# 'Touchdowns Incorporated' to Meet Moors

Monrovia-Duarte High's "Touchdowns Incorporated" has another breather on the schedule tonight with the Alhambra Moors before taking on the surprising Bullpups of Pasadena for the Pacific League championship next Friday.

Alhambra, winless in three league starts, does not appear to have the man power to halt the ram-paging Wildcats.

The 'Cats, sparked by the "TD Trio" of Dickie "Sudden Death" Fulks, Larry Ross, and Roy Gaebel and the passing and ball-handling wizardry of Gary "Mr. T" Schaar, has stormed to 38 touchdowns and 22 conversions, a total of 250 points, while limiting the opposition to only 47.

Only one of the seven teams to fall before the Wildcats, Mark Keppel has scored on the ground. The other five tallies have come through the air.

Fulks, with 52 points on 5 TDs and 22 conversions, is the 'Cats' top scorer. Ross and Gaebel follow with 48 and 42, respectively.

Alhambra has not been nearly as successful as the 'Cats, losing four, winning two, and tying one. Santa Monica started the year off wrong for

the Moors as Sandy Lederman and Company trimmed the Alhambrans, 26-0. The Moors looked impressive the next week, clipping Glendale, 32-7; then they changed roles again to lose to Long Beach Jordon, 19-13.

The Moors looked good again the next week, downing a fairly strong Long Beach Wilson eleven, 14-7.

In league campaigning Alhambra gained a 0-0 tie with El Monte between defeats from Whittier, 26-9, and Pasadena, 28-7.

If Alhambra should upset the Green and White tonight and Moor fans and players, remembering the stunning 19-16 defeat the 'Cats administered last fall, are aiming to do just that, it would make little difference to the loop race except to Whittier.

Whittier needs an Alhambra victory if they hope to salvage championship hopes, but to Pasadena and the Wildcats, league leading teams, only their head-on clash next week is of championship importance. A loss by the Pups or the 'Cats would not hurt either's chances.

# Wildcat Coaches

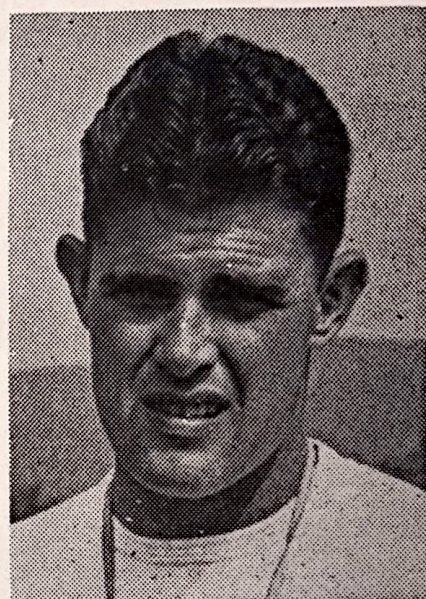

Head Coach Dink Walker who has lived and dreamed football since he reported for frosh football, all 87 pounds of him, is in his third year as Wildcat varsity coach and boys' physical education head.

