Country At Community Center

Held in October at the Community Center, the 1981 Saide Hawkins' Dance was an enjoyable Girls' League sponsored evening for the 300 plus country enthusiasts who attended.

With the assistance of G.L. President Rhonda Nuckles and member Renee Hunt, Mr. Jansson took on a new position as Justice of the Peace and performed marriages for a mere fifty cents. However, none of the marriages lasted beyond eleven p.m.

Quote D.J. Howell, "It was the best time I've had in four years."

Many people seemed to agree, and as the evening progressed, the mood of the crowd was down to earth country.

Girls' League The Co-Ed

Held at the Stardust Catering Service of San Gabriel, the January 1982 Co-ed was a successful dance for Girl's League. Though lightly attended those there enjoyed the music of the band "Front Seat" and catering services provided. Stephanie Meyer was elected to reign for the evening event.

Jill Prud'Homme, Anthony Fork Queen, King Of '81 Homecoming

Bigger and better than ever were the two goals set by Co-heads Janisse Cusick and Nelly Schneider when they began work on Homecoming 1981 this fall. Those who attended agreed that these goals were met . . . and surpassed.

The addition of Princes—escorts voted for by their classes—was a first for MHS Homecoming history. Each of the seventeen young men chosen enjoyed being more than escort to the ladies, for this year the men were an integral part of the celebration.

The evening began with a 7:30 pre-game parade of Sweethearts, led by last year's queen, Miss Janet Hanke. Janet also acted as Grand Marshall, replacing Dana Plato, who was unable to attend.

Following an exciting first half of football action were the spectacular half-time activities, in which Miss Jill Prud'Homme and Anthony Fork were named this year's Queen and King (they are pictured at the right). A brilliant array of fireworks was used to present the announcement.

Due to vandalism in the gym, the Homecoming Dance was held at the Santa Anita Mall in Arcadia. Music was provided by a live band, Black Sheep, as well as a dee-jay, allowing for a variety of music styles.

WARE, WOODCOCK STAR IN FALL PLAY

"You Can't Take It With You" opened in the MHS Auditorium on Dec. 11, 1981, under the direction of Mrs. Betsy Bishop.

Seats were filled for both weekend performances, the staging taking place ten weeks after rehearsals began.

Exceptional performances were given by Laura Ware as Penelope Sycamore, Chris Woodcock as Martin Vanderhof, and Frank Delgado as Tony Kirby.

Bit parts in the play were outstanding, especially those characters from Richard Harris, Georgia Greenwood, and Kathleen Hartigan.

As always, Mr. Phil Rope and his Stage Crew performed professionally. The set and properties were 1930's tacky, right out of the Sears & Roebuck catalogue.

Another superior performance came from the ever-dependable Albert Kemp, who has the most animated face on campus.

Watson Sharpens Cats' Claws To Qualify For C.I.F. Prelims

This year's Cat "family" celebrated the best record in the past eight years of rough football.

Things really started to take shape three years ago when this year's Senior players actually began their season as sophomores and Head Coach Richard Watson came to MHS.

Beginning with spring training, under the leadership of Captains Bartlett, Wells, Jensen and Adams, the players developed a sense of unity, what the players themselves called "FAMILY".

This year the team gained Coach Clegg from Bishop Amat, a man who brought with him a new style of defen-

sive play, which proved successful, the "Big Bend" chalking up five shut outs and allowing only five points per game.

The Wildcats went into C.I.F. play-offs with a 8-1 record. Then they whooped Morningside, 42-6; squeaked past San Lui, 7-6; lost to Antelope Valley in a hard fought 17-15 game.

At the end of this glorious season, All-League honors went to Robbie Bartlett (QB, Punter, DB), Andy Bourne (DB), Keith Jensen (LB), Shawn Wells (RB), Louie Martinez (DB), Willie Griffen (DE), Drew Wisely (G), John Thomas (T), Kenney Bryant (R), and Reggie Stark (DT).

'82 A SEESAW SEASON FOR CATS

It was called a seesaw season for Varsity Basketball . . . lots of ups and downs. The Cats started out with a big disadvantage: no home gym! So the Wildcats took their talents to William Carie University.

The highlight of the pre-season was a fourth place finish at the Nogales Tournament, fourth out of 16 teams. Finishing third in League, the Cats tied with their favorite foes, the Blair Vikings, the Vikings advancing to the C.I.F. playoffs as they defeated the Cats twice in League.

Varsity: Row 1: Walter Williams, Rufus Griffin, Humberto Oria. Row 2: Thomas Jackson, Danny Rawls, Dave Gatlin, Derek Dyke, Wesley Ad-

ams. However, the Wildcats finished strong, winning three out of their last four games at the rebuilt Wildcat den on campus.

The Cats were led by the always consistent Rufus Griffin and his back up men Danny Rawls and Wesley Adams, and the floor leading of Robbie Bartlett and Humberto Oria. Another plus was the fine shooting of Thomas Jackson. Coach Lipkin looks for a promising season next year.

Girls Basketball Champs Fifth Year In A Row; Smith, Walraven, Gossett Not Returning

Led by returning third team C.I.F. player Bridgette Smith and All-League first team players Brenna Walraven and Lorri Gossett, this year's Girls' Varsity Basketball team were involved in League championship play again. They boast a 9 and 1 record to cap their Senior year.

