Mrs Dodd: (Please excuse all spelling
grammar mistakes, etc, etc...)

I'm glad I had your
class this year. I also
am very, very glad that
you talked my mother out
of English AP! (You don't
know how happy I am!)

I'll try not to be
a hermit, but it has
been a life long desire.
Maybe I'll try it for a short
while and then come
back and be a school-teacher
(only kidding) Even if I were
to be a hermit, my mommy
would make me go to
college first!

Hope to
see