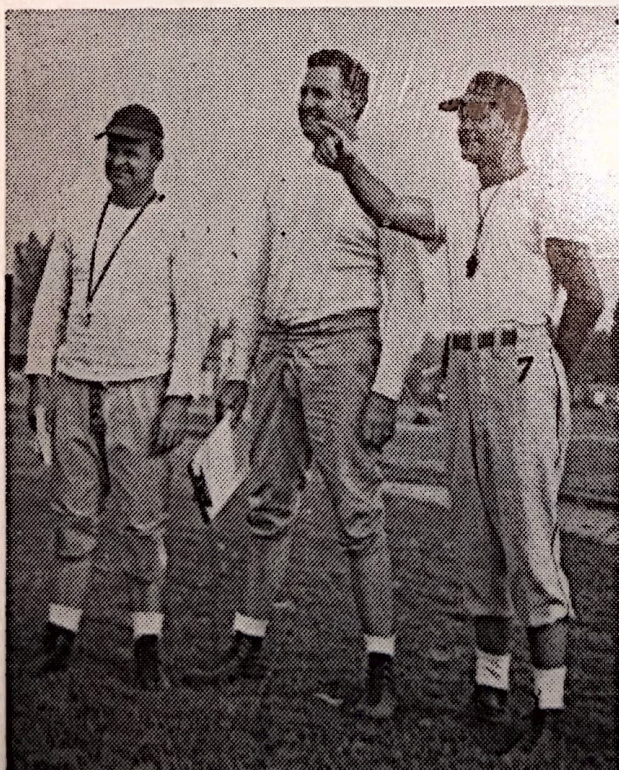

Walker coached at Whittier, Tulare, and Santa Paula before coming to Monrovia-Duarte, his teams often winning championships and always winning the respect of their opponents regardless of the final scores.

Line Coach John Daniels is in his third year at Monrovia-Duarte and to say he is liked and admired by the boys under his direction would be a masterpiece of understatement.

Daniels graduated from Long Beach Poly, attended the University of Oregon, and took his degree at Santa Barbara. He served Uncle Sam during the last war and saw the world, most of it in India.

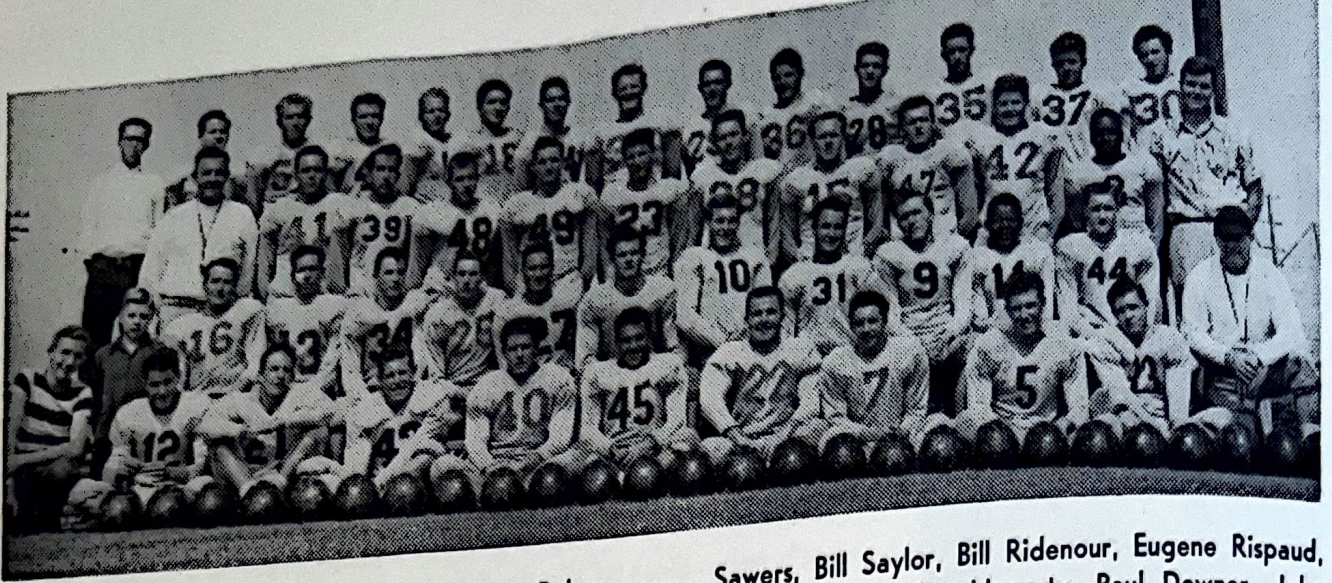

# Moor Coaches

Head Coach Ed Sawers is pleased with what he sees as Jayvee Coach Patrick points out a bit of clever strategy being perfected by the Moor varsity for tonight's encounter with the Wildcats.

Sawers, now in his fourth year of coaching at Alhambra, was a first string tackle at Whittier in his college days.

Chuck Whitham, pictured at the left, hails from far-off Pennsylvania University. He is Alhambra's head baseball coach as well as assistant varsity coach.