Each of the three girls, along with their other teammates, contributed tremendously throughout their careers to the success and tradition of girls' basketball at Monrovia High School.

During their three years competing at Varsity level, their record was 28 wins and 2 losses. "It will be hard to replace them, but hopefully the tradition will be carried on by future lady Wildcats," commented their coach.

Varsity Volleyball Has Its Ups and Downs

The Girl's Varsity Volleyball team this year was looking forward to a good season with four returning varsity players, but with the vandalism which destroyed the gym, the season was tough. Practices and home games were held in Clifton Junior High School's gym, which was somewhat of an inconvenience to the players and coach.

Key players for varsity were Jackie DeVargas and Lorri Gossett. DeVargas was voted MVP and also made first team All-League. Gossett was voted Most Inspirational and made second team All-League. Both were Seniors, with DeVargas in her fourth season and Gossett in her third.

Sherrine Scott and Grizelda Pearson, also Seniors, in their fourth season, contributed to Varsity as hitters, both very talented. Penny Unger, a Sophomore in her second season, was the team's one and only setter. Unger was new to Varsity and had a real learning experience. She will be returning.

Two newcomers to Varsity, Vicky Luiten and Trina Mangerino were two extremely helpful players, both being Seniors. Trina was voted Most Improved. Neither had any previous experience on the court, but helped and improved tremendously. The Varsity also had a new coach for the third straight season, Jan Hart, a very experienced and understanding coach.

Soccer Finishes At 5-12

The overall record for this year's Varsity Soccer team finished at 5-12. Things looked good at the start of the season, under new Varsity Coach Manuel Reynoza, but because of a drastic loss of players, things got shaky. There were individual efforts by Johnny Leon, Martin Montano, Joe Montano, Mounir Shanir, Ed Honore, and Iggy Velazquez. Eight out of 12 players are expected back next year.

Due to a shortage of players on Varsity, JV's were asked to move up to Varsity. Before breaking up, the JV's won a trophy at the La Canada tournament in December. The J.V. record was 5-2-1.

"82" VARSITY BASEBALL HAS THE SPEED AND TALENT

Made up of five returning Seniors, several Juniors, and three Sophomores, this year's Varsity Baseball team was loaded with speed and talent.

At the beginning of the season there were some weaknesses in some positions, but the team had strengthened since last year. Coach Ritchie, who put emphasis on technique and running game, stressed that the key to winning was to put pressure on the

other team. His strategy paid off when the team opened League with a win against Glendale. (Because of the Monrovia deadline, we cannot report on the entire season.)

Star players were Robbie "Bat Crackin'" Bartlett, Andre "Steal Home" Holmes, and Louie "Teenie" Martinez. These and the other Cats desired a successful League showing.

Monrovia Softball 82

Monrovia High School's softball team will be looking forward to a good season in 82. This year's team will be led by senior captain, all-league outfielder Trina Mangerino and returning varsity players, Kerry Burnett, Teresa Dixon, Gina Gonzales, and Diane Hooven. With the addition of junior varsity and new players to the varsity, the Wildcats look forward to a successful season in the tough foothill league. The coaches are Dave Brubaker and assistant coach Antoinette DeVargas.

Tennis Girls Swing Into Tough Season

Feline Wildcats enjoyed a successful tennis season this year. After winning three out of four of their pre-season matches, they entered the tough Foothill League with great expectations. A young but improving team was defeated soundly by an excellent Glendale team, but went on to play close matches with Hoover and Burroughs. They split matches with Bur-

bank and defeated Blair.

This year's Varsity standouts were Junior Kim Goodman, who held down the number one position most of the season, and Seniors Anh Nguyen and Brenna Walraven, who played doubles in League playoffs, representing the Wildcats admirably.

Top returnees from last year were Matt Herrera, John Graham, and Alex Guerrero.

At press time the Cats were looking forward to an exciting season of tough competition.

Girl Swimmers Look Toward C.I.F. Times

As in past years, the 1982 Girls' Swim Team had to contend not only with other schools but with the algae in our lime green slime pool.

Fortunately, this year's squad had six returning Seniors including the qualifying C.I.F. Medley Relay team, which competed at two invitationals, where most of the girls received winning medals.

Both the Varsity and J.V. team had outstanding seasons and are looking towards the future when more swimmers will qualify for CIF competition.

WANTED! A Good Season

Although this year's Boys' Swim team was small in number, they were great in spirit and talent.

Last year they set League and school records in the Frosh/Soph Medley Relay Backstroke and were all training like captured, mad animals; they fought H₂O to improve their performances for this season.

Their enthusiasm was so aggressive that Warden (alias coach) Stewart arranged for a new, caged locker area to help keep them under control.

Some of these captured Catfish—Darren Fields, Tom Pifari, and Mark Hosaka—bit off their ball and chain and swam a successful season for '82.

Milsap Sees Only C.I.F. When She Runs Girls C.C.

Girls' Cross Country was highlighted in the fall by Denise Milsap's qualifying for C.I.F.

Having placed second in League put her at the top of the list of all-time distance runners of MHS.

Other teammates were Jill Munsell, the Junior standout with three years' experience. Rounding the team out were Jody Schmidt, Amy Bourgeois, Marian Brown, Hilda Alvarez, Tammy Henry, and Leslie Williams.
