

The Wildcats take a victory plunge after winning their first Pacific League title in 28 years.

COACH BILL HATCH in his year at the varsity helm led his Wildcats to their first Pacific League Championship in 28 years. The Cats had three players, Les Christenson, Ron Miller, and Chuck Hinchman, who averaged over ten tallies a game. On the defense side of the game the Champs were greatly aided by the ball-hawking of Capt. Jim Benson, Carl Robinson and Devon Engleman.

MIKE GIDDINGS' J.V. ball club took the Pacific League title, losing but one game in league play. Coach Giddings employed a new system of substituting which was a carry-over from his football coaching. His first platoon was "The Youngens," a team of Sophs and Juniors. The second platoon, "The Old Timers," was composed of Seniors. Next came "The Ball Control," or Jr. Globetrotters.

Our Champion J. V. Team battles it out with El Monte Lions.

BEING THE ONLY basketball team not to win a championship this year, the Bee team enjoyed a moderately successful season. The biggest problem proved to be the lack of returning lettermen; even so, Coach Dick Robbins did a fine job in molding his team around scoring threats Greg Miller and Art Farr.

Varsity Baseball

COACH AL KATICH'S varsity baseball team at deadline time have a good chance of taking the league title. The Katich Batsmen have already won their first league game from the Alhambra Moors, for the first time in five years. Leading the team are four returning letter-men, including Greg Miller, Barry Ballew, Marty Bracamonte, and Mike Brochu. Up from the J.V.'s and leading the team in hitting, is first sacker Paul Kramer, while Danny Gee is doing a fine job on the mound for the Cats.

RON BARNEY'S J.V. diamond men appear to be having more than their share of trouble this season. Although the Cat baseballers have shown streaks of fine play, they are very inconsistent. Since there are only two returning lettermen on the squad, and unless the team knits itself into a smooth working outfit, it could prove to be a very long season.

COACH VIRGIL STEVENS this year guided the Freshmen Baseballers through a hectic season. As always in Freshman sports there were many funny incidents, as well as many exciting moments. Outstanding infielders were Joe Thompson and Bruce Scott. In the outfield the kittens were supported by the hitting and fielding of Tim Tracy and Ruben Congo. Leading pitcher was Jim Hardesty.

Bee

BEE TRACKMEN, led by sprinters Frankie Haynes and Cal Robinson, should have a winning season if they don't lose some top runners to the varsity. Hurdler Clavie Brown has been running some outstanding races while Ernie Feltus has been sweeping the high jump and broad jump. Doug Shannon is the leading pole vaulter, while Wesley Mallary leads the shot putters.

OUR CHAMPIONSHIP-BOUND Cee thinclads gave many thrills to track fans. With Bill Noble starring in the 100 and 180-yard dashes, and Mickey Newman shining in the 120-yard low hurdles, our Cee cindermen are well represented in the running department. In the field events Cat fans saw the school pole vault record fall on successive Thursdays to Dan Petersen.

Varsity Tennis

OFF TO A SLOW START at press time, the M-D Varsity Tennis team dropped a couple of close ones to end up in the league cellar. Under the direction of Coach Robert Oliver and the leadership of Captain Bob Goss, the team holds high hopes for a good berth in the final league standings. Other hard-hitting team members included Larry O'Connell, Paul Smith and Mike Curry.

COACHED by Robert Oliver, the Junior Varsity Tennis team worked hard to develop the drive and technique necessary to play with our hard-hitting varsity with hopes that next year they can make the varsity team. Though the team was not expected to do exceptionally well in league competition, there was a good possibility that they would finish better than they did last year.

DESPITE INEXPERIENCE, this year's Cross Country team overcame two foes. Beating a weak Keppel team gave the boys the incentive to win over the strong El Monte Lions.

Sophomore James Wallace was the spark of the team, covering the mile and three quarters distance in close to nine minutes. He was pressed by Junior Ray Newland, who will definitely be a boon to the team next year. Next year's coach should step into a position which will be the envy of the Pacific League.