# Wildcat Forward Wall Holds Foes to Two T.D.'s

**Hardiman Cureton**

**Jim Pullman**

**Jim Merritt**

Monrovia-Duarte's forward wall, which has opened gaping holes for Wildcat runners and held opposing clubs to only two touchdowns on the ground, consists of five big rugged gridgers.

Right Tackle Hardiman Cureton, with his slashing, driving type of play, is the bulwark of the line. The giant, six-foot, 230-pound All-CIFer is the irresistible force and the immovable object built into one. Surprisingly, he is also the fastest of the 'Cat linemen.

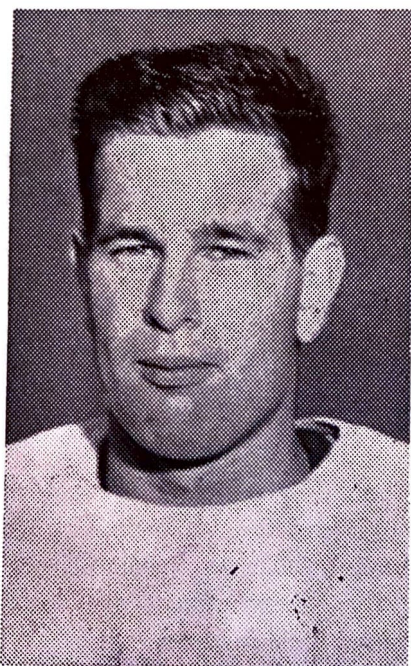

Jim "Lucky" Pullman holds down the guard slot next to Cureton. Pullman, the shortest of the five, has blocked two attempted punts by the opposition to set up a pair of Green and White tallies.

At the center post is Big Jim Merritt, perhaps

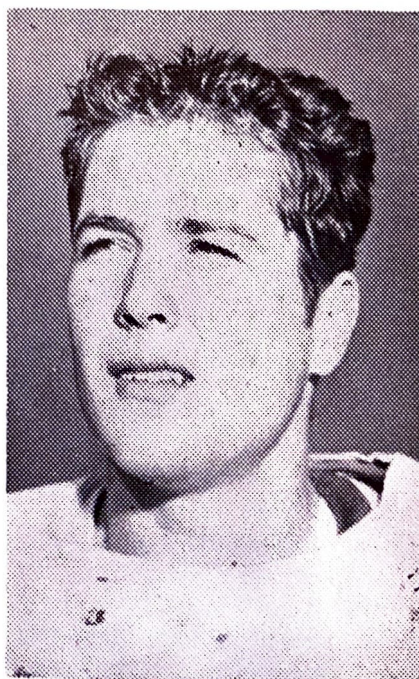

the least publicized of the 'Cat forwards, but one of the steadiest performers. Merritt's 201 pounds, spread on a 6-5 frame, bolsters the middle of the line with quiet efficiency.

Over at the left guard position is 180-pound, 5-10 Gordon Mountjoy. Although a tremendous blocker, Mountjoy has gained his greatest reputation as a defensive lineman. He made 11 individual tackles in both the Keppel and Whittier tilts.

Swiftly coming into his own, Bob Kimball more than adequately performs the left tackle duties. Kimball also made 11 individual stops against Whittier as the 'Cats held the Cards to a minus 26 yards on the ground.

# Student Body Salutes Walters

The Big M is shining down from the foothills over the city of Monrovia tonight, beaming on the Monrovia-Duarte high school field, encouraging the players on the Green and White wave, and infusing enthusiasm into the hearts of spectators. Having already urged the Wildcats on to victory three times this season, the Big M is now lighted for the season's last home game.

Years ago the idea of a Big M was conceived, but the obstacles confronting such a construction were many and large. The preparation, time, work, and finances necessary to make possible an M on the hillside overlooking M-D were more than anyone dared tackle.

Last spring James Walters was elected Associated Student Body president. Wanting to do everything possible to help make M-D "champs" in all ways, James revived the idea of the M. Without hesitating he began his inquiry and planning. James gained the permission of the city engineer and the Fire Department before going ahead with any plans. He then obtained use of the land on which the M was to be placed

and the right to trespass and recruited boys to help clear the site. After finances were arranged, the frame built, filled with rock, and painted, and lighting completed, the M was ready for use.

Congratulations, Jim, for a fine job.
