MONARCS IS one of M.A.D.'s outstanding clubs. It is composed entirely of senior boys. These boys are the school leaders, those who excel in athletics and scholarship and every branch of school activity. With the Madquins they sponsored a very successful dance for the student body. Membership in this club is a coveted honor.

HERE IS YOUR 1948 Annual! It has been a joy and a privilege for us to review our M.A.D. World for the past year. We have selected and chosen the pictures which we hope are representative of our campus activities. Our thanks go to clubs, their sponsors, the members of the student body, and, most of all, to the administration for their fine cooperation. We hope you are satisfied with the result of our efforts.

The book took shape as the months rolled by.

PUBLISHING THE WILDCAT

THE WILDCAT, the weekly school publication, is compiled by the students and the English department with the cooperation of the printing classes. Under the new supervisor, Miss Vivienne Mosher, and editors John Covell and James Miller, this activity has played an important part in school life. Each Friday morning before classes (and sometimes during them too!) practically every student could be seen with his head buried in that week's edition, reading about all the latest events around school.

THEY BROUGHT HONOR

A CAPPELLA

THE HEIGHT OF ambition for all Madite songsters is membership in our A Cappella Choir. Because of their outstanding work in competition with other groups, in concerts and in operettas, the choir has added to the prestige of M.A.D. Much of the success is due to the generous and helpful leadership of the choir's director, Chester Ullom. The choristers have made several broadcasts over KFWB, which are generally followed by the citizens of this area. Around school, the name A Cappella has become synonymous with good music and fine entertainment.

PIANO CLUB

SPONSORED BY Mrs. Potts, every member in the Piano Club is active. He must be willing to play for the group some time during the year. He is free to choose his own classical selection. It is a valuable experience to play for other students who can give constructive criticism as well as praise.

TO OUR NAME

VARSITY BOYS' GLEE CLUB

"IT'S A GRAND NIGHT for singing." If we've heard it once, we've heard it a hundred times, coming from the direction of the Varsity Boys' Glee Club room every third period. These A Cappella aspirants, under Mr. Ullom, can give out with anything from "Dry Bones" to the Alma Mater and are often called upon to do so.

SENIOR GIRLS' GLEE CLUB

"BIGGER AND BETTER things!" That was the cry of the Senior Girls' Glee Club this year. They started an outside choir of the very best voices and still managed to keep up with the strenuous program that their popularity demanded.

JUNIOR BOYS' GLEE CLUB

THE JUNIOR BOYS' Glee Club has become one of the largest groups in school. Their membership has reached fifty-five. Singing for all they are worth, the boys have tried to reach a greater degree of musical perfection.

JUNIOR GIRLS' GLEE CLUB

Under the immediate supervision of Mrs. Potts, the Junior Girls' Glee has done an excellent job again this year of inspiring girls to join their club by the grand work they display. The organization is open to all girls who really enjoy music.

WITH OUTSTANDING

SENIOR BAND AND JUNIOR BAND

THE SENIOR AND Junior Bands are the outstanding instrumental organizations at M.A.D. Composed of the rhythm experts, and supervised by Mr. Scott, they provide us with music for assemblies, concerts, and other specialty programs. These top-flight groups, when in competition with other schools, always bring home honors for our school.

MARCHING BAND

THE MARCHING BAND, under the direction of Mr. Boyer, gave spirit and pep to the between-half period during football season. Their colorful uniforms and splendid marching will long be remembered by those who watched the games.

Virginia Lombard

ACCOMPLISHMENTS

SENIOR ORCHESTRA AND JUNIOR ORCHESTRA

THE SENIOR AND Junior Orchestras provide the musical background of our M. A. D. World. These "horn blowers" and "bow scrapers", through self-sacrifice and hard work, have given much to our MAD life. They receive the fundamentals of instrumental music and develop a number of fine and promising artists. Mr. Scott is the director of the instrumental department.

"TISH"

"IT WAS THE BEST play here in years." That's what they said about the League Play, Mary Roberts Rheinhardt's comedy, "Tish." The appreciative crowd was kept "rolling in the aisles" as a skillfully directed and cleverly staged play unfolded before a packed audience. • "Tish" was so well received that the Winter Seniors sponsored a repeat performance with the idea of purchasing a football scoreboard with the proceeds.

GREASE-PAINT

"THE SAINT"

FOLLOWING A TRADITION of years, the Dramatics and Music Departments presented the Christmas play. The play offered this year, "The Saint," was one of dignity and quiet humor. Its setting was the Middle Ages and the costumes added color to a theme that illustrated the true Christmas spirit. Mrs. Doty and the cast have our congratulations; Mr. Ullom and his chorus our thanks for some fine music.

THESPIANS

THIS CLUB'S membership is made up of the outstanding students in dramatics. Under the able direction of Mrs. Doty, they not only participated in several plays this year, but enjoyed trips to theaters in the metropolitan area. They have had as guest speakers prominent people connected with the theater and occasionally enjoyed a party among themselves.

STAGE CREW

BUILDING THE SET, supervising the stage scenery, lighting and sound effects, our Stage Crew has been the "behind the scene" element in all our musicals, plays, and assemblies. They have proved indispensable to all M.A.D. productions.