USING HIS GAVEL, presiding over assemblies, meeting community officials and visiting other schools were some of the tasks performed by Dick Biddle, ASB president.

During his term a speaker system was installed, a pep rally stage was built, a new E-Flag system was established, and many other tasks were accomplished.

In addition to presiding over Cabinet meetings, Dick served as president of M-D's Key Club.

Throughout the year, Dick devoted all his efforts to maintaining the traditions of his school. His term as ASB president will be well-remembered.

Secretary Diane Elarth gets Dick's signature on a requisition.

A. S. B. Veep

A.S.B. VICE-PRESIDENT Jim Lamm served as Wilma Wildcat at football games and presided over the House of Representatives. He also shared the task of presenting many of our assemblies this year. His many duties in this capacity filled much of Jim's time, but he found time to be active in many other organizations. Jim was a member of Key Club, Monarchs, Scholarship Society, Palateers, the Varsity cross-country team, and Weather Bureau. Throughout the year he came up with many of the answers to the problems his office created and was always ready with a suggestion for the improvement of a school activity.

JIM LAMM flashes his congenial smile for the camera; this was typical of his countenance as he was seen walking across the campus from class to office.

House of Representatives

THE LEGISLATIVE ACTIVITIES of the Student Body were carried on by the **House Of Representatives**. Amendments to the constitution were debated and decided on, and funds used by the student body were appropriated. Whenever Jim Lamm, the speaker of the house, was not present, Tom Smith presided over the meetings.

Girls' League

STARTING the year off right, the **Girls' League** introduced a new event, the "Boxnic," which was a picnic lunch in a box. It took place before the Hi-Week game and dance and was a huge success. An annual event, the fall fashion show, narrated by Liz Goldstein, Girls' League Vice President, showed every girl's dream of a new fall wardrobe. The audience was constantly filled with sighs of longing. Another highlight of

this year's Girls' League was the Father Daughter Banquet. "My Heart Belongs To Daddy," the awarding of the best decorated box suppers was followed by entertainment. It can easily be said that this year's Girls' League was an extreme success, a great part of this success was due to Pam Lee, our Girls' League President.

Boys' League

THE BOYS' LEAGUE was active in providing the male population at M-D with an interesting year. The first of its many activities was the traditional Freshman Day. Members of the league Cabinet showed the somewhat apprehensive freshmen boys around the campus. The League also assisted in the presentation of both the Christmas Dance and the League Play, which were two highlights of the activities this

year. Probably the most memorable of the various assemblies presented by the League was the one in which the new Monarchs were chosen. This year, as in the past years, the League presented the school with a gift that will help to remind all Madites of the service this organization has contributed to M-D.

Madquins' Officers: President Linda Blankenship and Secretary-Treasurer Barbara Warren.

Madquins

EACH YEAR there are twenty Junior girls who are elected by their classmates to belong to the girls' honor society, **Madquins**. These girls are chosen on the basis of their participation in school affairs, their scholastic status, and their enthusiasm. They begin their Madquin duties by serving at the Senior Breakfast, and ushering for both Graduation and baccalaureate. The Madquins decorate and usher for all home football games. Another activity in which these lucky girls participated in was sending a basket of food to a needy family at Thanksgiving. Also they Christmas caroled at a convalescent home. As one can see these girls are kept very busy throughout their entire Senior year.

Monarchs

MONARCS are chosen by their fellow Junior boys at the end of the year on the basis of leadership, scholarship, and popularity. This year, in addition to the twenty selected members, the Monarchs had an honorary member, Octavio Sosa, the foreign exchange student from Panama. Among the many services in which the members participated were the Christmas food drive for needy families, the decorating of the goal posts for the football games, and the selling of programs at a basketball game. They also participated in the traditional Monarc-Faculty basketball game and helped polish the trophies in the showcase.

Monarc Officers: D. Mathis, G. Salmon, president, E. Cole, T. Smith.
